 'Of power, I could tell you much. One must seize the moment, and strike.' Grand Moff Wilhuff Tarkin He's the scion of an honourable and revered family. A dedicated soldier and distinguished legislator. Loyal proponent of the Republic and trusted ally of the Jedi Order. Groomed by the ruthless

politician and Sith Lord who would be Emperor, Governor Wilhuff Tarkin rises through the Imperial ranks, enforcing his authority ever more mercilessly...and zealously pursuing his destiny as the architect of absolute dominion. Rule through the fear of force rather than force itself, he advises the Emperor. Under Tarkin's guidance, an ultimate weapon of unparalleled destruction

moves ever closer to becoming a terrifying reality. When the so-called Death Star is completed, Tarkin is confident that the galaxy's lingering pockets of Separatist rebellion will be brought to heel - by intimidation or annihilation. Until then, insurgency remains a genuine threat. Escalating guerrilla attacks by resistance forces and new-found evidence of a growing

Separatist conspiracy are an immediate danger the Empire must meet with swift and brutal action. And to bring down a band of elusive freedom fighters, the Emperor turns to his most formidable agents: Darth Vader, the fearsome new Sith enforcer as remorseless as he is mysterious, and Tarkin - whose tactical cunning and cold-blooded efficiency will pave the way for the Empire's

supremacy...and its enemies' extinction.

DARK DISCIPLE

Marvel Kathryn Janeway reveals her career in Starfleet, from her first command to her epic journey through the Delta Quadrant leading to her rise to the top as vice-admiral in Starfleet Command. The woman who travelled further than any human ever had before,

stranded decades from home, encountering new worlds and species and overcoming one of Starfleet's greatest threats - the Borg - on their own remote and hostile territory.

LESSONS ON LIFE, LIBERTY, AND HAPPINESS FROM A GALAXY FAR, FAR AWAY

Del Rey At last in one volume the eight original installments of

the epic Lost Tribe of the Sith eBook series . . . along with the explosive, never-before-published finale, Pandemonium—more than one hundred pages of new material! Five thousand years ago. After a Jedi ambush, the Sith mining ship Omen lies wrecked on a remote, unknown planet. Its commander, Yaru Korsin, battles the bloodshed of a mutinous faction led by his own brother.

Marooned and facing death, the Sith crew have no choice but to venture into their desolate surroundings. They face any number of brutal challenges—vicious predators, lethal plagues, tribal people who worship vengeful gods—and like true Sith warriors, counter them with the dark side of the Force. The struggles are just beginning for the proud, uncompromising Sith, driven as they are to rule at all

costs. They will vanquish the primitive natives, and they will find their way back to their true destiny as rulers of the galaxy. But as their legacy grows over thousands of years, the Sith ultimately find themselves tested by the most dangerous threat of all: the enemy within.

epic new trilogy that stretches from the events of The Original Series movie The Search for Spock to The Next Generation! When Klingon commander Kruge died in combat against James T. Kirk on the Genesis planet back in 2285, he left behind a powerful house in disarray—and a series of ticking time bombs: the Phantom Wing, a secret squadron of advanced Birds-of-Prey; a cabal of loyal officers

intent on securing his heritage; and young Korgh, his thwarted would-be heir, willing to wait a Klingon lifetime to enact his vengeance. Now, one hundred years later, while on a diplomatic mission for the United Federation of Planets, Captain Jean-Luc Picard and the crew of the USS Enterprise are snared in the aged Korgh's trap—and thrust directly in the middle of an ancient conflict. But as Commander

Worf soon learns, Korgh may be after far bigger game than anyone imagines, confronting the Federation-Klingon alliance with a crisis unlike any it has ever seen! Lords of the Sith: Star Wars

Disney Lucasfilm Press
A thrilling retelling of the Star Wars saga in the

style of classic epic poetry "I look not to myself but to the Force, in which all things arise and fall away."

Journey to a galaxy far, far away like never before--through lyrical verse and meter. Like the tales of Odysseus and Beowulf, the adventures of Luke Skywalker, Han Solo, Princess Leia, Jyn Erso, Obi-Wan Kenobi, Darth Vader, and the Emperor are fraught with legendary battles, iconic

heroes, fearsome warriors, sleek ships, and dangerous monsters. Beginning with Rogue One's rebel heist on Scarif to secure the plans to the Death Star and continuing through the climax of Return of the Jedi, author Jack Mitchell uses the ancient literary form of epic poetry to put a new spin on the Star Wars saga. Punctuated with stunning illustrations inspired by

the terracotta art of Greek antiquity, The Odyssey of Star Wars: An Epic Poem presents the greatest myth of the 20th century as it would have been told nearly 3,000 years ago. [Aflame Titan Books](#) (US, CA)

public anger, and that anger has swelled movements of hate. Author Stephen Kent believes part of the solution is hiding in plain sight. A story that binds together multiple generations with a common language, a moral framework, and a sense of wonder. It's Star Wars. What if we looked to Star Wars for more than just entertainment? How the Force Can Fix the World takes this

challenge on by analyzing the core principles of the Star Wars franchise: HOPE, CHOICE, HUMILITY, EMPATHY, REDEMPTION, BALANCE and rejecting FEAR. Together, these are the Star Wars roadmap for living better lives, and maybe even fostering a better politics. The path that we're on — where fear leads to anger, and anger to hatred — will only end in suffering. But

Star Wars shows us the way back from the brink. Shared stories of virtue that are beloved across cultures and political divides are hard to come by, but Star Wars is one such story. Turn on the news; things are pretty broken right now — but the Force can fix the world.

In war, no one is safe. War has come to Thornstone, Tarkin's Point, and Thoriddon, throwing all three nations into chaos. Led by the demon lord Vagborar, the legions of orcs are bent on nothing less than the total annihilation of both human and dwarf. With their demonic allies, they just might succeed. But not without a fight. As Serena tries to find answers and a path to victory, Orin and Brom fight with both sword and spell to turn back the tide of darkness. Beside them are a kingdom of dwarves and a city of humans, but even they may not be enough to beat back such a force. If they hope to

survive, they need to come together, but with each nation under siege, uniting as one is easier said than done. When one of them is freed from battle, hope is rekindled, but prejudices rise to the surface, threatening everything. If any of them hope to survive, past actions and old hatreds must be forgotten. Hard decisions and painful sacrifices must be made. And pride and egotism must

be set aside for the greater good. If not, a new age of evil will dawn upon the world. Lost Tribe of the Sith: Star Wars Legends: The Collected Stories Random House Discover Captain Pasma's mysterious history in the official prequel to *The Last Jedi*, the highly anticipated blockbuster film directed by Rian Johnson. One of the most cunning and merciless officers of the

First Order, Captain Pasma commands the favor of her superiors, the respect of her peers, and the terror of her enemies. But for all her renown, Pasma remains as virtually unknown as the impassive expression on her gleaming chrome helmet. Now, an adversary is bent on unearthing her mysterious origins—and exposing a secret she guards as zealously and ruthlessly as

she serves her masters. Deep inside the Battlecruiser Absolution, a captured Resistance spy endures brutal interrogation at the hands of a crimson-armored stormtrooper—Cardinal. But the information he desires has nothing to do with the Resistance or its covert operations against the First Order. What the mysterious stormtrooper wants is Pasma’s past—and with it

whatever long-buried scandal, treachery, or private demons he can wield against the hated rival who threatens his own power and privilege in the ranks of the First Order. His prisoner has what Cardinal so desperately seeks, but she won’t surrender it easily. As she wages a painstaking war of wills with her captor, bargaining for her life in exchange for every precious revelation, the

spellbinding chronicle of the inscrutable Pasma unfolds. But this knowledge may prove more than just dangerous once Cardinal possesses it—and once his adversary unleashes the full measure of her fury.

HOW THE FORCE CAN FIX THE WORLD

A long time ago in a galaxy far, far away. . . .
“The war is over. The

Separatists have been defeated, and the Jedi rebellion has been foiled. We stand on the threshold of a new beginning.”—Emperor Palpatine For a thousand generations, the Jedi Knights brought peace and order to the Galactic Republic, aided by their connection to the mystical energy field known as the Force. But they were betrayed—and the entire galaxy has paid the price. It is the Age of

the Empire. Now Emperor Palpatine, once Chancellor of the Republic and secretly a Sith follower of the dark side of the Force, has brought his own peace and order to the galaxy. Peace through brutal repression, and order through increasing control of his subjects’ lives. But even as the Emperor tightens his iron grip, others have begun to question his means and motives. And

still others, whose lives were destroyed by Palpatine’s machinations, lay scattered about the galaxy like unexploded bombs, waiting to go off. . . . The first Star Wars novel created in collaboration with the Lucasfilm Story Group, *Star Wars: A New Dawn* is set during the legendary “Dark Times” between Episodes III and IV and tells the story of how two of the lead characters

from the animated series Star Wars Rebels first came to cross paths. Featuring a foreword by Dave Filoni. Praise for A New Dawn “A New Dawn is a fine start to the new Expanded Universe. [John Jackson] Miller steps confidently into the unexplored territory and owns it; he’s crafted a story with pacing and dialogue that feels like classic Star Wars.”—Nerdist “An entertaining adventure . . .

with a cast of heroes that mixes laughter with intriguing depths of character. . . . John Jackson Miller packs in plenty of action and surprises.”—Roqoo Depot “A confidently told story that gives fans a lot of reason to be hopeful about what’s to come as we move into this new phase of Star Wars . . . The book certainly got me even more excited for Rebels and to see more of Kanan and Hera’s adventures.

We’re also introduced to other characters I would love to see again at some point, whether on Rebels, in another book or, who knows, in live-action at some point.”—IGN “A New Dawn delivers a classic Star Wars experience that fans of all ages will be able to enjoy. It is extremely well-written, with an incredibly diverse cast too. Miller’s prose can easily suck readers in, and leave

them speechless when 100 pages have flown by in the blink of an eye.”—Far Far Away Radio “A New Dawn brings us into this new dawn of storytelling with energy, excitement, and characters that have become instantly ensconced into the Star Wars vernacular, and the results will satisfy Star Wars fans of many different palates.”—Coffee with Kenobi “A New Dawn is a

well-written novel full of intrigue and twists and turns that does an excellent job of letting Star Wars fans get to know Kanan and Hera.”—Tosche Station “A New Dawn finds an era never before written about in the Star Wars universe—the years prior to the original movie, Episode IV—in robust good health. The narrative takes place on two worlds and a handful of ships in between

them, but as with the best of all Star Wars moments, hints at hidden depths beyond.”—Ma shable

Go beyond the film with a novelization featuring new scenes and

If the worlds at the Empire's mercy stand any chance, it lies with an unlikely band of allies: Jyn Erso, a resourceful young woman seeking vengeance; Cassian Andor, a war-weary rebel commander; Bodhi Rook, a defector from the Empire's military; Chirrut Îmwe, a blind holy man and his crack-shot companion, Baze Malbus; and K-2SO, a deadly Imperial droid turned against
