**Field of Hope** Random House

This book profiles characters who were featured in some of the most popular television shows of the 1990s. Each entry includes personal details that were revealed during each show's run: names, addresses, maiden names, nicknames, date of births, phone numbers, relatives, and other fascinating details.

101 Defenses Fayetteville Mafia Press

The star of the popular ABC-TV series *Grace Under Fire* recounts her childhood in the South as the daughter of an absent, alcoholic father, her experience with domestic abuse, and her start as a

comedienne.

Kiss And Tell Thomas Nelson Publishers

Paul Shaffer—born and bred music junkie and longtime leader of David Letterman's Late Show band—opens up in this candid, endearing, hilarious, and star-studded memoir. From playing seedy strip joints in Toronto, to being the first musical director of Saturday Night Live and helping to form the Blues Brothers, to being onstage every night with David Letterman and playing with the greatest musicians of our time, Shaffer has lived the ultimate showbiz life. Now—dishing on everyone from John Belushi and Jerry Lewis to Mel Gibson and Britney Spears—Paul gives us the full behind-the-scenes story of his life, from banging out pop tunes on the piano at the age of twelve to leading the band every night at the Sullivan Theater.

*Film Directing Fundamentals* Ballantine Books

Candice Bergen's bestselling 1984 memoir: an "engaging, intelligent, and wittily self-deprecating autobiography" (The New York Times). Candice Bergen was born into the heady Hollywood of the 1950s, where "celebrity offspring" were celebrities unto themselves. And because she was the daughter of Edgar Bergen, vaudeville and radio's greatest dignitary/comedian, her "sibling" was Charlie McCarthy, the impudent dummy beloved of millions. Bergen—much as he loved his daughter—was a man who "kept his emotions pressed and neatly hung," and was more comfortable speaking to—and through—his brainchild who never had to grow up and leave the paradise that was childhood. *Knock Wood* is a book all about growing up—about the comedy of expectations that ruled Candice Bergen's early life, about the ironies that attended her exotic rites of passage. She stepped out into a world that offered her a wealth of options: adolescence in Swiss boarding schools; at nineteen, costarring opposite Steve McQueen in *The Sand Pebbles*; quick entry into the profession of photojournalism; automatic acceptance among the esteemed company of the moment—be it the international jet set, *Bel Air* in the 1960s, or the world that was radical politics in the 1970s. But always she carried the conviction that her gifts were untested, her luck unearned. Told with wit, self-deprecation, and a rare degree of courage, *Knock Wood* is the extraordinary record of Candice Bergen's coming of age. It is at once the moving fable of the love between a father and a daughter, of a woman's triumph over self-doubt, and a dazzling journal of America's life and times over the past four decades.

*Sybil* Samuel French, Inc.

Memoirs, autobiographies, and diaries represent the most personal and most intimate of genres, as well as one of the most abundant and popular. Gain new understanding and better serve your readers with this detailed genre guide to nearly 700 titles that also includes notes on more than 2,800 read-alike and other related titles. The popularity of this body of literature has grown in recent years, and it has also diversified in terms of the types of stories being told—and persons telling them. In the past, readers' advisors have depended on access by names or Dewey classifications and subjects to help readers find autobiographies they will enjoy. This guide offers an alternative, organizing the literature according to popular genres, subgenres, and themes that reflect common reading interests. Describing titles that range from travel and adventure classics and celebrity autobiographies to foodie memoirs and environmental reads, *Life Stories: A Guide to Reading Interests in Memoirs, Autobiographies, and Diaries* presents a unique overview of the genre that specifically addresses the needs of readers' advisors and others who work with readers in finding books.

**Between a Heart and a Rock Place** Simon and Schuster  
Once upon a time ABC-TV's *Moonlighting* was among the most buzzed-about shows in the country, thanks largely to the bravado of creator Glenn Gordon Caron, who never met a television convention he didn't want to break, and the sizzling on-screen chemistry between glamorous erstwhile film star Cybill Shepherd and a New Jersey bartender nobody had ever heard of before named Bruce Willis, who bickered and flirted ceaselessly on screen and engaged in epic off-screen battles that all these years later remain the stuff of Hollywood legend. This combustible blend of creative brilliance produced some of the most acclaimed, audacious, and innovative programming of the eighties, including a black and white tribute to film noir, with an introduction by Orson Welles; a parody of Shakespeare's *The Taming of the Shrew*, written in iambic pentameter; an homage to *The Honeymooners*; and countless metafictional episodes breaking through the fourth wall — almost unheard of at the time for hourlong comedy-dramas. Without a doubt, *Moonlighting*

helped pave the way for the era of prestige television we are now all enjoying. The real story of this pioneering television series and the extraordinary behind-the-scenes challenges, battles, and rewards has never been told — until now, Author Scott Ryan (*The Last Days of Letterman*, *Thirtysomething at Thirty: An Oral History*, *The Blue Rose*, *Scott Luck Stories*) conducted over twenty interviews with the actors, writers, directors, and producers who made *Moonlighting* such a dynamic, unforgettable show, delving deep into their thoughts and feelings as they relive this magical moment in pop culture history in this full color oral history. *New Interviews with: Cybill Shepherd (Maddie Hayes), Allyce Beasley (Ms. DiPesto), Curtis Armstrong (Herbert Viola), Glenn Gordon Caron Creator, Executive Producer, Writer Jay Daniel Executive Producer, Director Roger Director Writer, Producer, Season 4 Showrunner Allan Arkush Director Bob Butler and more.*

*Burnt Toast* Hachette UK

Here is the story of Jerry Weintraub: the self-made, Brooklyn-born, Bronx-raised impresario, Hollywood producer, legendary deal maker, and friend of politicians and stars. No matter where nature has placed him--the club rooms of Brooklyn, the Mafia dives of New York's Lower East Side, the wilds of Alaska, or the hills of Hollywood--he has found a way to put on a show and sell tickets at the door. "All life was a theater and I wanted to put it up on a stage," he writes. "I wanted to set the world under a marquee that read: 'Jerry Weintraub Presents.'" In *When I Stop Talking, You'll Know I'm Dead*, we follow Weintraub from his first great success at age twenty-six with Elvis Presley, whom he took on the road with the help of Colonel Tom Parker; to the immortal days with Sinatra and Rat Pack glory; to his crowning hits as a movie producer, starting with Robert Altman and Nashville, continuing with *Oh, God!*, *The Karate Kid* movies, and *Diner*, among others, and summing with Steven Soderbergh and *Ocean's Eleven*, *Twelve*, and *Thirteen*. Along the way, we'll watch as Jerry moves from the poker tables of Palm Springs (the games went on for days), to the power rooms of Hollywood, to the halls of the White House, to Red Square in Moscow and the Great Palace in Beijing--all the while counseling potentates, poets, and kings, with clients and confidants like George Clooney, Bruce Willis, George H. W. Bush, Armand Hammer, Brad Pitt, Matt Damon, Bob Dylan, Led Zeppelin, John Denver, Bobby Fischer . . . well, the list goes on forever. And of course, the story is not yet over . . . as the old-timers say, "The best is yet to come." As Weintraub says, "When I stop talking, you'll know I'm dead." With wit, wisdom, and the cool confidence that has colored his remarkable career, Jerry chronicles a quintessentially American journey, one marked by luck, love, and improvisation. The stories he tells and the lessons we learn are essential, not just for those who love movies and music, but for businessmen, entrepreneurs, artists . . . everyone.

*Knock Wood* Routledge

THE BLESSING of The LORD is God's original plan for you. Contrary to popular belief, He doesn't want you sick, broke and lonely. He wants to make you rich in every area of life your health, finances, relationships and more. In this hard-cover book, you will learn: God's original intent for His people to live in THE BLESSING God's plan to restore THE BLESSING after man sinned How God has empowered you to succeed How Jesus connects us to THE BLESSING Why THE BLESSING is not just a spiritual reality, but a material reality, too How to be living proof of THE BLESSING to others How love governs the operation of THE BLESSING. No matter where you are in the progress of your life as a Christian, learn more about God and His relationship with you as you dig deeper into the vital message of THE BLESSING. Allow this revelation that changed Kenneth Copeland's life forever to convert your thinking, fuel your faith and accomplish God's will

for your life, too. Set yourself on the path to guaranteed success today. Your BLESSED life of peace and joy awaits you!

*Breaking Night* Routledge

First published in 2004. Routledge is an imprint of Taylor & Francis, an informa company.

### AMERICAN CULTURAL STUDIES

SUNY Press

For more than thirty years, Pat Benatar has been one of the most iconic women in rock music, with songs like "Heartbreaker," "Hit Me with Your Best Shot," and "Love Is a Battlefield" becoming anthems for generations of fans. Now, in this intimate and uncompromising memoir, one of the bestselling female rock artists of all time shares the story of her extraordinary career, telling the truth about her life, her struggles, and how she won things—her way. From her early days in the New York club scene of the 1970s to headlining sold-out arena tours, Benatar offers a fascinating account of a life spent behind the microphone and speaks candidly about the realities of breaking into the boys' club of rock and roll. Written with the attitude and defiance that embody Pat Benatar's music, *Between a Heart and a Rock Place* is a rock-and-roll story unlike any other, a remarkable tale of playing by your own rules even if that means breaking a few of theirs.

*The Cowboy's Baby* Hachette Books

Updated version of an engaging overview of the television situation comedy. This updated and expanded anthology offers an engaging overview of one of the oldest and most ubiquitous forms of television programming: the sitcom. Through an analysis of formulaic conventions, the contributors address critical identities such as race, gender, and sexuality, and overarching structures such as class and family. Organized by decade, chapters explore postwar domestic ideology and working-class masculinity in the 1950s, the competing messages of power and subordination in 1960s magicoms, liberated women and gender in 1970s workplace comedies and 1980s domestic comedies, liberal feminism in the 1990s, heteronormative narrative strategies in the 2000s, and unmasking myths of gender in the 2010s. From *I Love Lucy* and *The Honeymooners* to *Roseanne*, *Cybill*, and *Will & Grace* to *Transparent* and many others in between, *The Sitcom Reader* provides a comprehensive examination of this popular genre that will help readers think about the shows and themselves in new contexts.

*Black Is the New White* W. W. Norton & Company

*Cybill Disobedience* HarperCollins Publishers

*Knee Deep in Paradise* Houghton Mifflin Harcourt

"By the time I was 24, I was pretty jaded -- I thought I'd seen and done it all. Then I met Gene. My life is divided into two sections: PG (well... maybe R) and AG (after Gene)." --Shannon Tweed Two decades and two children after their first meeting at the Playboy Mansion, Shannon Tweed and Gene Simmons are still happily together. "Kiss and Tell" is the surprising side of the story from one of the world's most beautiful women.

*Television Series of the 1990s* Simon and Schuster

"Sagal takes you through the highs and lows of her life, from the tragic deaths of her parents to her long years in the Los Angeles rock scene, from being diagnosed with cancer at the age of twenty-eight to getting her big break on the fledgling FOX network as the wise-cracking Peggy Bundy on the beloved sitcom *Married with Children*. Sparse and poetic, *Grace Notes* is an emotionally riveting tale of struggle and success, both professional and personal: Sagal's path to sobriety; the stillbirth of her first daughter, Ruby; motherhood; the experience of having her third daughter at age fifty-two with the help of a surrogate; and her lifelong passion for music."--Book jacket..

*Please Don't Shoot My Dog* Simon and Schuster

The Queer Fantasies of the American Family Sitcom examines the evasive depictions of sexuality in domestic and family-friendly sitcoms. Tison Pugh charts the history of increasing sexual depiction in this genre while also unpacking how sitcoms use sexuality as a source of power, as a kind of camouflage, and as a foundation for family building. The book examines how queerness, at first latent, became a vibrant yet continually conflicted part of the family-sitcom tradition. Taking into account elements such as the casting of child actors, the use of and experimentation with plot traditions, the contradictory interpretive valences of comedy, and the subtle subversions of moral standards by writers and directors, Pugh points out how innocence and sexuality conflict on television. As older sitcoms often sit on a pedestal of nostalgia as representative of the Golden Age of the American Family, television history reveals a deeper, queerer vision of family bonds.

*Strategic Planning for Public Relations* Rutgers University Press

The definitive guide to using this ancient psychological system to gain self-knowledge and achieve personal growth—now expanded and revised. The Enneagram is an extraordinary framework for understanding more about ourselves. No matter from which point of view we approach it, we discover fresh conjunctions of new and old ideas. So writes Don Riso in this expanded edition of his classic interpretation of the Enneagram, the ancient psychological system used to understand the human personality. In addition to updating the descriptions of the nine personality types, *Personality Types, Revised* greatly expands the accompanying guidelines and, for the first time, uncovers the Core Dynamics, or Levels of Development, within each type. This skeletal system provides far more information about the inner tension and movements of the nine personalities than has previously been published. This increased specificity will allow therapists, social workers, personnel managers, students of the Enneagram, and general readers alike to use it with much greater precision as they unlock the secrets of self-understanding, and thus self-transformation. "No Enneagram teachers I've come across offer such a rich and dynamic picture of how each personality type expresses itself in the world, and the process by which we can move through progressive stages of psychological and spiritual growth."—Tony Schwartz, author of *What Really Matters: Searching for Wisdom in America*

*Sybil Exposed* McFarland

Dear Readers, There are at least five good reasons to Tip It! right now. 1. My daughter Kathy put out her memoir last year, which was real nice except for the controversial parts. And it got to be a #1 New York Times bestseller. Congratulations, Kathleen! But now it's my turn. I've written my own book. I have things to say, too, without having to be all controversial like you were. Tip it! 2. People recognize me on the street a lot now and come over, nicely, and say "Maggie, you remind me of my own mother." And they say "Maggie, I love your show"--referring to Kathy Griffin: *My Life on the D-List* as my show. Sometimes I correct them, I say, "Oh, it's not my show." But sometimes . . . I don't correct them. It's kind of fun being a star, isn't it Tip it! 3. If you want to know a few things about my daughter Kathleen that only a mother could know (How the heck did she get this way? Did she always swear so much, for Chrissake?), you have come to the right book. Tip it! 4. You know how a box of wine is never empty just because the spigot seems to have run dry (There's always a little more if you just tip it!) This book is like that. There's so much in it--never-before-published Griffin family photos!, a love story (me and my dear departed husband Johnny), a whole guide to good living (including how to survive on what's in your purse), and a lot of

funny business in this book from Kathleen (she made comments in this book; readers, I was not able to stop her!). So take this book and Tip It! 5. And be sure to get the last drop out of living. Isn't it nice that "Tip It" acts as a toast I'm 90 years old, and I think "Tip It!" even works pretty well as a motto for living to the fullest. So, Tip It! today. Yours, Maggie Griffin A funny thing happened on the way to Kathy Griffin's sky-rocketing stardom. The more she told stories about her mother, Maggie, in her stand-up act and on her Emmy-winning television show, *Kathy Griffin: My Life on the D-List*, the more popular her mother became. (At the mere mention of Maggie, a stadium full of fans will cheer, "Tip It! Tip It!") Shocked by Kathy, exasperated by Kathy, grudgingly amused by Kathy, and at the end of the day, always a loving mother to Kathy, Maggie Griffin has become the darling Gracie to Kathy's George Burns, the wry Cher to Kathy's Sonny Bono, the sly, sweet Roadrunner to Kathy's Wile E. Coyote.

*Who the Hell's in It* Taylor & Francis

**NATIONAL BESTSELLER** An engaging no-holds-barred memoir that reveals Howie Mandel's ongoing struggle with OCD and ADHD—and how it has shaped his life Howie Mandel is one of the most recognizable names in entertainment. But there are aspects

of his personal and professional life he's never talked about publicly—until now. Twelve years ago, Mandel first told the world about his "germophobia." He's recently started discussing his adult ADHD as well. Now, for the first time, he reveals the details of his struggle with these challenging disorders. He speaks candidly about the ways his condition has affected his personal life—as a son, husband, and father of three. Along the way, the versatile performer reveals "the deal" behind his remarkable rise through the show-business ranks, sharing never-before-told anecdotes about his career. As heartfelt as it is hilarious, *Here's the Deal: Don't Touch Me* is the story of one man's effort to draw comic inspiration out of his darkest, most vulnerable places.

### **THE BLESSING OF THE LORD**

Destiny Image Publishers

At her brassy best, Cybill Shepherd trumpets the candid, inspiring story of her roller-coaster journey from Memphis belle to irrepressible "Boomer Babe." Two 8-page color inserts.

*Orange Coast Magazine* Psychology Press

Essays in ego psychology, based on papers written from 1951 to 1967, by a neo-Freudian analyst and theorist.
