EL ALMA DE LA COMÉTICA

The demands of today's society for greater specialization have brought about a profound transformation in the humanities, which are not immune to the competitive pressure to meet new challenges that are present in other sectors. Thus, lecturers and researchers in modern languages and applied linguistics departments have made great efforts to design syllabi and materials more attuned to the competences and requirements of potential working environments. At the same time, linguists have attempted to apply their expertise in wider areas, creating research institutes that focus on applying language and linguistics in different contexts and offering linguistic services to society as a whole. This book attempts to provide a global view of the multiple voices involved in interdisciplinary research and innovative proposals in teaching specialized languages while offering contributions that attempt to fill the demands of a varied scope of disciplines such as the sciences, professions, or educational settings. The chapters in this book are made up of current research on these themes: discourse analysis in academic and professional genres, specialized translation, lexicology and terminology, and ICT research and teaching of specialized languages.

This 2005 book is a guide to Spanish usage for those who have already acquired the basics of the language and wish to extend their knowledge. Unlike conventional grammars, it focuses on those areas of vocabulary and grammar which cause most difficulty to English speakers. It fully illustrates the differences between the Spanish of Spain and Latin America, and looks in detail at register variation. Complete with a full word index, this clear and easy-to-consult text guides students through the richness and diversity of this major world language. This new edition has been extensively revised and updated to take a fuller account of Latin-American (particularly Mexican) usage. The vocabulary sections have been significantly expanded, and now include examples which contextualize each word or expression. The presentation of many sections has been improved to make reference even easier than before, and some completely new material has been added on semi-technical vocabulary and Anglicisms.

INTERNATIONAL BESTSELLER • Set in eighteenth-century France, the classic novel that provokes a terrifying examination of what happens when one man's indulgence in his greatest passion—his sense of smell—leads to murder. In the slums of eighteenth-century France, the infant Jean-Baptiste Grenouille is born with one sublime gift—an absolute sense of smell. As a boy, he lives to decipher the odors of Paris, and apprentices himself to a prominent perfumer who teaches him the ancient art of mixing precious oils and herbs. But Grenouille's genius is such that he is not satisfied to stop there, and he becomes obsessed with capturing the smells of objects such as brass doorknobs and fresh-cut wood. Then one day he catches a hint of a scent that will drive him on an ever-more-terrifying quest to create the "ultimate perfume"—the scent of a beautiful young virgin. Told

with dazzling narrative brilliance, *Perfume* is a hauntingly powerful tale of murder and sensual depravity. Translated from the German by John E. Woods.

«Reflexiones sobre el sacerdocio bajo sus aspectos teológicos, filosóficos, pastorales, morales y litúrgicos, podría ser un subtítulo de la erudita obra: SACERDOTES PARA SIEMPRE del Padre CARLOS MIGUEL BUELA, Fundador del "Instituto del Verbo Encarnado" para misioneros ad Gentes y de las "Servidoras del Señor y de la Virgen de Matará". Y con decir esto, ya tenemos sobrada presentación para acreditar al autor, como experto en vocaciones sacerdotales y religiosas. Al respetable volumen de la obra, con más de 800 páginas, se agrega la fluidez y calidad de su escritura, constituyendo un arsenal de citas de textos escogidos de la Biblia, los Santos Padres, Mensajes Pontificios y Documentos Conciliares, especialmente de Trento y Vaticano II, síntesis este último Concilio Pastoral, de toda la doctrina católica, compendiada a su vez en el Catecismo de la Iglesia Católica» (Pbro. Victorino Ortego. Tomado del prólogo del libro).

THE SKETCH

Editorial Almuzara

En los últimos años el mercado mundial de la cosmética y la perfumería de lujo han reinventado su manera de dirigirse a un público cada vez más exigente. A través de la propia experiencia personal de la autora, de su conocimiento del sector y de entrevistas a personalidades seleccionadas a nivel nacional e internacional (LVMH, La Prairie, Sisley, Shiseido, By Terry, Carla Bulgaria Roses Beauty; entre otros) la experta Ángeles Sánchez-Cueca hace un riguroso análisis de los factores de éxito de esta industria, que sólo en la Unión Europea mueve 7.100 millones de euros al año y una exportación en torno a los 2.300 millones de euros, y de las claves que determinan que una marca tenga éxito. Destacadas figuras del ámbito de la cosmética y la perfumería consideran que este libro es una iniciativa magnífica en el sector, coincidiendo en afirmar que "les parece algo increíble y alentador, que alguien se haya dado cuenta de lo importante que son los equipos humanos para transmitir la magia del lujo" porque por muy fuerte que sea la imagen de una marca, si detrás no hay un alma que sepa captar, sentir, vivir y transmitir ese mundo; no habría forma de darlo a conocer.
