[God Dwells Among Us](#) The Church of Jesus Christ of Latter-day Saints

How can creatures made from dust become members of God's household "forever"? In this New Studies in Biblical Theology volume, Michael Morales explores the narrative context, literary structure and theology of Leviticus, following its dramatic movement from the tabernacle to the temple—and from the earthly to the heavenly Mount Zion in the New Testament.

What does the temple mean for the church's ongoing mission in the world? This ESBT volume examines temple theology throughout Scripture, exploring how this theme relates to Christian life and witness today. God has always desired to dwell among us; now the church must follow its missional call to extend the borders of God's kingdom and take his presence to the ends of the earth.

## THE ACTS OF THE APOSTLES

InterVarsity Press

Acts is the sequel to Luke's gospel and tells the story of Jesus's followers during the 30 years after his death. It describes how the 12 apostles, formerly Jesus's disciples, spread the message of Christianity throughout the Mediterranean against a background of persecution. With an introduction by P.D. James

[Kingdom Conspiracy](#) InterVarsity Press

Destruction of temples and their transformation into churches are central symbols of change in religious environment, socio-political system, and public perception in late antiquity. Archaeologists, historians, and historians of religion seek an appropriate larger perspective on the phenomenon a oetemple-destructiona .

[Dominion and Dynasty](#) BRILL

For years Christians have been asking, "If you died tonight, do you know where you would go?" It turns out that many believers have been giving the wrong answer. It is not heaven. Award-winning author N. T. Wright outlines the present confusion about a Christian's future hope and shows how it is deeply intertwined with how we live today. Wright, who is one of today's premier Bible scholars, asserts that Christianity's most distinctive idea is bodily resurrection. He provides a magisterial defense for a literal resurrection of Jesus and shows how this became the cornerstone for the Christian community's hope in the bodily resurrection of all people at the end of the age. Wright then explores our expectation of "new heavens and a new earth," revealing what happens to the dead until then and what will happen with the "second coming" of Jesus. For many, including many Christians, all this will come as a great surprise. Wright convincingly argues that what we believe about life after death directly affects what we believe about life before death. For if God intends to renew the whole creation—and if this has already begun in Jesus's resurrection—the church cannot stop at "saving souls" but must anticipate the eventual renewal by working for God's kingdom in the wider world, bringing healing and hope in the present life. Lively and accessible, this book will surprise and excite all who are interested in the meaning of life, not only after death but before it.

## ORTHODOX WORSHIP

Crossway

The saving mission of Jesus constitutes the foundation for Christian mission, and the Christian gospel is its message. This second edition of a classic NSBT volume emphasizes how the Bible presents a continuing narrative of God's mission, providing a robust historical and chronological backbone to

the unfolding of the early Christian mission.

## CATECHISM OF THE CATHOLIC CHURCH

Zondervan

This ESBT volume addresses core questions about spiritual identity, examining the nature of the people of God from Genesis to Revelation through the lens of being created and formed in God's image. Benjamin Gladd argues that living out God's image means serving as prophets, priests, and kings, and he explains how God's people function in these roles throughout Scripture.

*The Torn Veil* InterVarsity Press

A Study Guide and a Teacher's Manual Gospel Principles was written both as a personal study guide and as a teacher's manual. As you study it, seeking the Spirit of the Lord, you can grow in your understanding and testimony of God the Father, Jesus Christ and His Atonement, and the Restoration of the gospel. You can find answers to life's questions, gain an assurance of your purpose and self-worth, and face personal and family challenges with faith.

*Heaven on Earth* Image

An Award-Winning Challenge to Popular Ideas of the Kingdom According to Scot McKnight, "kingdom" is the biblical term most misused by Christians today. It has taken on meanings that are completely at odds with what the Bible says and has become a buzzword for both social justice and redemption. In *Kingdom Conspiracy*, McKnight offers a sizzling biblical corrective and a fiercely radical vision for the role of the local church in the kingdom of God. Now in paper. Praise for *Kingdom Conspiracy* 2015 Outreach Resources of the Year Award Winner One of Leadership Journal's Best Books for Church Leaders in 2014 "This is a must-read for church leaders today."--Publishers Weekly "A timely resource for the missional church to reexamine some basic assumptions that impact church practice in the everyday."--Outreach

## REVELATION

Cambridge University Press

Social justice and mission are hot topics today: there's a wonderful resurgence of motivated Christians passionate about spreading the gospel and caring for the needs of others. But in our zeal to get sharing and serving, many are unclear on gospel and mission. Yes, we are called to spend ourselves for the sake of others, but what is the church's unique priority as it engages the world? DeYoung and Gilbert write to help Christians "articulate and live out their views on the mission of the church in ways that are theologically faithful, exegetically careful, and personally sustainable." Looking at the Bible's teaching on evangelism, social justice, and shalom, they explore the what, why, and how of the church's mission. From defining "mission", to examining key passages on social justice and their application, to setting our efforts in the context of God's rule, DeYoung and Gilbert bring a wise, studied perspective to the missional conversation. Readers in all spheres of ministry will grow in their understanding of the mission of the church and gain a renewed sense of urgency for Jesus' call to preach the Word and make disciples.

A call to worship.

**The Temple and the church's mission** Baker Books

In this comprehensive study, a New Studies in Biblical Theology volume, G. K. Beale traces the theme of the tabernacle and temple across the storyline of Scripture, illuminating many texts and connections with related themes such as Eden, the cosmos, God's presence and Christ and his people.

## DESIRING GOD

InterVarsity Press

The heart of the biblical understanding of idolatry, argues Gregory Beale, is that we take on the characteristics of what we worship. Employing Isaiah 6 as his interpretive lens, Beale demonstrates that this understanding of idolatry permeates the whole canon, from Genesis to Revelation. Beale concludes with an application of the biblical notion of idolatry to the challenges of contemporary life. [Dogmatic Constitution on the Church](#) Basic Books (AZ)

Then I saw a new heaven and a new earth ... And I saw the holy city, new Jerusalem ... And I heard a loud voice from the throne saying, "Behold, the dwelling place of God is with man." (Revelation 21:1-3, ESV). In this comprehensive study, Gregory Beale argues that the Old Testament tabernacle and temples were symbolically designed to point to the end-time reality that God's presence, formerly limited to the Holy of Holies, was to be extended throughout the whole cosmos. Hence, John's vision in Revelation 21 is best understood as picturing the new heavens and earth as the eschatological temple. Professor Beale's stimulating exposition traces the theme of the tabernacle and temple along the Bible's story-line, also illuminating many texts and closely related themes. He shows how the significance and symbolism of the temple can be better understood in the light of contrasts to and similarities with Ancient Near Eastern assumptions, and offers new insights into the meaning of the temple in both Old and New Testaments.

**From Temple to Church** InterVarsity Press

A year of gospel-saturated daily devotions from renowned Bible teacher Alistair Begg. Start with the gospel each and every day with this one-year devotional by renowned Bible teacher Alistair Begg. We all need to be reminded of the truth that anchors our life and excites and equips us to live for Christ. Reflecting on a short passage each day, Alistair spans the Scriptures to show us the greatness and grace of God, and to thrill our hearts to live as His children. His clear, faithful exposition and thoughtful application mean that this resource will both engage your mind and stir your heart. Each day includes prompts to apply what you've read, a related Bible text to enjoy, and a plan for reading through the whole of the Scriptures in a year. The hardback cover and ribbon marker make this a wonderful gift.

The writers and chief actors of the Old Testament expressed a deep longing for the presence of God. This longing is symbolized through history in the Garden of Eden, the ark of the covenant and the tabernacle that housed it, the temple, and the ruins of the temple. In response to this longing, God shares his ultimate mission, in which his people play a part: the expansion of Eden - the temple of God's presence - to all peoples throughout the earth. The temple has always been a source of rich scholarship and theological reflection - but what does it mean for the church's ongoing mission in the world? Beale and Kim build a bridge from the world of biblical theology to our modern-day life. They help us to see clearly that the themes of Eden, the temple, God's glorious presence, new creation, and the mission of the church are ultimately facets of the same reality. Hence, from Eden to the New Jerusalem, God's people are his temple on the earth, the first-fruits of the new creation. God has always desired to dwell among us; now the church needs to follow its calling to extend the borders of God's kingdom and take his presence to the ends of the earth.

**The Temple and the Tabernacle** InterVarsity Press

G. K. Beale's monumental New International Greek Testament Commentary volume on Revelation has been highly praised since its publication in 1999. This shorter commentary distills the superb grammatical analysis and exegesis from that tome (over 1,300 pages) into a book more accessible and pertinent to preachers, students, and general Christian readers. As in the original commentary, Beale views Revelation as an integrated whole, as a conscious continuation of the Old Testament prophetic books, and shows that recognizing Revelation's nearly constant use of Old Testament allusions is key to unlocking its meaning. Interspersed throughout the volume are more than sixty sets of "Suggestions for Reflection" to help readers better grasp the relevance of Revelation to their lives and our world today.
