This book is a study companion written in plain English, which explains the things that you need to know to be successful in learning Portuguese. No prior grammatical knowledge is assumed, and technical terms are explained clearly and progressively. Exercises are provided to help you consolidate what you have learned and build your Portuguese vocabulary. Although the main focus is on European Portuguese, Brazilian alternatives are also given. Among the many things covered in this book: How do you pronounce words in Portuguese? What do all those funny little squiggles mean? What exactly are verbs, adjectives, prepositions, and pronouns? How do you know when to use 'ser' and when to use 'estar'? How do you use the personal infinitive? How does the subjunctive work? If you don't know your diacritic from your diphthong, you've come to the right place!

Brazilian Portuguese made easy--and fun! The Everything Learning Brazilian Portuguese Book makes Brazilian Portuguese a breeze to learn! Author Fernanda L. Ferreira, Ph.D., provides you with step-by-step instruction in vocabulary, grammar, and pronunciation. Learn how to: Understand Portuguese grammar Improve pronunciation Ask questions in Portuguese Have basic conversations when traveling, dining out, conducting business, and shopping Packed with dialogue examples, self-tests, and English-to-Portuguese and Portuguese-to-English dictionaries, The Everything Learning Brazilian Portuguese Book will have you speaking--and understanding--Portuguese in no time.

Let's Learn Portuguese University of Texas Press

Spanish speakers can learn Brazilian Portuguese much more rapidly than any other language, and thousands of students have used Ant\u00f4nio Sim\u00f5es's text/workbook Com licen\u00e7a: Brazilian Portuguese for Spanish Speakers to make the transition between the two languages. Recognizing the need for a text that incorporates current cultural references and the latest language pedagogy, Sim\u00f5es now offers Pois n\u00e3o: Brazilian Portuguese Course for Spanish Speakers, with Basic Reference Grammar. Pois n\u00e3o contrasts Portuguese and Spanish, which accomplishes two main goals. It teaches the equivalent of one year of college Portuguese in one semester, three times a week, to Spanish speakers who also have a solid understanding of English. Additionally, the book serves as a basic reference guide to Brazilian Portuguese for the same audience. Pois n\u00e3o can be used by students in the classroom or by independent learners. Users of the book may focus on the drills alone, concentrate on both the explanations and drills, or use the book as a reference for consultation only. Answers to all of the exercises are included in the book. A CD containing recordings by native Brazilian speakers of dialogues that appear in the book is included.

Learn Portuguese In 21 DAYS! In this book you will find 21 highly-informative chapters on the fundamentals of Portuguese grammar and communication. Each chapter is designed to provide self-learners a complete yet compact learning material that will help them speak the language with ease in a very short time. It addresses the needs of travellers, students, entrepreneurs, and professionals for a grammar reference and phrase book in one resource. Each chapter features tables, charts, and relevant examples to make learning the Portuguese language an interesting and enjoyable experience. The first 8 chapters deal with the basic things every speaker should know: the alphabet, pronunciation, numbers, months and days, seasons, telling time and date, colors, and basic survival phrases for getting around in a Portuguese-speaking country. The succeeding chapters deal with the essential aspects of grammar including sentence construction and the different parts of speech. The book winds up with a chapter on key travel phrases and a final chapter of vocabulary listings for daily conversations. Language learners will find this book an invaluable reference for learning the European and the Brazilian branches of the Portuguese language. Here is what you will find inside: The Basics Of The German Language The Portuguese Alphabet Pronunciation Guide Greetings and Basic Phrases Portuguese Numbers Months, Days, and Seasons Time and Date Colors In Portuguese Word Order Capitalization And Punctuation Articles Nouns And Pronouns Adjectives Verbs, Adverbs

And Prepositions Useful Phrases Vocabulary And Much, Much More... Get Your Copy Right Now!

Let's Learn Portuguese Dorling Kindersley Ltd

The Way of The Linguist, A language learning odyssey. It is now a cliché that the world is a smaller place. We think nothing of jumping on a plane to travel to another country or continent. The most exotic locations are now destinations for mass tourism. Small business people are dealing across frontiers and language barriers like never before. The Internet brings different languages and cultures to our finger-tips. English, the hybrid language of an island at the western extremity of Europe seems to have an unrivalled position as an international medium of communication. But historically periods of cultural and economic domination have never lasted forever. Do we not lose something by relying on the wide spread use of English rather than discovering other languages and cultures? As citizens of this shrunken world, would we not be better off if we were able to speak a few languages other than our own? The answer is obviously yes. Certainly Steve Kaufmann thinks so, and in his busy life as a diplomat and businessman he managed to learn to speak nine languages fluently and observe first hand some of the dominant cultures of Europe and Asia. Why do not more people do the same? In his book The Way of The Linguist, A language learning odyssey, Steve offers some answers. Steve feels anyone can learn a language if they want to. He points out some of the obstacles that hold people back. Drawing on his adventures in Europe and Asia, as a student and businessman, he describes the rewards that come from knowing languages. He relates his evolution as a language learner, abroad and back in his native Canada and explains the kind of attitude that will enable others to achieve second language fluency. Many people have taken on the challenge of language learning but have been frustrated by their lack of success. This book offers detailed advice on the kind of study practices that will achieve language breakthroughs. Steve has developed a language learning system available online at: www.thelinguist.com.

Let's Learn Portuguese Createspace Independent Publishing Platform

Learn French In 21 DAYS! At the start of this book you will find tips on how to learn French quickly. You will also get to understand the French culture, and differences between English and French. Furthermore, you can get started with the French alphabet and practice your pronunciation. In the next part of the book, you will be able to memorize the numbers in French and learn how to say the date and time. You will also learn and memorize the most common French words and phrases. The next several chapters go even deeper into the French language, namely gender and articles, nouns and pronouns, adjectives and adverbs, and how to form demonstratives, possessives, interrogatives, and negations. Finally, you will immerse yourself in the prepositions, verbs, tenses, and imperatives of the French language. You will also encounter common travel and business phrases that you can use in everyday life. The book Learn French In 21 DAYS! is concise and incredibly useful for those who want to learn French quickly and efficiently. You can study each chapter together with an efficient learner's dictionary and just about any other online French language learning application. Here is what you will find inside: The Dash Diet Granola Pumpkin Pancakes How To Learn French FAST The French Culture The Differences Between English And French French Alphabet and Pronunciation Numbers, Dates, And Time Greetings and Other Useful Day to Day Phrases Gender and Articles Nouns and Pronouns Adjectives and Adverbs Demonstratives Possessives Interrogatives Negation Prepositions Comparisons Verbs Present Tense Future Tense Past Tense Imperatives French Travel and Business Words BONUS Exercise After Each Chapter And Much, Much More...
