## HERRERA TOWNSEND

One, No One, and One Hundred Thousand  
 Gale, Cengage Learning  
 Luigi Pirandello is best known in the English-speaking world for his radical challenge to traditional Western theatre with plays such as Six Characters in Search of an Author. But theatre is just one manifestation of his experiments with language which led to a remarkable collection of novels, short stories, and essays as well as his work for a film industry then in its infancy. This study, which is based on the view that Pirandello's writings are most fruitfully discussed in a European context, takes as its starting-point the author's belief in the primacy of the literary character in a creative process which is necessarily conflictual. The book argues that all Pirandello's characters are engaged in a continual performance which transcends the genre distinction between narrative and dramatic forms. In this performance it is the spoken word in which the characters invest most heavily as they struggle to sustain an identity of their own, tell their life-stories, and assert themselves before

their most prominent antagonist, the author himself.

 How is this book unique? Font adjustments & biography included Unabridged (100% Original content) Illustrated About Three Plays By Luigi Pirandello Contains Six Characters in Search of an Author; Henry IV.; and Right You Are (If You Think So). Pirandello, Italian author, who was awarded the Nobel Prize for Literature in 1934. Pirandello's plays are often seen as forerunners for theater of the absurd. Right You Are (If You Think So) marked Pirandello's interest in the examination of the relativity of truth. The story was about a woman whose identity remains hidden and who could be one of the two very different people. Six Characters in Search of An Author created a scandal when it was first performed in Rome, but was hailed as a masterpiece in Paris. Henry IV received much better reception in Italy. It told about a man who believes he is the German emperor Henry IV. To accommodate his illness his wealthy sister has placed him in a medieval castle surrounded by actors dressed as eleventh-century courtiers. Luigi Pirandello was an Italian dramatist, novelist, poet and short story writer whose greatest contributions

were his plays. He was awarded the 1934 Nobel Prize in Literature for "his almost magical power to turn psychological analysis into good theatre." Pirandello's works include novels, hundreds of short stories, and about 40 plays, some of which are written in Sicilian. Pirandello's tragic farces are often seen as forerunners of the Theatre of the Absurd. Pirandello was born into an upper-class family in a village with the curious name of u C\u0026vusu (Chaos), a poor suburb of Girgenti (Agrigento, a town in southern Sicily). His father, Stefano, belonged to a wealthy family involved in the sulphur industry, and his mother, Caterina Ricci Gramitto, was also of a well-to-do background, descending from a family of the bourgeois professional class of Agrigento. Both families, the Pirandellos and the Ricci Gramittos, were ferociously anti-Bourbon and actively participated in the struggle for unification and democracy ("Il Risorgimento"). Stefano participated in the famous Expedition of the Thousand, later following Garibaldi all the way to the battle of Aspromonte, and Caterina, who had hardly reached the age of thirteen, was forced to accompany her father to Malta, where he had been sent into exile by the Bourbon monarchy. But the open participation in the Garibaldian cause and

the strong sense of idealism of those early years were quickly transformed, above all in Caterina, into an angry and bitter disappointment with the new reality created by the unification. Pirandello would eventually assimilate this sense of betrayal and resentment and express it in several of his poems and in his novel *The Old and the Young*. It is also probable that this climate of disillusion inculcated in the young Luigi the sense of disproportion between ideals and reality which is recognizable in his essay on humorism (*L'Umorismo*).

### LUIGI PIRANDELLO

Yale University Press

This unique selection of plays by Luigi Pirandello contains some of his best-known works, such as *Six Characters in Search of an Author* - an absurdist piece in which the characters, actors and Pirandello himself interact during the rehearsal of a fictional play within the play - and *Henry IV* - a tragicomic tale of a man who falls from a horse and believes himself to be the eponymous Holy Roman Emperor. Preoccupied with the nature of truth and delusion, and treading dangerously on the borderline between sanity and madness, Pirandello's plays are a daring exploration of human actions and the dark motives lying behind them, and the culmination of the naturalistic school of theatre inaugurated by authors such as Ibsen and Chekhov.

#### **The One-act Plays of Luigi Pirandello** ... Alma Books

"Luigi Pirandello is best known for his experimental plays, but his narrative production has not enjoyed the same degree of critical attention. O'Rawe's study represents the first major reassessment of this output, including the 'realist' novels, the historical novel *I vecchi e i giovani* (1909) and the autobiographical *Suo marito* (1911). The book identifies in Pirandello a practice of 'self-plagiarism' - constant rewriting and revision and obsessive re-use of material - and explores the relation of these overlooked modes of composition to the author's own theories of authorship and textuality. Drawing on a wide range of critical theory, O'Rawe repositions Pirandello as a major figure in the development of European narrative modernism."

*A Study Guide for Luigi Pirandello's "Six Characters in Search of an Author"* Univ of California Press

In *The Wave*, a young man falls dangerously in love with the tenant downstairs, who is engaged to be married; in *The Signorina*, a flirtatious young woman is caught between her feelings and her parents desire for a good match; in *A Friend to the Wives*, the peerless Pia Tolosani leaves a trail of regret in the life of a former suitor. In this collection of stories Pirandello's first published work of fiction the master of Italian modernism dissects the passions that are either dimly felt or unrequited, ultimately raising doubts about the very nature and existence of love, while simultaneously foreshadowing the themes and the psychologically nuanced characters that he would go on to develop in his later works. ABOUT THE SERIES: The 101 Pages series has been created with the aim of redefining and enriching the classics canon by promoting unjustly neglected works of enduring significance. These texts have been treated with a fresh editorial approach, and are presented in an elegantly designed format.

*Luigi Pirandello's the Rules of the Game* Oxford University Press

Celebrated title story plus "Little Hut,"

"Mrs. Frola and Mr. Ponza, Her Son-in-Law," "Citrons from Sicily," "With Other Eyes," "A Voice," and 5 other tales from the 1934 Nobel Prize-winning author.

*Her Husband* Gale, Cengage Learning

Pirandello, winner of the Nobel Prize in Literature, is a little known to most English readers. Too few of his plays and stories have been translated. This hook, therefore, serves the double purpose of introducing the Italian genius through a summary of all his dramatic work and interpreting his accomplishments from an artistic viewpoint. As a background for his criticism, the Domenico Vittorini shows first how Pirandello's compassionate pessimism and tragic mockery resulted from his own tortured existence and in what way his art is related to Italian literary tradition and contemporary thought. Proceeding chronologically, Pirandello's growth is traced from the elementary naturalism of his early writing, through his more reflective plays, to the crowning achievements of later years in which dramatic situations are approached from a highly intellectualized point of view. Regarded as one of Europe's great modernists, Pirandello was also a master

storyteller, a fine observer of the drama of daily life with a remarkable sense of the crushing burdens of class, gender, and social conventions. Set in the author's birthplace of Sicily, where the arid terrain and isolated villages map the fragile interior world of his characters, and in Rome, where modern life threatens centuries-old traditions, these original stories are sun baked with the deep lore of Italian folktales. In "The Jar," a broken earthenware pot pits its owner, a quarrelsome landholder, against a clever inventor of a mysterious glue. "The Dearly Departed" tells the story of a young widow and her new husband on their honeymoon, haunted at every turn by the sly visage of the deceased. The scorned lover, the despondent widow, the intransigent bureaucrat, the wretched peasant—Pirandello's characters expose the human condition in all its fatalism, injustice, and raw beauty. For lovers of Calvino and Pasolini, these picturesque stories preserve a memory of an Italy long gone, but one whose recurring concerns still speak to us today.

#### **A Selection from Luigi Pirandello's Short Stories for a Year** Univ of South Carolina Press

This edition of Bloom's *Major Dramatists* studies the work of Luigi Pirandello, winner of the 1934 Nobel Prize for Literature. *Luigi Pirandello* Gale, Cengage Learning Evoking in vivid detail the literary world in Rome at the turn of the century. Her Husband tells the story of Silvia Roncella, a talented young female writer, and her husband Giustino Boggiolo. The novel opens with their arrival in Rome after having left their provincial southern Italian hometown following the success of Silvia's first novel, the rather humorously titled *House of Dwarves*. As his wife's self-appointed (and self-important) promoter, protector, counselor, and manager, Giustino becomes the primary target of Pirandello's satire. But the couple's relationship - and their dual career - is also complicated by a lively supporting cast of characters, including literary bohemians with avant-garde pretensions and would-be aristocratic aesthetes who are all too aware of the newly acquired power of journalists and the publishing establishment to make or break their careers. Having based many of the characters - including Silvia and Giustino - on actual literary acquaintances of his, Pirandello reacted to the novel's controversial reception by not allowing it to be reprinted after the first printing sold out. Not until after his death were copies again made available in Italy.

#### [Pirandello's Love Letters to Marta Abba](#)

Duke University Press

In February 1925, the 58-year-old world-famous playwright Luigi Pirandello met Marta Abba, an unknown, beautiful actress less than half his age, and fell in love with her. She was to become, until his death in December 1936, not only his confidante but also his inspiring muse and artistic collaborator, helping him in his plans to reform Italian theater under the Fascist regime. Pirandello's love for the young actress was neither a literary infatuation nor a form of fatherly affection, but rather an unfulfilled, desperate passion that secretly consumed him during the last decade of his life. Bitterly disillusioned by the conditions of the theatrical world in Italy, Pirandello and Abba shared a dream of going abroad to earn their fortune and returning to Italy with the means to establish a national theater dedicated to high artistic standards. In March 1929, when Marta finally yielded to family pressure and left Pirandello alone in Berlin to revive her Italian stage career and to end rumors over their involvement, he endured a devastating heartbreak and fell into a life-threatening depression—more profound and long-lasting than any of his biographers have yet imagined. The hundreds of letters Pirandello wrote to Abba during these years are the only source that reveals the true story of his relentless torment. Selected, translated, and introduced here for the first time in any language, these powerful and moving documents reward the reader with the unique experience of living in intimacy with a profound poet of human pain. Here Pirandello encourages his beloved in her difficult career as actor/manager, rejoices in her triumphs, and desperately implores her to return to him. The letters are filled with glimpses of this major artistic personality at some of his most distinctive moments—such as the award of the Nobel Prize, his meetings with Mussolini, and Marta's long-dreamed-of success on Broadway—but they remain foremost an authentic confession of a Pirandello, without the mask of his art, telling the story of his real-life tragedy. In 1986, two years before she died, Marta Abba authorized the publication of the present correspondence so that the world might understand how deeply Pirandello had suffered. This English-language volume contains a selection of 164 letters from the complete edition of 552, which Princeton University Press will publish in cooperation with Mondadori, in the original Italian, in 1995. Originally published in 1994. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print

books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands

of books published by Princeton University Press since its founding in 1905.

**A Study Guide for Luigi Pirandello's "War"** University of Toronto Press  
Suicide, the act of killing oneself voluntarily and intentionally, is clearly one of the most important themes developed

by Pirandello during his long literary career. Although he never focused on self-destruction as an end in itself, he made ample use of it to dramatise his tragic view of the human condition. Indeed, this theme recurs with astonishing frequency in his short stories, play and novels. It even appears sporadically in his poetry.
