Ways of the World: A Brief Global History with Sources
Bedford/St. Martin's

The source for world history - narrative and primary sources in one book Ways of the World is one of the most successful and innovative new textbooks for world history in recent years. This 2-in-1 textbook and reader includes a brief-by-design narrative that is truly global and focuses on significant historical trends, themes, and developments in world history. Author Robert W. Strayer, a pioneer in the world history movement with years of classroom experience, provides a thoughtful and insightful synthesis that helps students see the big picture. Following each chapter's narrative are collections of primary written and visual sources organized around a particular theme, issue, or question so that students can consider the evidence the way historians do. The second edition rolls out Bedford/St. Martin's new digital history tools, including LearningCurve, an adaptive quizzing engine that garners over a 90% student satisfaction rate, and LaunchPad, the all new interactive e-book and course space that puts high quality easy-to-use assessment at your fingertips. Easy to integrate into your campus LMS, and featuring video, additional primary sources, a wealth of adaptive and summative quizzing, and more, LaunchPad cements student understanding of the text while helping them make progress toward learning

outcomes. It's the best content joined up with the best technology. Also available in number of affordable print and digital editions, including an edition without sources.

[Ways of the World with Sources for AP* with LaunchPad & e-Book 2e \(6-YR Access Card\)](#) Bedford/St. Martin's

Ways of the World is one of the most successful and innovative textbooks for world history. This 2-in-1 textbook and reader includes a brief-by-design narrative that focuses on significant historical developments and broad themes in world history. With keen consideration of the needs of their student audience, authors Robert W. Strayer and Eric W. Nelson provide an insightful, big picture synthesis that helps students discern what matters most in world history--patterns and variations on both global and regional levels and continuity and change over time. With the same personal touch, the authors guide students to consider primary and secondary source evidence the way historians do. Available for free when packaged with the print book, the popular digital assignment options for this text bring skill building and assessment to a highly effective level. The active learning options come in LaunchPad, which combines an accessible e-book with LearningCurve, an adaptive and automatically graded learning tool that--when assigned--helps ensure students read the book; the complete companion reader with Thinking through Sources digital exercises that help students build arguments from those sources; and many other study and assessment tools. For instructors who want the easiest

and most affordable way to ensure students come to class prepared, Achieve Read & Practice pairs LearningCurve adaptive quizzing and our mobile, accessible Value Edition e-book, in one easy-to-use product.

WAYS OF THE WORLD, COMBINED VERSION (VOLUMES I & II)

W H Freeman & Company

Ways of the World offers a genuine alternative for world history survey courses. Designed from the beginning as a brief text, Ways of the World focuses on the "big picture" of significant historical developments and is thoroughly global in its thematic and comparative approach. The accessible voice of a single author, with long experience in the classroom and in the world history movement, delivers to students an insightful new synthesis, thought-provoking questions, and chapter ending sections that invite reflection on the meaning of world history. Available in full color and in combined and split volumes, Ways of the World makes the whole world teachable.

WAYS OF THE WORLD

Bedford Books

Ways of the World is one of the most successful and innovative textbooks for world history. The brief-by-design narrative is truly global and focuses on significant historical trends, themes, and developments in world history. Authors Robert W. Strayer, a pioneer in the world history movement with years of classroom experience, along with new co-author Eric W. Nelson, a popular and skilled teacher, provide a thoughtful and insightful synthesis that helps students see the big picture while teaching students to consider the evidence the way historians do.

Ways of the World: A Brief Global History Macmillan Higher Education

If you plan to begin your course at 1200 C.E., we have a Ways of the World for you! This brand new brief edition combines the thorough examination of significant historical trends, themes, and developments that Strayer/Nelson is known for, but opens with an entirely new "Part One" written specifically for this new course. By first setting the stage of world history at 1200 C.E.,

Strayer and Nelson provide a thoughtful and insightful commentary that helps students see the big picture of the 1200 start date and models historical thinking and writing throughout. Like the complete fourth edition, this briefer volume is even more focused on the needs of AP® students, with AP® Skills Workshops, DBQ-aligned Working with Evidence features, and more opportunities for students to hone their AP® skills and practice for the exam. Whether you move to a 1200 start date or continue to teach the full course, we have the market-leading book for you!

Ways of the World: A Brief Global History Macmillan Higher Education

Ways of the World is the textbook preferred by AP World History teachers and students across North America. Like the AP course it supports, Ways of the World focuses on significant historical trends, themes, and developments in world history. Author Robert W. Strayer provides a thoughtful and insightful synthesis that helps students see the big picture. Each chapter then culminates with collections of primary sources (written and visual) organized around a particular theme, issue, or question, thus allowing students to consider the evidence the way historians do. This second edition includes materials and supplements written specifically for the AP course, including an AP Skills Primer and AP Chapter Wrap-Ups, an Annotated Teacher's Edition, and more.

Nelson, a popular and skilled teacher, provide a thoughtful and insightful synthesis that helps students see the big picture while teaching students to consider the evidence the way historians do.

Ways of the World with Sources, Volume 1 Routledge

Taking the Soviet collapse - the most cataclysmic event of the recent past - as a case study, this text engages students in the exercise of historical analysis, interpretation and explanation. In exploring the question posed by the title, the author introduces and applies such organizing concepts as great power conflict, imperial decline, revolution, ethnic conflict, colonialism, economic development, totalitarian ideology, and transition to democracy in a most accessible way. Questions and controversies, and extracts from documentary and literary sources, anchor the text at key points. This book is intended for use in history and political science courses on the Soviet Union or more generally on the 20th century.

Strayer's Ways of the World + Activities Bundle Bedford/St.

Martin's

Kaplan's, 5-Steps, Crash Course and other review books are great resources for the last month before the exam, but the Tamm's Textbook Tools series of student activity books are an accompaniment all year long. This AP* World History companion is filled with vocab, activities and assignments that follow the Strayer & Nelson Third Edition of Ways of the World for all 23 chapters. The activities in this workbook can be used as regular weekly assignments or reviews. They can be used on short notice if there is a sub, or be assigned as regular homework. All you need is the textbook. Teachers can copy at will, or use the book as a student consumable. As publishers began putting their content online, a niche for traditional classwork was opened, a void filled by this series. And whether the textbook itself is written in ink or electrons, many students still find it more valuable to write and keep notes for themselves on paper, and portfolios still matter. The activities in this workbook challenge students to apply the concepts, give examples, and diagram every chapter. Find TTT on FB.

Relevant Daily Assignments Tailor-Made for the Strayer Text
Bedford/St. Martin's

Designed as a companion reader to accompany *Ways of the World*, each chapter of *Thinking through Sources for Ways of the World* contains a Thinking through Sources project of six to eight carefully selected written and visual primary sources organized around a particular theme, issue, or question. Each of these projects is followed by a related Historians' Viewpoints secondary source feature, which pairs two brief excerpts from historians who comment on some aspect of the topics covered in the primary sources. Each source feature is accompanied by incisive questions to guide students' skillful examination of the sources. Headnotes and questions to consider before each document help

students approach the documents, and essay questions at the end of each chapter provide a starting point for classroom discussion or a written assignment. *Thinking through Sources for Ways of the World* is FREE when packaged with *Ways of the World*, and is included for FREE with *ACHIEVE: Read and Practice*, and in the LaunchPad for *Ways of the World*. In LaunchPad, innovative auto-graded exercises accompanying the Thinking through Sources projects supply a distinctive and sophisticated pedagogy that not only help students understand the sources but think critically about them. *Thinking through Sources for Ways of the World* is also available to customize through Bedford Select.
