JORDAN STEWART

Church Administration Routledge

Is your church prepared to care for individuals who have experienced various forms of abuse? As we continue to learn of more individuals experiencing sexual abuse, domestic violence, and other forms of abuse, it's clear that resources are needed to help ministries and leaders care for these individuals with love, support, and in cooperation with civil authorities. This handbook seeks to help the church take a significant step forward in its care for those who have been abused. Working in tandem with the Church Cares resources and videos, this handbook brings together leading evangelical trauma counselors, victim advocates, social workers, attorneys, batterer interventionists, and survivors to equip pastors and ministry leaders for the appropriate initial responses to a variety of abuse scenarios in churches, schools, or ministries. Though the most comprehensive training is experienced by using this handbook and the videos together, readers who may be unable to access the videos can use this handbook as a stand-alone resource.

You and Me Forever: Marriage in Light of Eternity John Wiley & Sons

From the front desk to the back office, a clear and thorough guide that helps pastors and church staff become effective and efficient leaders, managers, and administrators. Second edition.

NONPROFIT ORGANIZATIONS

B&H Publishing Group

Toxic Charity Image

The only current authorized edition of the classic work on parliamentary procedure--now in a new updated edition Robert's Rules of Order is the recognized guide to smooth, orderly, and fairly conducted meetings. This 12th edition is the only current manual to have been maintained and updated since 1876 under the continuing program established by General Henry M. Robert himself. As indispensable now as the original edition was more than a century ago, Robert's Rules of Order Newly Revised is the acknowledged "gold standard" for meeting rules. New and enhanced features of this edition include: Section-based paragraph numbering to facilitate cross-references and e-book compatibility Expanded appendix of charts, tables, and lists

Helpful summary explanations about postponing a motion, reconsidering a vote, making and enforcing points of order and appeals, and newly expanded procedures for filling blanks New provisions regarding debate on nominations, reopening nominations, and completing an election after its scheduled time Dozens more clarifications, additions, and refinements to improve the presentation of existing rules, incorporate new interpretations, and address common inquiries Coinciding with publication of the 12th edition, the authors of this manual have once again published an updated (3rd) edition of Robert's Rules of Order Newly Revised In Brief, a simple and concise introductory guide cross-referenced to it.

Gospel Principles Abingdon Press

The author has a passionate desire to see Charismatics and Evangelicals united. He has made a searching study of their remaining differences which he believes can be resolved without compromise. This book is essential reading for every Christian with a vision for a church united in faithfulness to the Word and openness to the work of the Holy Spirit.

The Grantseeker's Handbook of Essential Internet Sites Anchor What If You Could Change the World without Changing Your Daily Routine? When you've been transformed by God's love, you can't help but want others to experience the same grace and freedom. But how do you share it without scaring them away or offending them? For most Christians, "evangelism" is an intimidating word that suggests handing out tracts to strangers or doing other awkward things. But what if there was a more organic, more authentic way to share your faith with your friends, neighbors, and coworkers? Dave and Jon Ferguson have found five simple, straightforward practices that will allow any believer to do just that. And by consistently living them out, you can affect not just individual lives but your entire neighborhood and community—one person at a time.

Nonprofit Sector Fortress Press

Public service is a way of life for Americans; giving is a part of our national character. But compassionate instincts and generous spirits aren't enough, says veteran urban activist Robert D. Lupton. In this groundbreaking guide, he reveals the disturbing truth about charity: all too much of it has become toxic, devastating to the very people it's meant to help. In his four decades of urban ministry, Lupton has experienced firsthand how our good intentions can have unintended, dire consequences. Our free food and clothing distribution encourages ever-growing handout lines, diminishing the dignity of the poor while increasing their dependency. We converge on inner-city neighborhoods to plant flowers and pick up trash, battering the pride of residents who have the capacity (and responsibility) to beautify their own environment. We fly off on mission trips to poverty-stricken villages, hearts full of pity and suitcases bulging with giveaways—trips that one Nicaraguan leader describes as effective only in "turning my people into beggars." In Toxic Charity, Lupton urges individuals, churches, and organizations to step away from these spontaneous, often destructive acts of compassion toward thoughtful paths to community development. He delivers proven strategies for moving from toxic charity to transformative charity. Proposing a powerful "Oath for Compassionate Service" and spotlighting real-life examples of people serving not just with their hearts but with proven strategies and tested tactics, Lupton offers all the tools and

inspiration we need to develop healthy, community-driven programs that produce deep, measurable, and lasting change. Everyone who volunteers or donates to charity needs to wrestle with this book.

Favorable Determination Letter DIANE Publishing QuickBooks for Churches and Other Religious Organizations The Nonprofit Marketing Guide Nolo

The must-have reference guide for small and growing churches to understand church accounting basics in a reader-friendly format has been updated and expanded! CPA Lisa London and premier church accounting blogger, Vickey Richardson, help you understand what you need to know to manage the finances and keep your religious organization out of trouble with the IRS. Topics include how to: Meet the IRS definition of a church? Determine whether to file for a 501c3 or not? Organize and retain accounting records? Establish controls to keep the money safe and guard against errors? Record and acknowledge donations of cash, stock, vehicles, in-kind, and more? Setup and maintain a benevolence fund? Create an accountable reimbursement plan? Handle mortgage payments? Calculate and file payroll? Structure pastor payroll and housing allowances? Budget for the next year? Recognize if you owe Unrelated Business Income Tax (UBIT)? How to fill out the 990N and 990EZ.? And so much more. Lisa London CPA is the author of The Accountant Beside You series of resources for the non-accountants in nonprofits, religious organizations, and small businesses to understand their accounting needs. She has decades of experience in auditing and consulting large and small organizations. Vickey Richardson is the founder and manager of Vickey's Bookkeeping, Inc., an accounting firm specializing in assisting churches. She is best known for her popular website, FreeChurchAccounting.com.

Deep River Press Incorporated

A review of top Websites is of particular importance to nonprofit fundraisers and other executives. This resource lists more than 500 of the best sites, including description and Web addresses, and categorizes them by corporate, foundation and association, government and research sites. It also contains a chapter on resource sites for nonprofit executives. The book is designed to save time and allow fundraisers to focus on research that will help raise the necessary funds.

2022 CHURCH & CLERGY TAX GUIDE

Anchor

Consecutive polygamy (as many husbands or wives as you like but only one at a time) is now an accepted norm in contemporary society. Hardly surprising, since the social, legal, moral and financial restraints holding marriages together for a lifetime have been steadily eroded in a relativist age where anything goes. What is surprising is that divorce and remarriage are becoming as common inside the church as outside, even among Christian leaders and especially in the Evangelical stream. Believers have been outspoken about such issues as abortion and homosexuality though their Lord Jesus said nothing about either. He did say quite a lot about the subject of this book but there is either a reluctance to take his teaching at face value or an eagerness to enlarge his 'exception' until it becomes the rule. This volume primarily appeals to those for whom the Bible is the final authority in all

matters of belief and behaviour, especially those who preach to, teach and counsel others. The author believes that the church should be leading the world uphill rather than following the world downhill. David Pawson has a worldwide teaching ministry, particularly for church leaders. He is known to many through Christian broadcasting and is the author of numerous books.

Robert's Rules of Order Newly Revised, 12th edition Jones & Bartlett Learning

A Christianity Today 2015 Book Award Winner Is your organization in danger of Mission Drift? Without careful attention, faith-based organizations drift from their founding mission. It's that simple. It will happen. Slowly, silently, and with little fanfare, organizations routinely drift from their purpose, and many never return to their original intent. Harvard and the YMCA are among those that no longer embrace the Christian principles on which they were founded. But they didn't drift off course overnight. Drift often happens in small and subtle ways. Left unchecked, it eventually becomes significant. Yet Mission Drift is not inevitable. Organizations such as Compassion International and InterVarsity have exhibited intentional, long-term commitment to Christ. Why do so many organizations--including churches--wander from their mission, while others remain Mission True? Can drift be prevented? In Mission Drift, HOPE International executives Peter Greer and Chris Horst tackle these questions. They show how to determine whether your organization is in danger of drift, and they share the results of their research into Mission True and Mission Untrue organizations. Even if your organization is Mission True now, it's wise to look for ways to inoculate yourself against drift. You'll discover what you can do to prevent drift or get back on track and how to protect what matters most. "No organization is exempt from the danger of drifting away from its original mission. In Mission Drift, Peter and Chris provide solid guidance for remaining laser-focused on core values--from the board level to daily organizational culture. This book is a timely message for any organization working hard to remain Mission True." --Wess Stafford, president-emeritus, Compassion International "Peter Greer and Chris Horst have identified one of the deepest challenges any leader faces: how to ensure that an organization stays true to its mission, especially when that mission becomes countercultural." --Andy Crouch, executive editor, Christianity Today "Essential reading for twenty-first-century believers if we are to gain new vision, unity, and strength. Mission Drift is spine straightening, mind clearing, and courage inspiring. This book is true-north wisdom for leaders--and a gift of hope for the world God loves." --Kelly Monroe Kullberg, founder, The Veritas Forum and author, Finding God Beyond Harvard "Many of us in leadership have learned--often painfully--that our mission needs to be built into every aspect of our organization, from leadership to receptionist, from hiring to implementation. We can't afford not to follow the lessons in this valuable book." --Richard Stearns, president, World Vision U.S. and author, The Hole in Our Gospel "Keeping an eternal perspective is essential in our work. Mission Drift gives a clear message inspiring and challenging us to intentionally keep Christ at the center of all efforts." --David Green, founder and CEO, Hobby Lobby Stores, Inc. "Written with clarity, boldness, and urgency, the authors provide insight into and examples of the causes and solutions to drift using the stories of real organizations...A must-read! Recommend this book to every business and church leader."--CBA Retailers+Resources "This book is a must-read for leaders, easy to read, practical, engaging and inspirational. The principals outlined not only apply to major corporations, but also to any organization, church and even to one's own personal life. Mission Drift . . . will be well worth the effort and time, and you will find yourself wanting to begin implementing what you've learned to safeguard your organization from drifting away from its mission."--Foursquare.org [Charity Detox](#) Salem Books

Practical insights and fundraising activities to get your ministry funded and flourishing. As Missio Nexus engages with mission agency leaders, one of their greatest expressed needs is for fundraising and development training and tools. It has been said that the right activities lead to the right outcomes. We believe this to be true, but that begs the question, what are the right activities? In this book, you will discover what a few of these right fundraising and development activities are. Fundraising experts collaborated with us to bring practical insights that will help you and your agencies. No matter what your knowledge or skill in fundraising are, this book and its content will help you improve as a ministry and as ministry leaders.

NOT YOUR PARENTS' OFFERING PLATE

Multnomah

Marriage is great, but it's not forever. It's until death do us part. Then come eternal rewards or regrets depending on how we spent our lives. In his latest book, Francis Chan joins together with his wife Lisa to address the question many couples wonder at the altar: "How do I have a healthy marriage?" Setting aside typical topics on marriage, Francis and Lisa dive into Scripture to understand what it means to have a relationship that satisfies the deepest parts of our souls. In the same way Crazy Love changed the way we saw our personal relationship with God, You and Me Forever: Marriage in Light of Eternity will radically shift the way we see one of the most important relationships in our life. Jesus was right. We have it all backwards. The way to have a great marriage is by not focusing on marriage. Whether you are single, dating or married, You and Me Forever will help you discover the adventure that you were made for and learn how to thrive in it. 100% of the net proceeds from this book will support various ministries including those that help provide shelter and rehabilitation for thousands of children and exploited women around the world. For more information, please visit: youandmeforever.org

How to Form a Nonprofit Corporation (National Edition)

John Wiley & Sons

A Study Guide and a Teacher's Manual Gospel Principles was written both as a personal study guide and as a teacher's manual. As you study it, seeking the Spirit of the Lord, you can grow in your understanding and testimony of God the Father, Jesus Christ and His Atonement, and the Restoration of the gospel. You can find answers to life's questions, gain an assurance of your purpose and self-worth, and face personal and family challenges with faith.

Handbook of Megachurches The Church of Jesus Christ of Latter-day Saints

Bookkeeping for churches can be quite different than for-profit businesses, and the other guides available cover either QuickBooks or church accounting, not both. Lisa London, *The Accountant Beside You*, walks you through QuickBooks for your church from start to finish, always with examples, terminology, and understanding of what a busy church administrator needs to know in a clear, concise style. With her friendly easy-to-understand style and illustrative screenshots, Lisa guides new QuickBooks users every step of the way, while her tips for how to make QuickBooks work better for churches provides new insight and procedures for even the experienced bookkeeper. Not only does she step you through how to set up QuickBooks and utilize it more efficiently for your house of worship, but she also discusses everything you need to know to implement controls and procedures to ensure that your church's money is always protected. QuickBooks for Churches covers PC versions of QuickBooks from 2012 forward and even includes what's new in the 2014 version. Lisa offers sound accounting procedures for both large and small houses of worship, for bookkeepers with

years of experience as well as those just starting out. Let *The Accountant Beside You* take one more worry off your crowded to-do list.

Essentials for Fundraising and Development Edward Elgar Publishing

Bringing together a diverse team of renowned accounting scholars, this incisive Research Handbook presents a comprehensive evaluation of current research on nonprofit accounting, noting its major accomplishments and outlining opportunities for future study.

Anchor

The veteran urban activist and author of the revolutionary *Toxic Charity* returns with a headline-making book that offers proven, results-oriented ideas for transforming our system of giving. In *Toxic Charity*, Robert D. Lupton revealed the truth about modern charity programs meant to help the poor and disenfranchised. While charity makes donors feel better, he argued, it often hurts those it seeks to help. At the forefront of this burgeoning yet ineffective compassion industry are American churches, which spend billions on dependency-producing programs, including food pantries. But what would charity look like if we, instead, measured it by its ability to alleviate poverty and needs? That is the question at the heart of *Charity Detox*. Drawing on his many decades of experience, Lupton outlines how to structure programs that actually improve the quality of life of the poor and disenfranchised. He introduces many strategies that are revolutionizing what we do with our charity dollars, and offers numerous examples of organizations that have successfully adopted these groundbreaking new models. Only by redirecting our strategies and becoming committed to results, he argues, can charity enterprises truly become as transformative as our ideals.

QuickBooks for Churches and Other Religious Organizations

John Wiley & Sons

"Christianity is fundamentally a communication event. It is God revealing God's self to the world. And God uses a large variety of media to accomplish that revelation." --Shane Hipps, author of *Flickering Pixels* Viral videos and retweeted posts fill the air around us. In the midst of constant news feeds and mobile alerts, ministries have unprecedented opportunities to connect with people yearning for community with others and God. But how? In this post-website world, it's no longer enough to have a static website and hope that people find it. If you want to get your online content in front of your audience, you need to have a digital presence in the streams where they're already active. David Bourgeois offers a practical step-by-step guide for discerning and implementing a digital strategy for your ministry. He provides an overview of how Christians can use technology and communication media wisely, with concrete ideas for churches and nonprofit organizations. Discover how you can make the most of every opportunity to extend your ministry's electronic reach and impact.

Word and Spirit Together BRILL

This is an intensely readable look at the the Christian Church down the ages, providing powerful messages for our own times. Many church members know little or nothing about the story of Christianity between the New Testament period and today. They therefore may not realise how much they have been influenced by traditions developed during that time. These can have both a negative and positive benefit. Negative, because 'those who forget history are condemned to relive it'. Most of the mistakes we make and errors we fall into have happened before and we can learn from our forefathers to avoid them. Positive, because we have such a rich heritage it would be folly to ignore. We can draw inspiration and examples from the spiritual giants who went before us and, after all, we can look forward to meeting them personally in glory.
