KEAGAN ELLIS

Jewish Community Life in
America Hebrew Union
College Press

The Karaites, a small
Jewish sect that arose
twelve centuries ago and
still exists today, was at
one time the most
outspoken and productive
schismatic division in
Judaism. The Karaites

contributed much to the
Jewish literature of the
Middle Ages, for they
developed their own
corpus of theological
dogmas, liturgy, juristic
exegesis, metaphysical
concepts, secular poetry,
apologetics, and sermons.
This anthology-the first of
its kind in any language of
the West-provides
excerpts from the early
Karaitic literature (down to
about the year 1500)
representing the full
range of their thought and
belief. All extracts have
been translated directly
from Arabic, Aramaic, and

Hebrew original sources.
"This book marks the first
attempt in any language
to present a chronological
exposition of seven
centuries of evolution of
this interesting Jewish
sect through a selection
of excerpts from the
writings of its spokesmen.
. . . [A] pioneering
achievement."-Zvi Ankori,
Jewish Social Studies "Will
be of real interest. . . to
historians of religion,
sociologists of religion,
students of Judaism,
Talmudic scholars,
students of comparative
religious law, and scholars

interested in the relation between Islam and Judaism in the Middle Ages."-Maurice S. Friedman, *The Journal of Religion* "The book is an important addition to Qaraite literature in English."-Isis "The texts are wisely chosen, carefully edited, and supplied with copious notes. An excellent introduction to each writer is given. The book is successful from every point of view."-Edward Robertson, *The Royal Asiatic Society* "The commentaries of [the]

scholars. . . are important additions to Jewish scholarly research."-*Jewish News* *The Writing of American Jewish History* Oxford, Clarendon P "The Legacy of Israel deals with the contribution that has come to the sum of human thought from Judaism and from the Jewish view of the world. It is not in any sense either a history of the Jewish people or an exposition of Judaism, and it is concerned with these topics only in so far as

discussion of them may be necessary for the clear setting forth of the proper theme of the volume. It is a companion to the *Legacy of Greece and The Legacy of Rome*."-- Excerpted from Preface, page [v], by E.R.B.; C.S. *An Unacknowledged Harmony* Vintage Israel / Medizin / Biologie. *Family, Love, and the Bible* Syracuse University Press Based on sound analysis of European, Jewish, and Holocaust literature and historical documents, Edelstein's work seeks to

explain the active role of Christians (especially the papacy), and of secular and religious leaders that ensured the survival of Jews in a hostile environment. The study begins in the time of Rome and ends in the period following World War II.

THE OLD EAST SIDE

Houghton Mifflin Harcourt
"The Falashas, who are the most isolated and most ancient Jewish community extant, have preserved their own religious writings through

the centuries. This book offers a cross section of their sacred literature, translated for the first time into English from Ethiopic sources. In addition, the translator provides a detailed description of the life and mores of the Falashas, based on his personal experience and observation during a prolonged stay in their community"--Back cover.

Karaite Anthology

Routledge

A young Jewish boy--the old, much-fought-over city of Vilnius--the rumblings

and then the reality of World War I--all combine in this book to create a striking historical document of a period during which Europe and the Western world were changed forever. In the streets and alleys of Vilnius actor Joseph Buloff came of age, learning the arts of shape-altering necessary for survival during successive occupations by Cossacks, Germans, Bolsheviks, and Poles; it is this fascinating vanished milieu that he brings to life in *From the Old Marketplace*. For a

little boy, the old marketplace was full of enchantment, a world in itself, and Buloff brilliantly describes the eccentric inhabitants who peopled his childhood: Berchick the orphan, Barve's son the intellectual and historian, the starveling Matzek, Arkashka the Cossack, Joseph's mother, the saintly yet practical Sarah, and his father, Benjamin, who made a fortune in America and lost it again in Europe. The boy came to realize his own Jewishness when Russian persecution

forced the Jews to make the synagogue the center of their world. He was driven by brutality, hunger, and ostracism to transform himself in spirit into the imaginary Chantille Jeantaigne Delacroix, scourge of evil, avenger of his people, Conqueror of Death. Joseph's accounts of daily life under unbelievably hard circumstances range from down-to-earth facts to soaring flights of fantasy"and his desperate acting in order to stay alive brought him his true vocation, first on

the scrounging amateur stage and then in the professional theatre. *A Woman of Parts* Philadelphia : Jewish Publication Society of America
Jews in exile have often struggled for the protection of the highest governmental power, whether king, emperor, caliph, or pope, because they learned early that their safety could not be entrusted to the goodwill of their gentile neighbors or the local authorities. Alexandrian Jews in the Hellenistic period relied

on Imperial Rome instead of their native Alexandria, and Jews in medieval Europe sought ties with the Carolingian emperors, circumventing all inferior feudal relationships. In all such cases of vertical alliances Jews have both gained and lost. In this landmark study, Yosef Hayim Yerushalmi presents the Lisbon Massacre as one chapter in the history of alliances between Jews and the powers that have ruled over them. Through an exploration of Jewish attitudes and their

consequences at this important juncture in Jewish history, he uncovers the "myth of the royal alliance" in the thought of Ibn Verga and others. He offers a fresh review of available data on the course of the pogrom and relates it to the Shebet Yehudah. Two appendices include the German account of the massacre, based on three printed editions (two of them previously unknown), and the major documentary sources, giving historians access to key primary materials as

well as Yerushalmi's analysis. Even the modern era did not fundamentally change these dynamics. Hannah Arendt emphasized the extent to which Jews have allied themselves to the modern nation-state and have become vulnerable when other groups oppose that nation-state. Modern Jews have frequently clung to an uncritical faith in the state's protection, even when that faith bears no correspondence to reality. **In the Lion's Den** Halban Publishers
Although nineteenth-

century Egyptian Jewry was an active and creative part of society, this work from 1969 is the main comprehensive work devoted to an analysis and appraisal of its activities. The period under review commences with the fall of the Mamluk regime in Egypt, and the incipient modernization of the state, with the resulting increase in Jewish activity. It terminates with the end of World War I and the new era in the history of modern Egypt, an era of extreme nationalism that

led to the undermining of the Jewish community.

THE LEGACY OF ISRAEL

New York : McGraw-Hill
Reflections by the Nobel-winning philosopher and novelist on the prophets, scribes, and rebbes who comprise the histories and myths of Jewish folklore. Most of these essays were originally given as lectures at the 92nd Street Y in New York, and even in written form they preserve the tone and tempo of extemporary speech. The style is anecdotal rather than

scholarly, and Wiesel does not hesitate to bring his opinions to bear.

Jewish Life in Canada

Praeger

Few lives shed more light on the complex relationship between Jews and Christians during and after the Holocaust--or provide a more moving portrait of courage--than Oswald Rufeisen's. A Jew passing as a Christian in occupied Poland, Rufeisen worked as translator for the German police--the very people who rounded up and murdered the Jews--and repeatedly

risked his life to save hundreds from the Nazis. In this gripping biography, Nechama Tec, a widely acclaimed writer on the Holocaust, recounts Rufeisen's remarkable story. A youth of seventeen when World War II began, Rufeisen joined the exodus of Poles who fled the approaching German army. Tec vividly describes how Rufeisen used his ability to speak fluent German to pass as half German and half Polish in Mir, where he came to serve as translator and personal

secretary to the German in charge of the gendarmerie. As he carried out his duties--reading death sentences to prisoners, swearing in new police officers before a portrait of Hitler--he earned the trust and affection of the German commander, yet lived in constant fear of discovery. He used his position to pass secret information to Jews and Christians about impending "aktions" and to sabotage Nazi plans. Most notably, he thwarted the annihilation of the Mir

ghetto by arming hundreds of doomed Jews and organizing their escape, and saved an entire Belorussian village from destruction. Denounced, Rufeisen escaped and found shelter in a convent, where he converted to Catholicism. Though a pacifist, he spent the rest of the war fighting in a Russian partisan unit. After the war, Father Daniel (as he is now known) became a priest and a Carmelite monk. Identifying himself as a Christian Jew and an ardent Zionist, he moved

to Israel, where he challenged the Law of Return in a case that reached the High Court and attracted international attention. Today he continues to devote himself to bridging the gap between Christians and Jews. In the Lion's Den offers a stirring portrait of a Jewish rescuer during the Holocaust and its aftermath, illuminating the intricate connections between good and evil, cruelty and compassion, and Judaism and Christianity.

THE IMAGE OF THE JEW IN AMERICAN LITERATURE

Bantam
Discusses the history of the Dreyfus family in an attempt to overcome the scholarly consensus which sees Alfred Dreyfus only as a symbol of cosmic issues. The Dreyfus family reflects the history of the Jews of France; namely, the commitment to the principles of citizenship and equality, and trust in France as a promised land regardless of the circumstances. Pp.

111-339 deal with the Dreyfus Affair and its aftermath. Pp. 458-491 cover the Holocaust period and the fate of various members of the Dreyfus family.
Sages and Dreamers Ahad Ha'am Elusive Prophet "Hear O Israel" is the only examination of the history of American Jewish preaching, from the settlement of the first Jews in the United States until 1970.

The Lisbon Massacre of 1506 and the Royal Image in the Shebet Yehudah
Studies in Rhetoric and Commun
An irreverent and startling portrait of Jewish America

After two decades in Israel, Ze'ev Chafets returned to his native land to embark upon an extraordinary odyssey: a six-month, thirty-state search for America's Jews. From side streets to mean streets, from the small-town serenity of the country to the hustle and bustle of the big city, he discovered Jews in some expected and unexpected places to create this portrait of American Judaism and Jewish life in America today. Meet the "members of the tribe" as Chafets—never the

passive observer—barnstorms through the deep South, where he encounters the last Cajun Jews in the bayou, and travels to Mississippi to discover a congregation of good old boychiks. He joins a Midwestern “Jewhunt” led by a political organizer from AIPAC (the Israeli lobby), and in a maximum security synagogue in Pennsylvania he worships with a congregation of convicts whose shammas is doing time for armed robbery. At every stop Chafets comes across

fascinating and memorable characters: a Buddhist named Wasserman who claims to have Jewish sports karma; America’s only native-born wonder-working rabbi; a Gross Pointed matron who wears a Jewish star to ward off anti-Semites. Chafets goes to the boardrooms of big-time Judaism in New York and Los Angeles, to back rooms in the Lone Star State where he spins yarns with some Texas Jewboys, to Cisco’s Restaurant in Austin, Texas, where he talks

with Kinky Friedman, America’s best-known Jewish country and western singer. From a weekend in the Catskills with nearly two thousand Jewish singles to a meeting with the geriatric Jewish jocks of Century Village in Florida, Chafets takes a close look at how contemporary Jews really live. Whether he is describing the plight of a gay congregation in San Francisco in the throes of a deadly epidemic, or the poignancy of services at a storefront synagogue of black Jews whose cantor

sings Hebrew prayers with gospel melodies, Members of the Tribe evokes the fears and hopes, concerns and aspirations of American Jews. Engaging, moving and insightful, this remarkable chronicle is a compelling look beyond stereotypes at people who, for reasons they don't always understand, continue to be members of the tribe.

THE JEWISH LITERARY TREASURES OF ENGLAND AND

AMERICA

Pocket Books
An incisive biography of the guiding intellectual presence - and chief internal critic - of Zionism, during the movement's formative years between the 1880s and the 1920s. Ahad Ha'am ('One of the People') was the pen name of Asher Ginzberg (1856-1927), a Russian Jew whose life intersected nearly every important trend and current in contemporary Jewry. His influence extended to figures as varied as the

scholar of mysticism Gershom Scholem, the Hebrew poet Hayyim Nahman Bialik, and the historian Simon Dubnow. Theodor Herzl may have been the political leader of the Zionist movement, but Ahad Ha'am exerted a rare, perhaps unequalled, authority within Jewish culture through his writings. Ahad Ha'am was a Hebrew essayist of extraordinary knowledge and skill, a public intellectual who spoke with refreshing (and also, according to many, exasperating) candour on

every controversial issue of the day. He was the first Zionist to call attention to the issue of Palestinian Arabs. He was a critic of the use of aggression as a tool in advancing Jewish nationalism and a foe of clericalism in Jewish public life. His analysis of the prehistory of Israeli political culture was incisive and prescient. Steven J. Zipperstein offers all those interested in contemporary Jewry, in Zionism, and in the ambiguities of modern nationalism a wide-

ranging, perceptive reassessment of Ahad Ha'am's life against the back-drop of his contentious political world. This influential figure comes to life in a penetrating and engaging examination of his relations with his father, with Herzl, and with his devotees and opponents alike. Zipperstein explores the tensions of a man continually torn between sublimation and self-revelation, between detachment and deep commitment to his people, between irony

and lyricism, between the inspiration of his study and the excitement of the streets. As a Zionist intellectual, Ahad Ha'am rejected both xenophobia and assimilation, seeking for the Jews a usable past and a plausible future.

JEWISH SCIENCE AND HEALTH

Begun in 1690, this diary of a forty-four-year-old German Jewish widow, mother of fourteen children, tells how she guided the financial and personal destinies of her children, how she

engaged in trade, ran her own factory, and promoted the welfare of her large family. Her memoir, a rare account of an ordinary woman, enlightens not just her children, for whom she wrote it, but all posterity about her life and community. Gluckel speaks to us with

determination and humor from the seventeenth century. She tells of war, plague, pirates, soldiers, the hysteria of the false messiah Sabbtai Zevi, murder, bankruptcy, wedding feasts, births, deaths, in fact, of all the human events that befell her during her lifetime. She writes in a matter of fact way of the frightening

and precarious situation under which the Jews of northern Germany lived. Accepting this situation as given, she boldly and fearlessly promotes her business, her family and her faith. This memoir is a document in the history of women and of life in the seventeenth century.
