MARSHALL GLOVER

Texas : the British Tradition PEARSON

This anthology exposes readers to a rapidly growing field of literary studies. This mainstream topic focuses on works and authors who have been forged by a dual consciousness. Topics covered include Cultural and Linguistic Considerations, Mexican-American Literature, Cuban-American Literature, and Puerto-Rican American Literature. For readers interested in learning about Latino Literature.

TIMELESS VOICES, TIMELESS THEMES

Pearson

The classic political satire about an imaginary ideal world by one of the Renaissance's most fascinating figures. Named after a word that translates literally to "nowhere," Utopia is an island

dreamed up by Thomas More, a devout Catholic, English statesman, and Renaissance humanist who would be canonized as a saint centuries after he was executed for choosing God over king. More's novel introduces us to Utopia's society and its customs. It is a place of no private property and no lawyers; of six-hour workdays and simple ways; and, intriguingly, of a combination of values that blend the traditional with the highly controversial, from euthanasia to married priests to slavery. Remarkably thought-provoking, it is a novel that asks us to question what makes a perfect world—and whether such a thing is even possible.

The British Tradition Pearson Prentice Hall
"The American Experience" and "The British Tradition" enable your students to connect literature with historical content. Special features such as Focus on Literary Forms, The Emerging American Identity and The Story of Britain keep students engaged as they experience both American and British literature within rich historical backdrops.
