Based on extensive research, *Grammar and Beyond* ensures that students study accurate information about grammar and apply it in their own speech and writing. This is the first half of *Student's Book, Level 2*. The *Student's Book* is the main component of *Grammar and Beyond*. In each unit, students study the grammar in a realistic text and through charts and notes informed by a billion-word corpus of authentic language. The exercises provide practice in reading, writing, listening, and speaking, making this a complete course. Students learn to avoid common mistakes, based on an extensive

corpus of learner language. Each unit concludes with a *Grammar for Writing* section, in which students apply the grammar in an extended writing task.
