International Dagger Award shortlisted author of The Murderer in Ruins, Cay Rademacher, delivers a beautifully atmospheric new story with a captivating main character in Murderous Mistral: A Provence Mystery. Capitaine Roger Blanc, an investigator with the anti-corruption-unit of the French Gendarmerie, was a bit too succesfull in his investigations. He finds himself removed from Paris to the south of France, far away from political power. Or so it would seem. The stress is too much for his marriage, and he attempts to manage the break up while trying to settle into his new life in Provence in a 200-year-old, half-ruined house. At the same time, Blanc is tasked with his first murder case: A man with no friends and a lot of enemies, an outsider, was found shot and burned. When a second man dies under suspicious circumstances in the quaint French countryside, the Capitaine from Paris has to dig deep into the hidden, dark undersides of the Provence he never expected to see.

Una historia de amor plagada de aventuras entre una viajera en el tiempo y un contrabandista del siglo XVIII. Tras la muerte de su hermana Katrina, Eva Ward traslada sus cenizas a la casa de Trelowarth, en Cornualles, donde juntas pasaron los veranos de su infancia. El mantenimiento de este precioso edificio del siglo XVII, con sus jardines y rosaledas, constituye un problema constante para Mark Hallett, el actual propietario y amor adolescente de Katrina. A fin de combatir la tristeza y ayudar a Mark, Eva colabora con su proyecto de abrir un salón de té que atraiga a los turistas.

Un día, vagando por la mansión, Eva oye unas voces desconocidas y se tropieza con unos hombres vestidos con ropa de otra época. Para su asombro, ellos también viven en Trelowarth, pero son los habitantes de la casa del siglo XVIII, dedicados al contrabando y conspiradores contra el trono de Inglaterra. Sin saber cuándo ni cómo, Eva va intimando con los hermanos contrabandistas, Jack y Daniel Butler, y participa cada vez más en sus vidas. Viaja sin control del presente al pasado y, al darse cuenta de que se está enamorando de Daniel Butler, empieza a no saber cuál es su lugar. Reseñas: «Kearsley hace que lo imposible parezca real mientras teje un cuento lleno de personajes genuinos y lugares maravillosos.» Booklist «Una mujer compasiva se convierte en la heroína de su propio destino en este cautivador romance.» Kirkus

Winner of the 2019 Stone Book Award, Museum of African American History A remarkable intellectual history of the slave revolts that made the modern revolutionary era The Common Wind is a gripping and colorful account of the intercontinental networks that tied together the free and enslaved masses of the New World. Having delved deep into the gray obscurity of official eighteenth-century records in Spanish, English, and French, Julius S. Scott has written a powerful "history from below." Scott follows the spread of "rumors of emancipation" and the people behind them, bringing to life the protagonists in the slave revolution. By tracking the colliding worlds of buccaneers, military deserters, and maroon communards from Venezuela to Virginia, Scott records the transmission of contagious mutinies and insurrections in unparalleled detail, providing readers with an intellectual history of the enslaved. Though The Common Wind is credited with having "opened up the Black Atlantic with a rigor and a commitment to the power of written words," the manuscript remained unpublished for thirty-two years. Now, after receiving wide acclaim from leading historians of slavery and the New World, it has been published by Verso for the first time, with a foreword by the academic and author Marcus Rediker.
