In 1974, Honda took the wraps off a 1000cc flat four with shaft drive and

water cooling, and the Honda Gold Wing was born. Renowned photographer Malcolm Birkitt has included coverage of Honda's dynamic, new Valkyrie in this update of his best-selling Honda Gold Wing title, as well as examining all the changes in the Gold Wing since 1995. Included are intriguing early design sketches and portraits by Honda's designers and engineers.

FALLING FOR THE BARON

"O'Reilly Media, Inc."

His songs were better when he had a broken heart. That sentence would change my life after my dream job was dished to me on a shiny, silver platter. All I had to do? Hurt Nash Pierce enough to get him writing good music again. The pop icon's songs were no longer the phenomena they used to be. His team needed another breakthrough album-like the first he'd penned, using his heartbreak as fuel. The plan was simple: I'd go on tour with him as a backup dancer? and

make him fall in love with me. I was hired to inspire-to become embedded into every lyric he wrote. Then, I was to set fire to it all-to destroy every feeling we hoped he'd develop for me. It seemed simple enough. Easy, even. I didn't expect to be consumed myself-to see so much in the man displayed in the tabloids. I didn't foresee falling for him. It didn't occur to me that, while attempting to break his heart, I might just shatter my own. Most of all, I never thought I'd fight so hard to hold on to

a relationship that had always been founded on goodbye. *America's Best Kept Secret* Kensington Publishing Corp. Can they build a future on a shaky foundation? Tyler "Ty" Evans lost everything in a car accident when he was twelve, retreating into his shell so tightly that it took months for him to come out again. Music and the ranch saved him, and he will always be grateful to his foster family for saving his life. Now, with the ranch on financial

tenterhooks, he wonders if he can use his music to contribute to the solution. Piper Raines is the daughter of a legendary country music family. While her parents and brother are all famous, her attempt at an independent career went off the rails, and, with exhaustion and stress and bad press dogging her every step, she needs a place to recover. When Piper is invited to vacation at the ranch, Piper and Ty connect through horses and music. After a video duet of Piper and Ty goes

viral, they're invited to sing in Nashville, which also provides added pressure, stressing their new relationship.

1891 . . . Spinster librarian, Olive Wilkins, is shocked to learn of her brother's violent death at a saloon gaming table and her sister-in-law's subsequent murder, traveling far from her staid life to rescue her niece and nephew, now orphans. She arrives to

find the circumstances of her brother's life deplorable and her long held beliefs of family and tradition, shaken. Accustomed to the sophistication of Philadelphia, Olive arrives in Spencer, Ohio, a rough and tumble world she is not familiar with, facing two traumatized children. Her niece and nephew, Mary and John, have been living with a neighboring farmer, widower Jacob Butler, the father of three young children of his own and a man still in pain from the recent loss of his

wife. Real danger threatens Olive and Mary and John while Jacob and his own brood battle the day-to-day struggles for survival. Will Olive and Jacob find the strength to fight their battles alone or together? Will love conquer the bitterness of loss and broken dreams?

Callum Welsh perfected the art of hating me when we were two kids who believed we'd be forced into marriage. He thought I wanted it, but my only wish had been for him to leave me alone. Then one afternoon, he stole my first kiss. Despite all he'd done, everything changed after that. As the years

passed, our hearts thawed, and he no longer hated me. In fact, he loved me enough to make me his wife. Until I ruined everything with one stupid mistake. That hatred returned in the form of cruel words and even crueler deeds. But we weren't kids anymore. I could handle his brand of venom. He would be mine again, even if it cost me the remains of my heart.

The moment AJ Walsh sees the sexy, tattooed pixie walk up to his bar, it's lust at first sight. He's always been labeled the "nice" guy—opening doors, buying flowers, and never, ever having one-night stands. But with this wicked little angel with red lips and unfathomably dark eyes? Oh, yeah. Tonight, "nice" has nothing to do with it... Brett Conlon is trying to convince her family that she's put away her reckless wild girl side for

good. Nothing—and no one—could be better for her reputation than golden boy AJ Walsh. So they make a deal: if he plays The Good Boyfriend for her family, he can be a very, very bad boy with her. Now their one naughty night is about to turn into a whole lot of trouble...
