THE AUTOBIOGRAPHY OF THE PEOPLE IN VERSE

Skyhorse Publishing Inc.

When it was first published in the author's native country, THE

PALACE OF DREAMS was immediately banned. The novel revolves around a secret ministry whose task is not just to spy on its citizens, but to collect and interpret their dreams. An entire nation's unconscious is thus tapped and meticulously laid bare in the form of images and symbols of the dreaming mind.

The Pyramid NYU Press

A New York Times Book Review Editors' Choice "Erotic, paranoid and lightly fantastical." —The Wall Street Journal "Ismail Kadare's readers are astonished every year when the Nobel committee overlooks him. . . . A Girl in Exile, published in Albanian in 2009, may rekindle the worldwide hopes." —The New York Times Book Review During the bureaucratic machinery of Albania's 1945–1991 dictatorship, playwright Rudian Stefa is called in for questioning by the Party Committee. A girl—Linda B.—has been found dead, with a signed copy of his latest book in her possession. He soon learns that Linda's family, considered suspect, was exiled to a small town far from the capital. Under the influence of a paranoid regime, Rudian finds himself swept along on a surreal quest to discover what really happened to Linda B. "At a time when parts of the world are indulging nostalgia for communism, Kadare's novel confronts the infuriating impossibility of art in an autocratic, anti-individualist system." —The Washington Post "A Girl in Exile confirms Kadare to be the best writer at work today who remembers—almost aggressively so, refusing to forget—European totalitarianism." —The New Republic

A Reference Grammar for Students Skyhorse

After class placements were decided, the school's two infamous 'problem youth' not only shared the same class, but the same desk. They're clearly good at studies, but pretend to be slackers. Fakers from head to toe who just keep walking farther down the path of their performance. Hear on the grapevine about the two big brothers who always fight over the last place in class. Basically, this is a serious comedy. About the little matters of growing up.

A NOVEL

Lulu.com

An old woman is awoken in the dead of night by knocks at her front door. The woman opens it to find her daughter, Doruntine, standing there alone in the darkness. She has been brought home from a distant land by a mysterious rider she claims is her brother Konstandin. But unbeknownst to her, Konstandin has been dead for years. What follows is chain of events which plunges a medieval village into fear and mistrust. Who is the ghost rider? *The Girl Beneath the Sea* Mip Company
The love story between a painter and a girl is set against the

backdrop of a country in the midst of terrifying change as its inhabitants deal with the Westernization of a backward Balkan land, witness a series of strange events, and search for a tunnel to the Secret State Archives, which supposedly house records of crimes that may have been committed. Reprint.

A MEMOIR

Routledge

Emphasizing the political nature of Greek tragedy, as theatre of, by and for the polis, Rush Rehm characterizes Athens as a performance culture; one in which the theatre stood alongside other public forums as a place to confront matters of import. In treating the various social, religious and practical aspects of tragic production, he shows how these elements promoted a vision of the theatre as integral to the life of the city - a theatre focussed on the audience.

Harper Collins

In nineteenth-century Vienna, a drama of love, fate, and will is played out amid the intellectual ferment that defined the era. Josef Breuer, one of the founding fathers of psychoanalysis, is at the height of his career. Friedrich Nietzsche, Europe's greatest philosopher, is on the brink of suicidal despair, unable to find a cure for the headaches and other ailments that plague him. When he agrees to treat Nietzsche with his experimental "talking cure," Breuer never expects that he too will find solace in their sessions. Only through facing his own inner demons can the gifted healer begin to help his patient. In *When Nietzsche Wept*, Irvin Yalom blends fact and fiction, atmosphere and suspense, to unfold an unforgettable story about the redemptive power of friendship. *Greek Tragic Theatre* Skyhorse Publishing Inc.

"A major international novelist."—The New York Times

A Novel Arcade Publishing

Featuring a previously published author introduction, a personal foreword by his son and a new introduction by his grandson, a definitive edition of the lauded World War I classic collects all 39 of the Nobel Prize-winning author's alternate endings to offer new insights into his creative process. Reprint.

Writings on Latin America and the Struggle for Cuban Independence Random House

When Nietzsche Wept Thomas & Mercer

Egypt in the twenty-sixth century BC. The young pharaoh Cheops wants to forgo the construction of a pyramid in his honor, but his court sages hasten to persuade him otherwise. The pyramid, they tell him, is not a tomb but a paradox, designed to appease the masses by oppressing them. It is a symbol of nothing, a useless and infinite project designed to waste the country's wealth and keep security and prosperity, ever the fonts of sedition, constantly at bay. And so the greatest pyramid in the world has ever seen begins to rise. Rumors multiply. A secret police is formed. Conspiracies—real and imagined—swirl around the rising edifice. The most drastic purges follow. By the time the first stone is laid, Cheops's subjects are terrified enough to yield to his most murderous whims. Each time one of the massive stones is hoisted into place, dozens of men are crushed, and there are tens of thousands of stones. . . .

rites of passage

Simon and Schuster

In this fast-paced, high-stakes debut novel, sixteen-year-old Sam McKenna discovers that becoming one of the first girls to attend a revered military academy means living with a target on her back. As Sam struggles to prove herself, she learns that a decades-old secret society is alive and active . . . and determined to force her out. Fans of Simone Elkeles and Trish Doller will love *Rites of Passage's* perfect blend of sizzling romance and edge-of-your-seat suspense.

A SELF-TEACHING GUIDE

Princeton University Press

An Amazon Charts bestseller. For a Florida police diver, danger rises to the surface in an adventurous thriller by the Wall Street Journal bestselling author of *The Naturalist*. Coming from scandalous Florida treasure hunters and drug smugglers, Sloan McPherson is forging her own path, for herself and for her daughter, out from under her family's shadow. An auxiliary officer for Lauderdale Shores PD, she's the go-to diver for evidence recovery. Then Sloan finds a fresh kill floating in a canal—a woman whose murky history collides with Sloan's. Their troubling ties are making Sloan less a potential witness than a suspect. And

her colleagues aren't the only ones following every move she makes. So is the killer. Stalked by an assassin, pitted against a ruthless cartel searching for a lost fortune, and under watch within her ranks, Sloan has only one ally: the legendary DEA agent who put Sloan's uncle behind bars. He knows just how deep corruption runs--and the kind of danger Sloan is in. To stay alive, Sloan must stay one step ahead of her enemies--both known and unknown--and a growing conspiracy designed to pull her under.

A Novel Këngët e MilosaosAutobiologia

In High Albania, Victorian anthropologist and travel writer M (Mary) Edith Durham presents a vivid and fascinating insight into the culture, customs, people, and the lands of Northern Albania as it was in the early 20th century.

Fake Slackers Vol 2 Scarecrow Press

NATIONAL BESTSELLER • Senator John McCain tells the story of his great American journey, from the U.S. Navy to his electrifying campaign for the presidency in 2000, interwoven with heartfelt portraits of the mavericks who have inspired him through the years. After five and a half years as a prisoner of war in Vietnam, naval aviator John McCain returned home a changed man. Regaining his health and flight-eligibility status, he resumed his military career, commanding carrier pilots and serving as the navy's liaison to what is sometimes ironically called the world's most exclusive club, the United States Senate. Accompanying Senators John Tower and Henry "Scoop" Jackson on international trips, McCain began his political education in the company of two masters, leaders whose standards he would strive to maintain upon his election to the U.S. Congress. There, he learned valuable lessons in cooperation from a good-humored congressman from the other party, Morris Udall. In 1986, McCain was elected to the U.S. Senate, inheriting the seat of another role model, Barry Goldwater. During his time in public office, McCain has seen acts

of principle and acts of craven self-interest. He describes both extremes in these pages, with his characteristic straight talk and humor. He writes honestly of the lowest point in his career, the Keating Five savings and loan debacle, as well as his triumphant moments—his return to Vietnam and his efforts to normalize relations between the U.S. and Vietnamese governments; his fight for campaign finance reform; and his galvanizing bid for the presidency in 2000. Writes McCain: "A rebel without a cause is just a punk. Whatever you're called—rebel, unorthodox, nonconformist, radical—it's all self-indulgence without a good cause to give your life meaning." This is the story of McCain's causes, the people who made him do it, and the meaning he found. Worth the Fighting For reminds us of what's best in America, and in ourselves. Praise for Worth the Fighting For "When [John] McCain writes of people and patriotism, his pages shine with a devotion, a loving awe, that makes Worth the Fighting For worth the shelling out for. . . . McCain the man remains one of the most inspiring public figures of his generation."—Jonathan Rauch, *The Washington Post* "[An] unpredictable, outspoken memoir . . . a testimonial to heroism from someone who has first-hand knowledge of what it takes."—*The New York Times*

THE BRUISER

Skyhorse Publishing Inc.

In Kadare's words, and this lyrical WWII coming of age story, Albania has found its national literature.

A GIRL IN EXILE

Wentworth Press

Albania is not well known by outsiders; it was deliberately closed to the outside world during the communist era. Now it has thankfully become free again, its borders are open and it can be

visited, and it is increasingly integrating with the rest of Europe and beyond. Unfortunately, Albania has had its share of problems in the post-communist era; it's a land of destitution and despair, thanks in part to the Albanian mafia, which has turned the country into one of blood-feuds, kalashnikovs, and eternal crises. Yet, Albania is, in essence, a European nation like any other and will soon, it is to be hoped, advance and take its proper place in Europe and the world. The second edition of the Historical Dictionary of Albania relates the history of this little-known country through a detailed chronology, an introduction, a bibliography, appendixes, and over 700 cross-referenced dictionary entries on significant persons, places, and events; institutions and organizations; and political, economic, social, cultural, and religious facets.
