A Suitable Boy Scholastic Inc.

Edgar award winner Theresa Schwegel returns with *The Good Boy*, her most dramatic and emotional novel to date, a family epic that combines the hard-boiled grit of her acclaimed police thrillers with an intimate portrait of a young boy trying to follow his heart in an often heartless city. For Officer Pete Murphy, K9 duty is as much a punishment as a promotion. When a shaky arrest reignites a recent scandal and triggers a multimillion-dollar lawsuit, all eyes are on Pete as the department braces for another media firestorm. Meanwhile, Pete's eleven-year-old son Joel feels invisible. His parents hardly notice him—unless they're arguing about his "behavioral problems"—and his older sister, McKenna, has lately disappeared into the strange and frightening world of teenagerdom. About the only friend Joel has left is Butchie, his father's furry "partner." When Joel and Butchie follow McKenna to a neighborhood bully's party, illegal activity kicks the dog's police training into overdrive, and soon the duo are on the run, navigating the streets of Chicago as they try to stay one step ahead of the bad guys—bad guys who may have a very personal interest in getting some payback on Officer Pete Murphy.

Essay from the year 2013 in the subject English - Literature, Works, , language: English, abstract: migration, and double migration, a diasporic writer is challenged and ruptured by the multiplicity of ambivalent affiliations of language, class, race, gender and sexuality. The writer often tends to deal with these affiliations as a mode of postcolonial grand narrative1 exposing the theoretical clichés of marginalization and resistance. But a writer of a much greater sensibility transcends these issues and moves towards a global narrative of reconciliation and resolution. A master of every genre – whether it is poetry, novels, libretto, travelogue or children book – Vikram Seth’s *Two Lives*2 exhibits refreshing change in the postcolonial narrative technique. A masterful fusion of biography, memory, autobiography, documentary, history, fiction and essay like excursions, it resists theory biased theme of cultural resistance and gravitates towards a narrative of global resolution. Deeply entrenched in the history of Second World War it is a powerful reminder of the horrors and trauma of the War. *Two Lives* does not do quite what is expected of a postcolonial narrative or of an English novel in the tradition of Jane Austen (as Seth’s magnum opus *A Suitable Boy*3 is considered).A cosmopolitan4 story, narrated by a truly cosmopolitan writer, It resists any branding of an Indian writing in English.

Such a Good Boy A Suitable Boy

Acclaimed as one of the greatest novels of the last century, Vikram Seth's *A Suitable Boy* remains, twenty years after publication, one of the most entrancing and spellbinding works of fiction yet written. A love story as well as the tale of a country awakening from long years of colonial rule, it tells of Lata, and of her mother's exacting attempts to find her the perfect husband. It also

recounts India's troubles shaping its own destiny as the country marches towards its first great General Election. It is a story that readers the world over can neither put down nor ever forget. 'Fiction on a grand scale. By the time you reach the last page you will have absorbed a splendid story, full of the tangle and perfume of India.' Sunday Telegraph 'Vivid, evocative and beautifully written.' Literary Review 'No one, surely, could wish this novel shorter. The greatness of the novel, its unassailable truthfulness, owes less to research than to imagination, an instinctive knowledge of the human heart.' Observer 'This novel, so vast and so amiably peopled, is a long, sweet, sleepless pilgrimage to life.' Guardian 'A phenomenon, a prodigy, a marvel of nineteenth-century style storytelling.' Evening Standard 'Seth is the best writer of his generation.' The Times [A Good Girl's Guide to Murder](#) Harper Collins

Vikram Seth's novel is, at its core, a love story: Lata and her mother, Mrs. Rupa Mehra, are both trying to find -- through love or through exacting maternal appraisal -- a suitable boy for Lata to marry. Set in the early 1950s, in an India newly independent and struggling through a time of crisis, *A Suitable Boy* takes us into the richly imagined world of four large extended families and spins a compulsively readable tale of their lives and loves. A sweeping panoramic portrait of a complex, multiethnic society in flux, *A Suitable Boy* remains the story of ordinary people caught up in a web of love and ambition, humor and sadness, prejudice and reconciliation, the most delicate social etiquette and the most appalling violence.

WINNER OF THE PULITZER PRIZE • NATIONAL BESTSELLER • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). • From the bestselling author of *The Passenger* A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. *The Road* is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. Look for Cormac McCarthy's latest bestselling novels, *The Passenger* and *Stella Maris*.
