Are You a Magdalene? Snow Fountain Press

A grandmother and grandchild nurse an injured bird together in this touching story about caring for all creatures, the wonder of nature, and letting go. On a snowy day, a grandmother and grandchild find an injured bird. They take it home and care for it until it can fly around the living room. It is fantastic—just like everything at Abuela’s house! But a fantastic moment is also bittersweet, for the little bird’s recovery means that it’s time to let it fly free. Drawing inspiration from a formative childhood experience, Blanca

Gómez crafts a deceptively simple story that is morally and emotionally resonant and is brimming with love, wonder, and a deep respect for the natural world.

Sketches of Jewish Social Life in the Time of Christ Random House

The self-published spiritual word-of-mouth bestseller *Anna, Grandmother of Jesus* became a publishing sensation when the self-published version sold 50,000 copies through word of mouth alone, amassing a worldwide following in the process. Anna is the mother of the Virgin Mary and the grandmother of Jesus. Her teachings and service birthed a spiritual lineage that changed the world. In this book, you’ll discover missing pieces of history concerning Anna, Mary and Jesus, as channelled by Claire Heartsong, who has been

receiving telepathic messages from Anna for 30 years. Told through the gentle and heartwarming voice of Anna herself, this book offers insights into unknown places the holy family visited, people they knew and intimate details of their daily struggle to complete the Resurrection challenges. You will learn about the Essenes of Mount Carmel and their secret teachings and initiations, and gain a new understanding of Jesus's mission. Containing encoded activations to bring Anna's wisdom and energy into your own spiritual life, this book is an invitation to complete a journey of initiation begun long ago.

AGARTHA

North Atlantic Books
God's Role and Our Role in the Pursuit of

Holiness You are never beyond the reach of God's grace. Neither are you ever beyond the need of God's grace. Without grace we'd never come to Christ. But being a Christian is more than just coming to Christ, it's about growing and becoming more like Jesus. This pursuit of holiness is hard work, and as we enter into this discipline, we sometimes lose sight of grace. Jerry Bridges helps us steer clear of this disastrous distraction, offering a clear and thorough explanation of the gospel and what it means to the believer. Explore how the same grace that brings us to Christ also grows us in Christ. Includes full study guide (which was previously sold as a stand-alone discussion guide, ISBN 9781576839904).

"Meet the extraordinary mother of the Virgin Mary and grandmother of Jesus whose teachings and service birthed a spiritual lineage that changed the world. Discover missing pieces of history concerning Anna, Mary, and Jesus; unknown places they traveled, people they knew, and intimate details of their daily life struggle to complete the Resurrection challenges. Receive the activations and messages encoded in this book that can help bring the feminine principle into your own daily spiritual life completing your path of initiation begun long ago."--Publisher's description.

Just a Minute! Abrams

Latinos across the United States are redefining identities, pushing boundaries, and awakening politically in

powerful and surprising ways. Many—Afrolatino, indigenous, Muslim, queer and undocumented, living in large cities and small towns—are voices who have been chronically overlooked in how the diverse population of almost sixty million Latinos in the U.S. has been represented. No longer. In this empowering cross-country travelogue, journalist and activist Paola Ramos embarks on a journey to find the communities of people defining the controversial term, “Latinx.” She introduces us to the indigenous Oaxacans who rebuilt the main street in a post-industrial town in upstate New York, the “Las Poderosas” who fight for reproductive rights in Texas, the musicians in Milwaukee whose beats reassure others of their belonging, as

well as drag queens, environmental activists, farmworkers, and the migrants detained at our border. Drawing on intensive field research as well as her own personal story, Ramos chronicles how “Latinx” has given rise to a sense of collectivity and solidarity among Latinos unseen in this country for decades. A vital and inspiring work of reportage, *Finding Latinx* calls on all of us to expand our understanding of what it means to be Latino and what it means to be American. The first step towards change, writes Ramos, is for us to recognize who we are.

Your Soul's Plan Chronicle Books Presents a narrative history of Mexican cuisine in the United States, sharing a century's worth of anecdotes and cultural criticism to address questions

about culinary authenticity and the source of Mexican food's popularity. *The Source of Miracles* HarperCollins From the best-selling author of *The Bloodline of the Holy Grail* and *Lost Secrets of the Sacred Ark* comes an explosive historical detective story presenting secret archives on the mysterious life of Mary Magdalene, the hidden lineage of Jesus and Mary, and the real two-thousand-year-old conspiracy involving the entire history of Christianity. Mary Magdalene is described in the New Testament as Jesus' close companion -- a woman he loved and his financial sponsor. And yet, in contrast, the Church teaches that she was a prostitute who became repentant. Why the discrepancy between scripture and dogma? Why does Mary appeal so

romantically to artists who have painted her throughout the centuries as something much more significant than the Church traditionally portrays? What is the secret of Mary Magdalene and how much do we really know about her relationship with Jesus? Were they married? Did they have children, and if so, who makes up the messianic lineage? Laurence Gardner takes us on a detective trail to piece together the true controversial significance of the Magdalene story and its astonishing implications. These include the real da Vinci connection -- the true meaning behind Leonardo da Vinci's paintings and why the Renaissance Church censored portrayals of the Magdalene -- and information on the sacred marriage of Jesus and Mary Magdalene. Plus the

truth about the enigmatic Templar society called the Priory of Scion and the underground stream that protected the sacred heritage of the messianic descendents. And much more!

The Adventures of the Ingenious Alfanhui

"A delightful novel...impossible to resist."
—Barbara Kingsolver, Los Angeles Times

Book Review Sofia and her fated daughters, Fe, Esperanza, Caridad, and la Loca, endure hardship and enjoy love in the sleepy New Mexico hamlet of Tome, a town teeming with marvels where the comic and the horrific, the real and the supernatural, reside.

The Discipline of Grace Clearfield Group
What makes Mary Magdalene such a unique, powerful, female disciple and counterpart to Jesus? If you are drawn to

her energy and wisdom it may be a signal from your soul asking you to remember you may be part of a larger picture in which Magdalene is not just an individual but an 'Order of Consciousness' to which you may be connected.

Voices from the Ancestors Simon and Schuster

What happens when a former Zen Buddhist monk and his feminist wife experience an apparition of the Virgin Mary? “This book could not have come at a more auspicious time, and the message is mystical perfection, not to mention a courageous one. I adore this book.”—Caroline Myss, author of *Anatomy of the Spirit* Before a vision of a mysterious “Lady” invited Clark Strand and Perdita Finn to pray the rosary, they

were not only uninterested in becoming Catholic but finished with institutional religion altogether. Their main spiritual concerns were the fate of the planet and the future of their children and grandchildren in an age of ecological collapse. But this Lady barely even referred to the Church and its proscriptions. Instead, she spoke of the miraculous power of the rosary to transform lives and heal the planet, and revealed the secrets she had hidden within the rosary’s prayers and mysteries—secrets of a past age when forests were the only cathedrals and people wove rose garlands for a Mother whose loving presence was as close as the ground beneath their feet. She told Strand and Finn: The rosary is My body, and My body is the body of the world.

Your body is one with that body. What cause could there be for fear? Weaving together their own remarkable story of how they came to the rosary, their discoveries about the eco-feminist wisdom at the heart of this ancient devotion, and the life-changing revelations of the Lady herself, the authors reveal an ancestral path—available to everyone, religious or not—that returns us to the powerful healing rhythms of the natural world. *Anna, the Voice of the Magdalenes* Faber & Faber

The creator of the popular Chicano Eats blog and winner of the Saveur Best New Voice People’s Choice Award takes us on a delicious tour through the diverse flavors and foods of Chicano cuisine—Mexican food with an immigrant

sensibility that weaves seamlessly between Mexican and American genres and cultures. Esteban Castillo grew up in Santa Ana, California, where more than three-quarters of the population is Latino. Because Mexican food was the foundation of his childhood, he was surprised to see recipes for dishes on popular food blogs that were anything but the traditional meals he grew up eating. He was inspired to create the blog, Chicano Eats, to showcase his love for design, cooking, and culture and provide a space for authentic Latino voices, recipes, and stories to be heard. Building on his blog, Chicano Eats is a bicultural cookbook that includes 85 traditional and fusion Mexican recipes as gorgeous to look at as they are sublime to eat. Chicano cuisine is Mexican food

made by Chicanos (Mexican Americans) that has been shaped by the communities in the U.S. where they grew up. It is Mexican food that bisects borders and uses a group of traditional ingredients—chiles, beans, tortillas, corn, and tomatillos—and techniques while boldly incorporating many exciting new twists, local ingredients, and influences from other cultures and regions in the United States. Chicano Eats is packed with easy, flavorful recipes such as: Chicken con Chochoyotes (Chicken and Corn Masa Dumplings) Mac and Queso Fundido Birria (Beef Stew with a Guajillo Chile Broth) Toasted Coconut Horchata Chorizo-Spiced Squash Tacos Champurrado Chocolate Birthday Cake (Inspired by the Mexican drink made with milk and chocolate and thickened

with corn masa) Cherry Lime Chia Agua Fresca Accompanied by more than 100 bright, modern photographs, Chicano Eats is a melting pot of delicious and nostalgic recipes, a literal blending of cultures through food that offer a taste of home for Latinos and introduces familiar flavors and ingredients in a completely different and original way for Americans of all ethnic heritages.

Ana No HarperCollins

This is the first English translation of *The Adventures of the Ingenious Alfanhui*, a picaresque novel in which the hero, a magical little boy, goes in search not of his fortune but of knowledge, growing both wiser and possibly sadder in the process. These are the adventures of a magical little boy which will appeal to both children and adults.

Ana, la abuela de Jesús En el libro de Ana se pueden distinguir dos aspectos claramente diferenciados. Por una parte está la historia de la vida de Ana, la abuela de Jesús, que también contiene las descripciones de los eventos más importantes de las vidas de María (la madre de Jesús), Jesús y María Magdalena. Esta historia está bañada de detalles históricos, cotidianos, de las iniciaciones que realizaban, así como de las personalidades de esos personajes que han sido ocultos hasta ahora. Aunque tremendamente apasionante, el propósito de esta parte del libro no es descartar otras versiones de la historia de Cristo y establecer esta como verdadera. El objetivo es atraer la

atención del lector sobre un tema de gran interés para la humanidad y poder transmitir a través de las palabras las altas frecuencias que despiertan la memoria en el subconsciente humano de los códigos de luz en el ADN del ser humano. Una vez estos códigos de luz en el ADN del ser humano se abren, entra en juego el otro aspecto del libro, donde Ana explica por qué los hechos ocurridos hace 2000 años, protagonizados por Ana y su familia (incluyendo a Jesús y María Magdalena), son de vital importancia para el siguiente paso de evolución humana y planetaria que están ocurriendo hoy en nuestras vidas. Ese segundo aspecto del libro constituye un valiosísimo manual de crecimiento del ser humano, repleto de mensajes profundos de amor y

sabiduría cuyo objetivo es el empoderamiento individual y finalmente la mayor conquista que el ser humano puede realizar en el planeta Tierra en este momento: alcanzar la conciencia crística. Anna, Grandmother of Jesus Preached at Enfield, Connecticut on July 8, 1741, this is perhaps the greatest sermon ever preached in America—and is certainly among the most well known. Owing to its forthright dealing with God’s wrath and His intense hatred of sin and the sinner, it is also one of the most controversial. Indeed, for more than three-quarters of the sermon Edwards lays down a relentless stream of the most vivid and horrifying descriptions of the danger facing unregenerate men. While it is difficult to read such graphic language, there is abundant hope in the

sermon’s conclusion. Edwards puts it this way, “And now you have an extraordinary opportunity, a day wherein Christ has thrown the door of mercy wide open and stands calling and crying with a loud voice to poor sinners.” While those who would rather ignore God’s justice in favor of His mercy condemn Edwards and his sermon, those who were present and actually heard him preach that day reacted in a decidedly different manner. According to the diary of Reverend Stephen Williams who attended the sermon, “Before the sermon was done there was a great moaning and crying through the whole House, ‘what shall I do to be saved; oh, I am going to hell, etc.’” The diary goes on to indicate that Edwards had to interrupt his sermon and come down to

minister to those who were under such awful conviction. And so, in spite of what the scoffers might think or say, “the amazing and astonishing power of God” was manifested among the people that day—with many falling not into the hands of an angry God, but into the arms of a mighty Savior.

SO FAR FROM GOD

Life River Media

“Ámame dentro de ti. Porque yo estoy dentro de ti. En cada parte de ti, en cada célula, yo estoy ahí. Y solamente cuando entras en contacto profundo contigo mismo es que entras en contacto profundo conmigo. Y solamente cuando te amas eternamente es que consigues amarme eternamente. Yo estaré siempre aquí.” -- Jesús ¿Estás buscando una guía

espiritual? ¿Tienes problemas personales y no sabes qué hacer? ¿Te preguntas si estás haciendo lo correcto? ¿No estás seguro si tus oraciones son escuchadas? Por medio de un mensaje inspirador canalizado directamente a Alexandra Solnado desde el Cielo, El libro de la luz te ofrece una sabiduría simple pero profunda. Estos mensajes de luz son un intento del cielo para darte consuelo e inspiración. Para encontrar las respuestas sobre las cosas que te preocupan, simplemente haz una pregunta y toma dos letras Arameas de las diecisiete incluidas en el libro. La tabla referencial que se encuentra en el interior te guiará hacia el mensaje indicado que Jesús ha enviado para ti. Los mensajes de luz de este libro están relacionados con temas de la vida como

el perdón, amor incondicional, sentimiento de culpa, pérdida, abundancia, riesgo, protección, propósito y muchos más. Utiliza esta guía divina a diario en cualquier momento en que necesites ayuda o sabiduría. Más que un libro, *El libro de la luz* es una guía para toda la vida.

Bird House Harvill Secker

A New York Times Notable Book and the March 2001 selection of Oprah's Book Club® ! *Icy Sparks* is the sad, funny and transcendent tale of a young girl growing up in the mountains of Eastern Kentucky during the 1950's. Gwyn Hyman Rubio's beautifully written first novel revolves around Icy Sparks, an unforgettable heroine in the tradition of Scout in *To Kill a Mockingbird* or Will Treed in *Cold Sassy Tree*. At the age of ten, Icy, a bright,

curious child orphaned as a baby but raised by adoring grandparents, begins to have strange experiences. Try as she might, her "secrets"—verbal croaks, groans, and physical spasms—keep afflicting her. As an adult, she will find out she has Tourette's Syndrome, a rare neurological disorder, but for years her behavior is the source of mystery, confusion, and deep humiliation. Narrated by a grown up Icy, the book chronicles a difficult, but ultimately hilarious and heartwarming journey, from her first spasms to her self-acceptance as a young woman. Curious about life beyond the hills, talented, and energetic, Icy learns to cut through all barriers—physical, mental, and spiritual—in order to find community and acceptance. Along her journey, Icy faces

the jeers of her classmates as well as the malevolence of her often-ignorant teachers—including Mrs. Stilton, one of the most evil fourth grade teachers ever created by a writer. Called willful by her teachers and "Frog Child" by her schoolmates, she is exiled from the schoolroom and sent to a children's asylum where it is hoped that the roots of her mysterious behavior can be discovered. Here Icy learns about difference—her own and those who are even more scarred than she. Yet, it isn't until Icy returns home that she really begins to flower, especially through her friendship with the eccentric and obese Miss Emily, who knows first-hand how it feels to be an outcast in this tightly knit Appalachian community. Under Miss Emily's tutelage, Icy learns about life's

struggles and rewards, survives her first comical and heartbreaking misadventure with romance, discovers the healing power of her voice when she sings, and ultimately—takes her first steps back into the world. Gwyn Hyman Rubio's *Icy Sparks* is a fresh, original, and completely redeeming novel about learning to overcome others' ignorance and celebrate the differences that make each of us unique.

Chicano Eats Penguin

One of the Must-Read Books of 2019
 According to O: The Oprah Magazine *
 Time * Bustle * Electric Literature *
 Publishers Weekly * The Millions * The
 Week * Good Housekeeping "There is
 more life packed on each page of
Ordinary Girls than some lives hold in a
 lifetime." —Julia Alvarez In this searing

memoir, Jaquira Díaz writes fiercely and eloquently of her challenging girlhood and triumphant coming of age. While growing up in housing projects in Puerto Rico and Miami Beach, Díaz found herself caught between extremes. As her family split apart and her mother battled schizophrenia, she was supported by the love of her friends. As she longed for a family and home, her life was upended by violence. As she celebrated her Puerto Rican culture, she couldn't find support for her burgeoning sexual identity. From her own struggles with depression and sexual assault to Puerto Rico's history of colonialism, every page of *Ordinary Girls* vibrates with music and lyricism. Díaz writes with raw and refreshing honesty, triumphantly mapping a way out of despair toward

love and hope to become her version of the girl she always wanted to be. Reminiscent of Tara Westover's *Educated*, Kiese Laymon's *Heavy*, Mary Karr's *The Liars' Club*, and Terese Marie Mailhot's *Heart Berries*, Jaquira Díaz's memoir provides a vivid portrait of a life lived in (and beyond) the borders of Puerto Rico and its complicated history—and reads as electrically as a novel.

The Gospels of Mary Vintage

You don't need to memorize evangelical formulas or answers. You just have to be willing to ask. There was something different about the way Jesus communicated with the lost: He didn't force answers upon people, He asked questions. So why don't we? Following Christ's lead, Randy Newman has been

using a questioning style of evangelism for decades. In this provocative book, he provides practical insights to help Christians engage others in meaningful spiritual conversations. He challenges us to examine how we think about people, their questions, and our crucial message. This second edition includes a new preface reflecting on the popularity of this perennial best seller and what its success has taught Newman about the effectiveness of this extraordinary method. "Distilled out of over twenty years of personal evangelism, this book reflects both a deep grasp of biblical theology and a penetrating compassion for people--and finds a way forward in wise, probing questions. How very much like the Master Himself!" --D. A. Carson, Trinity Evangelical Divinity School

"Questioning Evangelism steps outside the boundaries of evangelism as usual and tackles the tougher issues of our modern day." --Mitch Glaser, Chosen People Ministries

Chicano Bakes Penguin

In this channelled sequel to the international bestseller *Anna, Grandmother of Jesus*, we journey with Anna, the Holy Family and 18 other Magdalene-Essenes as they travel to France and Britain after Jesus's crucifixion and resurrection. This book gives a completely new perspective on the gnostic Mount Carmel Essene mystery school, in which Jesus and Mary Magdalene took initiations, as well as on the Holy Family and the Magdalene Order. Through Claire Heartsong, Anna tells not only the story of Jesus, but also

the story of the women who surrounded him throughout his life. The book reveals the deeper mysteries they have safeguarded for aeons of time, including aspects of Jesus's personal life not recorded in history – his relationships and, most radically, his offspring. In this one-of-a-kind story, Claire shares the information she received from Anna on the 'Seeding of Light' – the dispersion of Anna, Mother Mary and Jesus's enlightened descendants whose 'bloodline' acts as a living catalyst for the awakening of the Christ-Magdalene potential today. Not only does this book give a new view of the Christ drama 2,000 years ago but, more importantly, it offers the potential to lift the suppressed Divine Feminine voice in our time.

Enrique's Journey Random House Trade Paperbacks

An astonishing story that puts a human face on the ongoing debate about

immigration reform in the United States, now updated with a new Epilogue and Afterword, photos of Enrique and his family, an author interview, and more—the definitive edition of a classic of contemporary America Based on the Los Angeles Times newspaper series that won two Pulitzer Prizes, one for feature writing and another for feature photography, this page-turner about the power of family is a popular text in classrooms and a touchstone for communities across the country to engage in meaningful discussions about this essential American subject. Enrique's Journey recounts the unforgettable quest of a Honduran boy looking for his mother, eleven years after she is forced to leave her starving family to find work in the United States.

Braving unimaginable peril, often clinging to the sides and tops of freight trains, Enrique travels through hostile worlds full of thugs, bandits, and corrupt cops. But he pushes forward, relying on his wit, courage, hope, and the kindness of strangers. As Isabel Allende writes: “This is a twenty-first-century Odyssey. If you are going to read only one nonfiction book this year, it has to be this one.” Praise for Enrique’s Journey “Magnificent . . . Enrique’s Journey is about love. It’s about family. It’s about home.”—The Washington Post Book World “[A] searing report from the immigration frontlines . .

. as harrowing as it is heartbreaking.”—People (four stars) “Stunning . . . As an adventure narrative alone, Enrique’s Journey is a worthy read. . . . Nazario’s impressive piece of reporting [turns] the current immigration controversy from a political story into a personal one.”—Entertainment Weekly “Gripping and harrowing . . . a story begging to be told.”—The Christian Science Monitor “[A] prodigious feat of reporting . . . [Sonia Nazario is] amazingly thorough and intrepid.”—Newsday
