### **LOG OF THE S.S. THE MRS. UNGUENTINE**

Heyday

Kerrelyn Sparks introduces readers to a demon world that is curiously parallel to the human world. There are vampire cable channels that feature talks shows, soap operas and a celebrity magazine called Live! With the Undead. But as a human female crosses boundaries into this new reality, the results can be dangerous and hilarious ... And, for a limited time with this FREE ebook, get an exclusive sneak peek at Kerrelyn's forthcoming novel, Vampire Mine, available March 29th.

**From Scratch** Heyday Books

A delightfully absurd blend of crime, comedy, and social commentary: "A wild novel of black humor . . . Wonderful" (The

New York Times). Meet Gascoyne, a man who spends whole weeks in his car, eating, sleeping, and conducting his business via mobile phone. Gascoyne has found a new preoccupation—hunting down the killer of his business associate (last seen slithering away from the crime scene in a tree-sloth costume), and finding out how the southern California megalopolis has suddenly, despite all his power and prestige, slipped out of his grasp. "A mix of Sam Spade played by Inspector Clouseau plus Howard Hughes played by Dr. Strangelove—or all of them played by Bill Murray. In 1966 Gascoyne does what everybody does now: spends most of his time in his car talking on the phone . . . Our least-known great comic novel, a novel as prophetic as it is hilarious." —The Austin Chronicle  
*How To Marry a Millionaire Vampire with Bonus Material* UNM Press

From "Putting Things Away" to "The Marriage Almanac" (not to mention the pedantic "Index," in itself a comic wonder), Stanley Crawford gives the married, the unmarried, and the formerly

married a classic satire on all the sanctimonious marriage manuals ever produced. Starting with the complete title, *Some Instructions to My Wife Concerning the Upkeep of the House and Marriage, and to My Son and Daughter Concerning the Conduct of Their Childhood*, a boorish narrator sets down some seventy-three pieces of advice to his wife, young son, and two-year-old daughter, intended to foster and maintain domestic tranquility in an age of anxiety. Taken literally, our neo-Victorian head of the house is a male chauvinist pig of sorts, but what reader would deny that the sources of Crawford's satire run deep in the American grain?

### VOICE OF THE VIOLIN

Harper Perennial

Soon to be a limited Netflix series starring Zoe Saldana! This Reese Witherspoon Book Club Pick and New York Times bestseller is “a captivating story of love lost and found” (Kirkus Reviews) set in the lush Sicilian countryside, where one woman discovers the healing powers of food, family, and unexpected grace in her darkest hours. It was love at first sight when actress Tembi met professional chef, Saro, on a street in Florence. There was just one problem: Saro’s traditional Sicilian family did not approve of his marrying a black American woman. However, the couple, heartbroken but undeterred, forged on. They built a happy life in Los Angeles, with fulfilling careers, deep friendships, and the love of their lives: a baby girl they adopted at birth. Eventually, they reconciled with Saro’s family just as he faced a formidable cancer that would consume all their dreams. *From Scratch* chronicles three summers Tembi spends in Sicily with her daughter, Zoela,

as she begins to piece together a life without her husband in his tiny hometown hamlet of farmers. Where once Tembi was estranged from Saro’s family, now she finds solace and nourishment—literally and spiritually—at her mother-in-law’s table. In the Sicilian countryside, she discovers the healing gifts of simple fresh food, the embrace of a close knit community, and timeless traditions and wisdom that light a path forward. All along the way she reflects on her and Saro’s romance—an incredible love story that leaps off the pages. In Sicily, it is said that every story begins with a marriage or a death—in Tembi Locke’s case, it is both. “Locke’s raw and heartfelt memoir will uplift readers suffering from the loss of their own loved ones” (Publishers Weekly), but her story is also about love, finding a home, and chasing flavor as an act of remembrance. *From Scratch* is for anyone who has dared to reach for big love, fought for what mattered most, and those who needed a powerful reminder that life is...delicious.

### Strange Practice Abrams

'A tremendous novel that combines powerfully moving moments with hilarious satire' Daily Mail 'Eva Thorvald is the new Olive Kitteridge' Elisabeth Egan 'Kitchens of the Great Midwest is terrific' Jane Smiley, Guardian Have you met Eva Thorvald? To her father, a chef, she's a pint-sized recipe tester and the love of his life. To the chilli chowdown contestants of Cook County, Illinois, she's a fire-eating demon. To the fashionable foodie goddess of supper clubs, she's a wanton threat. She's an enigma, a secret ingredient that no one can figure out. Someday, Eva will surprise everyone. One by one, they tell their story; together, they tell Eva's. Joyful, quirky and heartwarming, this is a novel about the

family you lose, the friends you make and the chance connections that make a life. On the day before her eleventh birthday, she's cultivating chilli peppers in her wardrobe like a pro. Abandoned by her mother, gangly and poor, Eva arms herself with the weapons of her unknown heritage: a kick-ass palate and a passion bordering on obsession. Over the years, her tastes grow, and so do her ambitions. One day Eva will be the greatest chef in the world. But along the way, the people she meets will shape her - and she, them - in ways unforgettable, riotous and profound. So she - for one - knows exactly who she is by the time her mother returns. Special paperback edition with questions for reading groups, interview, guide to the Midwest, recipes and more!

At long last, Sarah Britton, called the "queen bee of the health blogs" by Bon Appétit, reveals 100 gorgeous, all-new plant-based recipes in her debut cookbook, inspired by her wildly popular blog. Every month, half a million readers—vegetarians, vegans, paleo followers, and gluten-free gourmets alike—flock to Sarah's adaptable and accessible recipes that make powerfully healthy ingredients simply irresistible. My New Roots is the ultimate guide to revitalizing one's health and palate, one delicious recipe at a time: no fad diets or gimmicks here. Whether readers are newcomers to natural foods or are already devotees, they will

discover how easy it is to eat healthfully and happily when whole foods and plants are at the center of every plate.

### **MAYORDOMO**

RiverRun

With over 200 authentic recipes, including 20 new recipes, for local specialties such as creme de noix and the famous cassoulets, Goose Fat & Garlic presents the entire repertoire of dishes from South-West France. Strang takes us chapter-by-chapter through regional delicacies, starting with the basic soup and continuing through to the various meats, fruits, desserts and wines. 'Rich with anecdotes, legends, the stuff of real daily life in South-West France, Goose Fat & Garlic is the kind of book you'll carry right into the kitchen, focusing your energies on meaty daubes, hearty country soups, simple salads dressed with rich, local walnut oil. As you turn the pages you can almost smell the potatoes cooking away with the garlic and parsley, and hear the sizzle of the fire as the leg of lamb turns on the spit. Culling recipes from the baker's wife, the cafe owner, anyone who would listen, Jeanne Strang has produced a book with a ring of authenticity; a must for all cooks with a sense of curiosity and a dose of ambition.' Patricia Wells.

### **MASTERING THE ART OF FRENCH COOKING, VOLUME 1**

Clarkson Potter

Scotty's family owns a lodge near their silver mine in the Colorado Rockies. Summers at the lodge are idyllic for Scotty and his cousin Mickey. The grown-ups are dealing with the complications of business and adult dysfunction, but the boys are

more interested in the complications of puberty, especially when Rosalind, the teenage daughter of family friends, is on hand. To read this quiet, rich evocation of adolescent watchfulness is to experience what it is like to be fourteen years old, waiting for something to happen, aware of everything but oblivious to as much of it as possible. Readers will be reminded of such modern masters as William Maxwell and John Updike.

**My New Roots** Northwestern University Press

From lauded cheesemonger and creator of the popular blog *Cheese Sex Death*, a bible for everything you need to know about cheese. For many people, the world of artisan cheese is an intriguing but intimidating place. There are so many strange smells, unusual textures, exotic names, and rules for serving. Where should a neophyte begin? From evangelist cheesemonger Erika Kubick, this comprehensive book guides readers to become confident connoisseurs and worshippers of Cheesus. A preacher of the curd word, Kubick provides the Ten Commandments of Cheese, which breaks down this complex world into simplified bites. A welcoming sanctuary devoted to making cheese a daily part of life and gatherings, this book explores the many different styles of cheese by type, profiling commonly found and affordable wedges as well as the more rare and refined of rinds. Kubick offers divine recipes that cover everything from everyday crowd pleasers (think mac and cheese and baked brie) to festive feasts fit for holidays and gatherings. This cheese devotee outlines the perfect cheese plate formula and offers inventive yet easy-to-execute beverage pairings, including wine, beer, spirits, and non-alcoholic drinks. These heavenly spreads and recipes wring maximum indulgence out of minimal effort and expense.

Filled with seductive photography and audacious prose, *Cheese Sex Death* is a delightfully approachable guide to artisan cheese that will make just about anyone worship at the altar of Cheesus.

## THE GARLIC PAPERS

Ballantine Books

“You either love Andrea Camilleri or you haven’t read him yet. Each novel in this wholly addictive, entirely magical series, set in Sicily and starring a detective unlike any other in crime fiction, blasts the brain like a shot of pure oxygen. Aglow with local color, packed with flint-dry wit, as fresh and clean as Mediterranean seafood — altogether transporting. Long live Camilleri, and long live Montalbano.” A.J. Finn, #1 New York Times bestselling author of *The Woman in the Window* Inspector Montalbano, praised as “a delightful creation” (USA Today), has been compared to the legendary detectives of Georges Simenon, Dashiell Hammett, and Raymond Chandler. As the fourth mystery in the internationally bestselling series opens, Montalbano’s gruesome discovery of a lovely, naked young woman suffocated in her bed immediately sets him on a search for her killer. Among the suspects are her aging husband, a famous doctor; a shy admirer, now disappeared; an antiques-dealing lover from Bologna; and the victim’s friend Anna, whose charms Montalbano cannot help but appreciate... But it is a mysterious, reclusive violinist who holds the key to the murder.

Village Dalkey Archive Press

Meditations on growing garlic and on the farming way of life.  
*Cheese Sex Death* Abrams

Renowned biblical sleuth and scholar Richard Elliot Friedman

reveals the first work of prose literature in the world—a 3000-year-old epic hidden within the books of the Hebrew Bible. Written by a single, masterful author but obscured by ancient editors and lost for millennia, this brilliant epic of love, deception, war, and redemption is a compelling account of humankind's complex relationship with God. Friedman boldly restores this prose masterpiece—the very heart of the Bible—to the extraordinary form in which it was originally written.

## A16

University of Alabama Press

Sharon Garlough Brown tells the moving story of four strangers as they reluctantly arrive at a retreat center and find themselves drawn out of their separate stories of isolation and struggle and into a collective journey of spiritual practice, mutual support and personal revelation.

*City of Bones* Simon and Schuster

As if convinced that all divination of the future is somehow a re-visioning of the past, Kwame Dawes reminds us of the clairvoyance of haunting. The lyric poems in *City of Bones: A Testament* constitute a restless jeremiad for our times, and Dawes's inimitable voice peoples this collection with multitudes of souls urgently and forcefully singing, shouting, groaning, and dreaming about the African diasporic present and future. As the twentieth collection in the poet's hallmarked career, *City of Bones* reaches a pinnacle, adding another chapter to the grand narrative of invention and discovery cradled in the art of empathy that has defined his prodigious body of work. Dawes's formal mastery is matched only by the precision of his insights into what

is at stake in our lives today. These poems are shot through with music from the drum to reggae to the blues to jazz to gospel, proving that Dawes is the ambassador of words and worlds.

*Goose Fat and Garlic* Simon and Schuster

Road trips through the heart of California to find the roadside stands and the people who do things the old ways

*The Magician's Book* Little, Brown

*Intimacy* is the story of an unnamed narrator ruminating on suicide. He reflects on the origins and significance of his material possessions, and on the seemingly inconsequential moments in his life, while he prepares to carry out his plans. In this melancholy novel about a man on the brink of suicide, Stanley Crawford allows readers to question what it really means to be close to a person. *Intimacy* follows an unnamed narrator planning his own death. His preparations become a trigger and occasion for him to revisit key moments in his life and his material possessions, which are the solid artifacts from his life's journey. As sparrows in flight might form a single arrow, the life of the narrator comes into focus as a collage of fleeting events and images. Readers gain insights into tiny moments that slowly build into a picture of a man who seems to have very little, aside from material possessions, to lose. The narrative pulls the reader along a trail of digressions—about running shoes, about the symbolism of rings—that lead down a proverbial rabbit hole until we realize the narrator's intentions. Despite our lack of concrete knowledge about the narrator's life, he allows us to share his thought processes: how every thought leads to the next, how memories seep upward when he picks up a particular T-shirt, or when he glimpses his car keys. And alongside our growing understanding

of the narrator comes a recognition of our own thought processes: how we, like him, relate to our bodies; how we, too, cannot break away from the constant motion of our thoughts. Intimacy is a brief, intense novel charged with the heightened sense of closeness that comes from watching a man's last hours. It illuminates how brief snapshots of memory can trace the outline of an entire life.

#### Vegan Casseroles Orbit

When it comes to traditional comfort food, most of the key ingredients are off-limits to health-conscious vegans. But giving up shepherd's pie, eggplant parm, and cheesy rice casserole was not an option for Julie Hasson, who took on the challenge to recreate flavors she loved, but without the cheese, eggs, butter, and cholesterol. The results are a mix of retro flavors, such as Nacho Cheesy Sauce and a lighter Cream of Mushroom Soup, and fresh, veggie-forward dishes like Mediterranean Stuffed Cabbage Rolls and Summer Corn Custard. The recipes come together quickly, focus on healthier substitutions without the trans-fats, and are endorsed by some of the toughest critics, Julie's college-aged children and their visiting friends! With recipes like Zucchini Basil Lasagna and Tamale Pie, you're guaranteed to find a casserole you'll love. You can even make your own casserole

creations by pairing any of the super-simple sauces with your favorite veggies and rice or pasta. Of course, desserts are an important cap to any casserole-based meal: satisfy your sweet tooth with dishes like Rustic Bread Pudding. Now: dig in and feel good about it!
