"This landmark publication in comparative linguistics is the first comprehensive work to address the general issue of what kinds of words tend to be borrowed from other languages. The authors have assembled a unique database of over 70,000 words from 40 languages from around the world, 18,000 of which are loanwords. This database allows the authors to make empirically founded generalizations about general tendencies of word exchange among languages." --Book Jacket.

Kikongo (also known as Kongo) is a Bantu language spoken by over 5 million people worldwide, mostly by the Kongo and Ndundu people living in the tropical forests of the Democratic Republic of the Congo, the Republic of the Congo, and Angola. Kikongo was spoken by many from this region who were sold into slavery in the Americas. Thus creolized forms of the language can be found in the ritual speech of Afro-American religions, especially in Brazil, Cuba, Puerto Rico, Dominican Republic and Haiti. It is also one of the sources of the Palenquero creole in Colombia, and the Gullah language spoken in coastal regions of South Carolina and Georgia in the United States. This unique, two-part resource provides travelers to Central Africa with the tools they need for daily

interaction. The bilingual dictionary has a concise vocabulary for everyday use, and the phrasebook allows instant communication on a variety of topics. Ideal for businesspeople, travelers, students, and aid workers, this guide includes: 4,000 dictionary entries Phonetics that are intuitive for English speakers Essential phrases on topics such as transportation, dining out, and business Concise grammar and pronunciation sections

The New Oromo, Amharic, English Dictionary Scarecrow Press

Ethiopia is one of the world's oldest countries; its Rift Valley may be the location where the ancestors of humankind originated more than four million years ago. With a population of 67 million people today, it is the third most populous country on the African continent after Nigeria and Egypt. It is the source of 86 percent of the water reaching the Aswan Dam in Egypt, most of it carried by the amazing Blue Nile. Ethiopia offers major historical sites such as the pre-Christian palace at Yeha, the stele and tombs of the old Kingdom of Axum, and the rock-carved churches of Lalibela. For anyone interested in Ethiopia, this historical dictionary, through its individual and carefully cross-referenced entries, captures the importance and intrigue of this truly significant African nation. Historical Dictionary of Ethiopia appeals to all levels of readers, providing entries for each of Ethiopia's 85 ethnic groups and covering a broad range of cultural, political, and economic topics. Readers interested in the cultural aspects or who are planning to visit Ethiopia will find a wealth of entries on art, literature, handicrafts, music, dance, bird life, geography, and historic tourist sites. Practitioners in government and non-governmental organizations will find entries on pressing economic, social, and political issues such as HIV/AIDS, female circumcision , debt, human

rights, and the environment. The important historical role of missionaries and the combination of conflict and cooperation between Christians and Muslims in the region are also issues reviewed. And, finally, many of the entries highlight relations between Ethiopia and her neighbors-Eritrea, Somalia, Somaliland, Djibouti, Kenya, and Sudan. In the bibliography, considerable emphasis has been placed on including both new and old materials covering all facets of Ethiopia, organized for easy identification by areas of major interest.

Otto Harrassowitz Verlag

"The first edition of this book was published first in 2009 in Addis Ababa by the French Center for Ethiopian Studies and later in the same year (with minor editing) in Germany by LINCOM Europa Academic publishers."--Preface.

Learn Amharic with new picture dictionary series from trusted publisher of foreign language study guides, Hippocrene Books Amharic is the official working language of Ethiopia, with approximately 30 million speakers. It is the second most widely spoken Semitic language in the world after Arabic. Unlike Arabic, however, Amharic is written left-to-right and uses a distinct script called Ge'ez script. With colorful, eye-catching illustrations to stimulate imagination and curiosity, My First Amharic Dictionary is specially designed for children ages 5 to 12. It contains more than 1,000 everyday words (from colors, animals, household items, foods and more)--each illustrated and translated into Amharic with accompanying phonetic pronunciation. The illustrations are arranged alphabetically by English so even young readers can easily search for words. Each one is labeled with clear, bold type and the commonsense pronunciation makes it easy to begin speaking Amharic right away! Recent studies suggest that children should begin learning a foreign language before age 10 for best results. This dictionary is a fun, engaging way for parents or grandparents to introduce Amharic to young children. Teachers will also find the dictionary useful for students who are learning Amharic from Kindergarten and up.

For over a quarter of a century Siegbert Uhlig has been involved in Ethiopian Studies. As wide as the scope of his interests and contributions to Ethiopian Studies has been, so versatile is the thematic range of the 36 articles in this anthology. The essays in fields such as philology, history, linguistics, anthropology and arts were written by the ethiopisants from Ethiopia, Germany, Israel, Italy, the Netherlands, Poland, Russia, Sweden, Thailand, the United Kingdom and the USA. The Festschrift also includes an account of Ethiopian Studies in Hamburg, and a selected bibliography of Siegbert Uhlig's publications. An index to the contributions of the collection will be made available on the internet.List of contributors: L. Gerhardt, J. Abbink, H. Amborn, D. Appleyard, B. Zewde, B. Tafla, E. Balicka-Witakowska, A. Bausi, B. Yimam, V. Boll, S. Chernetsov, G. Fiaccadori, G. Haile, G. Gelaye, M. Heldman, O. Kapeliuk, S. Kaplan, M. Kleiner, J. Launhardt, G. Lusini, P. Marrassini, A. THE ESSENTIAL GUIDE TO AMHARIC: THE NATIONAL LANGUAGE OF ETHIOPIA

Univ of California Press

Ethiopia is one of the oldest countries in the world. This book traces the country's expansion southward during medieval times, its resistance to Muslim invasion, and, under energetic leaders, its defense of its independence during the European scramble for Africa. The author is concerned not only with kings, princes and politicians but also includes insights on daily life, art, architecture, religion, culture, customs and observations by travelers.

A COMPARATIVE DICTIONARY OF THE AGAW LANGUAGES

Otto Harrassowitz Verlag

This book closes the gap for beginners who want to study the Amharic language and had difficulties in finding the right grammar for this purpose: The first grammar of Amharic, the national language of Ethiopia, was published by Hiob Ludolf in 1698. The Amharic grammar published by Praetorius in 1879 is based on Amharic religious texts and on scattered material, usually composed by missionaries. A milestone in the study of Amharic is Marcel Cohen's *Traite de langue amharique* (1936), but this grammar, too is not completely suited for beginners since the author's generalizations are at times aimed at linguists. The grammar that comes closest to the concept of a beginner's grammar is that of C.H. Dawkin (1960), yet this grammar is extremely short, does not give examples and does not introduce the student to the intricacies of the language.The new book gives all the grammatical forms and the sentences of the present grammar in Amharic script and in phonetic transcription. The illustrative examples have a free and a literal translation. This procedure should likewise prove to be useful for the Semitist as well as for the general linguist.

Concise Amharic Dictionary English-Oromo-Amharic DictionaryThe New Oromo, Amharic, English DictionaryAmharic-English dictionary

How old is Ethiopian cuisine and the unique way of eating it? Ethiopians proudly say their cuisine goes back 3,000 to 5,000 years. Archaeologists and historians now believe it emerged in the first millennium A.D. in Aksum, an ancient kingdom that occupied what's now the northern region of Ethiopia and the southern region of neighboring Eritrea. But regardless of when Ethiopians began to eat spicy wots atop the spongy flatbread injera, or when they first drank the intoxicating honey wine called tej, their cuisine remains unique in the world. Mesob Across America: Ethiopian Food in the U.S.A. brings together what respected scholars and passionate Ethiopians know and believe about this delectable cuisine. From the ingredients of the Ethiopian kitchen the foods, the spices, and the ways of combining them to a close-up look at the cuisines history and culture, Mesob Across America is both comprehensive and anecdotal. Explore the history of how restaurant communities emerged in the U.S., and visit them as they exist today. Learn how to prepare a five-course Ethiopian meal, including homemade tej. And solve the mystery of when Ethiopian food made its debut in America which was not when most Ethiopians think it did.
