NilsonI have read 2
books for Dr. Nilson,

Design of Concrete
Structures and Design

of Prestressed
Concrete. What

differentiates Dr.

Nilson's books from
others' is his special

way of verbalising

concepts. Dr. Nilson's
books take readers or

engineers deep into
the concepts. Also, Dr.

Nilson mentions the

background behind the
code requirements. Dr.

Nilson knows how to
select the proper words

to explain. I adore his
style.Design of
