ARIANA LAWRENCE

The Power of More Hussies & Harpies Press

Of all winter sports, none is so widely watched and commented upon by the media as figure skating, which is often considered the Winter Olympics' centerpiece. This critical text examines the ways in which media attention has gradually altered and affected the sport, from the early appearances of Sonja Henie, to skating's gradual audience growth via television, and to the ramifications of the scandals in the 1994 and 2002 Olympics. The topic is illuminated by more than 30 interviews with commentators, skaters, producers, directors and others. In addition to numerous photos, illustrations show the compulsory figures for which "figure skating" got its name, as well as a sample of the charted-out "camera blocking" for TV directors. Appendices include collected anecdotes from early broadcasting experiences; a profile of broadcaster Jim McKay; and commentary from Carol Heiss on her 1961 musical Snow White and the Three Stooges.

TESSA AND SCOTT

Capstone

Like the body, the brain needs exercise. And Dr Ryuta Kawashima, world-renowned professor of neuroscience and the expert behind the bestselling computer game Dr Kawashima's Brain Training, will give you the tools to make your brain work better.Follow his advanced programme of carefully chosen, yet deceptively simple activities. Each day you fill in a worksheet of exercises and with weekly self-tests and a personal logbook you can track your progress. Taking just a few minutes a day over two months, you really can boost your brainpower and creativity, and change your life!

Cinderella's Secret Diary (Book 1 Grand Central Publishing

Pair skaters Courtney and Mark have one shot left at their Olympic dream. They vow not to let anything get in their way, especially not Josh and Stephanie, the wealthy and talented brother and sister team. The heart doesn't always listen to reason, though. The more time Courtney spends with sweet, shy Josh, the harder she falls for him. But they are on opposite sides of the competition, and their futures are headed in opposite directions. Will their friendship blossom into more or are their paths too different to cross?

Penwyck Publishing LLC

"Rest is such a valuable book. If work is our national religion, Pang is the philosopher reintegrating our bifurcated selves."---Arianna Huffington, New York Times Book Review Overwork is the new normal. Rest is something to do when the important things are done—but they are never done. Looking at different forms of rest, from sleep to vacation, Silicon Valley futurist and business consultant Alex Soojung-Kim Pang dispels the myth that the harder we work the better the outcome. He combines rigorous scientific research with a rich array of examples of writers, painters, and thinkers—from Darwin to Stephen King—to challenge our tendency to see work and relaxation as antithetical. "Deliberate rest," as Pang calls it, is the true key to productivity, and will give us more energy, sharper ideas, and a better life. Rest offers a roadmap to rediscovering the importance of rest in our lives, and a convincing argument that we need to relax more if we actually want to get more done.

Crossing the Ice University-Press.org

Figure skating icon and U.S. National Champion Karen Chen tells the amazing story of her rise to the top, featuring never-before-seen photos and behind-the-scenes details from her journey on and off the ice! At seventeen years old, Karen Chen has already achieved what some girls only dream of—and yet it's only the beginning for this incredibly talented athlete. The daughter of Taiwanese immigrants, Karen began to figure skate at just five years old. Ten years and many grueling training sessions later, she broke out at the 2015 US Championships with a bronze medal. This was

after sustaining a nearly career-ending ankle fracture a year earlier. In 2017, Karen became the US National Champion, winning gold in two programs and receiving the highest score ever recorded for the short program at the US National level. Now for the first time, Karen shares the story of how she got where she is today—and where she's going next. Karen has already overcome astounding obstacles, and her grit, determination, and positive attitude have made her future truly limitless. In *Finding the Edge*, she shares, in her own words, what it's like to be Karen Chen—and what it takes to achieve the impossible. Features a foreword from Kristi Yamaguchi, the Olympic champion, two-time World champion, and U.S. champion.

My Skating Life Carina Press

A purely instrumental composition, both hopeful and romantic in mood, Mahler's seventh symphony possesses a harmonic and stylistic structure reminiscent of the journey from dusk till dawn. Miniature score study edition.

Alexandra Trusova. the Girl Who Fights Gravity HarperCollins

There's more to ice dancing than beautiful costumes, awesome music, and the ability to skate.

Learn the rules of the sport as well as the steps it takes to become an unstoppable athlete on ice.

Olympic Figure Skaters of Canada Graywolf Press

Few athletes in any sport have captured our imagination like Tiger Woods. His endless supply of highlight-reel shots and consistent domination of professional golf leave many of us wondering how he does it. Natural talent and a healthy killer instinct are merely the tip of the iceberg for what makes the world's greatest athlete tick. Tiger's unique personality attributes and competitive disposition set him apart from the pack. He is committed to something beyond merely winning; he's committed to the pursuit of personal excellence, and he loves all aspects of it. To truly appreciate and benefit from Tiger's example, look beyond the towering drives and fist-pumping clutch putts: *How Tiger Does It* goes deeper than any other volume on Tiger to unearth his personality and behavior attributes, showing you how to apply them to your own life. After reading

this book, you will be able to Adopt a relaxed, fearless approach to competition so you can enter the zone at will Achieve peak performance and avoid choking in pressure-filled competitive situations Create life circumstances that promote complete focus, efficient time management, and optimum stress/rest balance Make work feel like play to realize the highest expression of your talents Achieve physical, mental, and emotional balance, maintaining a healthy perspective and positive attitude--win or lose You'll learn to model Tiger through three success factors--focus, a work-play ethic, and a balanced approach--in the process banishing self-limiting beliefs, balancing killer instinct with a fearless competitive disposition, and objectively evaluating your own performance, regardless of your chosen endeavor. Golfers and nongolfers alike will enjoy an entertaining blend of Tiger anecdotes from his peers on the PGA Tour and respected observers in the media, pointed insights from a rare author who brings a world-class athletic background to his prose, and instructions on putting everything together to create your own success plan.

HOW TIGER DOES IT

Greystone Books

Travel on a wonderful journey with skating author, figure skating competitor, skating coach, and skating parent, Jo Ann Schneider Farris. Learn everything and anything about skating as you travel through Jo Ann's skating life. Tessa and Scott Balboa Press

Beautifully crafted essays to help you glide effortlessly to a deeper understanding of the mysterious world of figure skating.

A STUDY IN CHARLOTTE

ECW Press

Go for the win! Achieve excellence and be better than you've ever been! In his years as a professional ice-skater, Olympic Gold Medalist Scott Hamilton learned to embrace the mind-set of working hard to "beat" the competition. But it seems competition has gotten a bad rap these days. We've bought into the belief that it is unfair to participants to rank performance. Yet competition is in fact a good thing because it's about working toward excellence. Finish First is a wake-up call for business leaders, entrepreneurs, spouses, parents, and even students to stop settling for mediocre

and begin to revitalize their intrinsic will to achieve excellence and go for the win. Most of us feel we were made for something more, but we're often afraid to allow ourselves to be competitive because we think our finishing first might somehow rob others of their chance to shine. This book encourages the hidden potential, the champion within all of us, to come out—which eventually brings our family, marriage, career, business, and the world around us the greatest possible good.

THE NEVER-ENDING PRESENT

Avian30

This is the first book in the Cinderella's Secret Witch Diaries series. Lost will captivate readers who love New Adult fiction filled with fantasy and magic. The Cinderella's Secret Witch Diaries series is a perfect match for fans who have read Stephenie Meyer's Twilight series or Philip Pullman's His Dark Materials trilogy. Everyone knows the fairy tale of Cinderella and the glass slipper, but what happened to her after she married the Prince? Set in the late 1700s as Napoleon is rising to power, Cinderella embarks on a journey of self-discovery as she tries to come to terms with her new life. Her journey leads her to find her long lost Fairy Godmother and aids her to solve the mystery behind her mother's death. Yet the Fey Lord, the Silver Fox, and the witch Ren☛ also take notice in her and suddenly her world is turned upside down . . . Find out if Cinderella does find her happily ever after in Lost, the dark and intriguing first book in the Cinderella's Secret Witch Diaries series! *My Sergei* Avian30

A quote collection of both soul and life, logic and magic.

Kudo Kids: The Mystery of the Masked Medalist House of Anansi

A brilliant and exhilarating sequence of aphorisms from one of our greatest essayists There will come a time when people decide you've had enough of your grief, and they'll try to take it away from you. Bad art is from no one to no one. Am I happy? Damned if I know, but give me a few minutes and I'll tell you whether you are. Thank heaven I don't have my friends' problems. But sometimes I notice an expression on one of their faces that I recognize as secret gratitude. I read sad stories to inoculate myself against grief. I watch action movies to identify with the quick-witted heroes. Both the same fantasy: I'll escape the worst of it. —from 300 Arguments A "Proustian minimalist on the order of Lydia Davis" (Kirkus Reviews), Sarah Manguso is one of the finest literary artists at work today. To read her work is to witness acrobatic acts of compression in the service of extraordinary psychological and spiritual insight. 300 Arguments, a foray into the frontier of contemporary nonfiction writing, is at first glance a group of unrelated aphorisms. But, as in the work of David Markson, the pieces reveal themselves as a masterful arrangement that steadily gathers power. Manguso's arguments about desire, ambition, relationships, and failure are pithy, unsentimental, and defiant, and they add up to an unexpected and renegade wisdom literature.

FIGURE AND FANCY SKATING

Penguin Books

Figure skating is an incredibly beautiful and at the same time incredibly competitive sport. Every year tens of thousands of kids come to sports sections but only few of them reach the top.What is the path that a young figure skater and their parents have to go? How do kids from small towns get into the capital sport clubs? What is there behind the victories in international competitions? What does success depend on - working with distinguished coaches or the character itself? What is the price of medals?This is a true story of Alexandra Trusova. The girl who has made her way from the children's figure skating section to the podiums of the European and World Championships. The strongest figure skater in the world with an incredibly complex set of Ultra C elements. The figure skater who opened a new era of quadruple jumps in women's single skating.Here you will learn everything about modern figure skating seen through the eyes of Alexandra's parents, her coaches and the athlete herself. You'll learn about the way up and everything that is usually behind the scenes of this truly ultra-competitive sport."Character, obstinacy, hard work... You can't even count the times the author of the book uses these words. And that is because no other words can describe Sasha better - the girl who changed the world of figure skating forever. And us as well. I'd really like this book to be read not only by Sasha's fans but by as many boys and girls as possible, because Sasha's example proves that if you really want to, you can achieve anything. The main condition is to work hard. And first of all, to work on yourself".Maria Komandnaya, TV presenter, sports journalist.

Olympic Conquest

Schwartz & Wade

For fans of Emma Lord and Abbi Glines, Jennifer Iacopelli's swoony, romantic new novel follows elite ice dancer Adriana Russo as she finds herself drawn to both her old dance partner and her new one. Adriana Russo is figure skating royalty. With gold-medalist parents, and her older sister headed to the Olympics, all she wants is to live up to the family name and stand atop the ice dance podium at the Junior World Championships. But fame doesn't always mean fortune, and their legendary skating rink is struggling under the weight of her dad's lavish lifestyle. The only thing keeping it afloat is a deal to host the rest of the Junior Worlds team before they leave for France. That means training on the same ice as her first crush, Freddie, the partner she left when her growth spurt outpaced his. For the past two years, he's barely acknowledged her existence, and she can't even blame him for it. When the family's finances take another unexpected hit, losing the rink seems inevitable until her partner, Brayden, suggests they let the world believe what many have suspected: that their intense chemistry isn't contained to the ice. Fans and sponsors alike take the bait, but keeping up the charade is harder than she ever imagined. And training alongside Freddie makes it worse, especially when pretending with Brayden starts to feel very real. As the biggest competition of her life draws closer and her family's legacy hangs in the balance, Adriana is caught between her past and present, between the golden future she's worked so hard for, and the one she gave up long ago.

THE SINGLES GAME

Courier Corporation

As seen on W Network Tessa Virtue and Scott Moir dazzled the world when they became the first Canadians -- and first North Americans -- to win an Olympic gold medal in ice dancing in 2010. Now, for the first time ever, they share their incredible and inspiring story with the world. Tessa and Scott: Our Journey from Childhood Dream to Gold tracks the pair's first meeting at the ages of seven and nine; their early competitions at the World Junior Championship and World Championships; and their incredible history-making, gold-medal performance at the 2010 Winter Olympics in Vancouver, which established them as icons of the sport. Lavishly illustrated with never-before-published personal photographs and memorabilia collected over the course of their lives, this book is as much a spectacular visual history as it is a behind-the-scenes look at the ascent of two of Canada's premier athletes. This is a must-have for fans and collectors alike.

Sequins and Scandals

Penguin

From two-time Olympic bronze medalists Maia and Alex Shibutani comes a fun-filled, fast-paced middle-grade mystery set at the Tokyo Olympics. Andy and Mika are going to Tokyo! The Kudo Kids have never been to Japan before, so they can't believe they get to attend the Summer Olympics there. The siblings plan to eat tons of delicious Japanese food, watch every event they can, and win a super-popular new game called OlympiFan. Developed by a mysterious former medalist, OlympiFan brings players together from all over the world to search Tokyo for virtual medals and clues to the creator's identity. Andy loves puzzles, and he's determined to crack this one, especially since the winning team will get to be beta testers for the Masked Medalist's future games! Mika wants to find as many clues as she can, but she also has a secret goal of her own--one that could get her into big trouble. But when someone sabotages the game, the Kudo Kids have an even bigger mystery to solve than the Masked Medalist's identity. If they want to capture the gold, Mika and Andy have to figure out who's trying to stop their team before someone beats them to the grand prize!

Triumph on Ice

Greystone Books Ltd

This match is no game. When a rogue wave strips Tess Dunn of her bikini top, desperate, half-naked times call for desperate, please-cover-me-kids-are-coming-closer measures. Enter Lucas Karlsson, AKA that flirty Swede in the water nearby. When he prevents her bare buoys from being exposed to fellow vacationers, even an ocean can't drown the sparks that fly. Lucas, a former top-level tennis pro now giving lessons at the resort, fled there after the abrupt, painful end to his injury-plagued career. But he's finally ready to move on with his life--and after a few late-night, hands-on sessions with Tess, he's eager to prove he's the ace she wants. But this match comes with challenges: She's forty, and at twenty-six, he's barely old enough to rent a car. Worse, they only have two weeks together before Tess returns to her assistant-principal life in Virginia. During that brief time, they'll have to play hard, take a few risks, and find out whether their chemistry is a one-shot wonder...or whether they're meant to be doubles partners for life.
