A Dream of Death NYU
Press

Soon to be an Apple TV+ animated series starring Golden Globe nominee Beanie Feldstein and Emmy Award winner Jane Lynch, it's no secret that *Harriet the Spy* is a timeless classic that kids will love! *Harriet M.*

Welsch is a spy. In her notebook, she writes down everything she knows about everyone, even her classmates and her best friends. Then *Harriet* loses track of her notebook, and it ends up in the wrong hands.

Before she can stop them, her friends have read the always truthful, sometimes awful things she's written about each of them. Will *Harriet* find a way to put her life and her friendships back together?

"What the novel showed me as a child is that words have the power to hurt, but they can also heal, and that it's much better in the long run to use this power for good than for evil."—New York Times bestselling author Meg Cabot

War Like the Thunderbolt
Westview Press

The Civil War is a much plumbed area of scholarship, so much so that at times it seems there is no further work to be done in the field.

However, the experience of children and youth during that tumultuous time remains a relatively unexplored facet of the conflict. *Children and Youth during the Civil War Era* seeks a deeper investigation into the historical record by and giving voice and context to their struggles and victories during this critical period in American history. Prominent historians and rising scholars explore issues important to both the Civil War era and to the history of children and youth, including the experience of orphans, drummer boys, and young soldiers on the front lines, and even the impact of the war on the games children played in this collection. Each essay places the history of children and youth in the context of the sectional conflict, while in turn shedding new light on the sectional conflict by viewing it through the

lens of children and youth. A much needed, multi-faceted historical account, *Children and Youth during the Civil War Era* touches on some of the most important historiographical issues with which historians of children and youth and of the Civil War home front have grappled over the last few years.

This book provides you with all the tools you need to write an excellent academic article and get it published.

Ruin Nation Capstone

While soldiers were off fighting on the fields of war, civilians on the home front fought their own daily struggles, sometimes removed from the violence but often enough from deep within the maelstrom of conflict. Chapters provide readers with an excellent, detailed description of how women, children, slaves, and Native Americans coped with privation and looming threat, and how they often used, or tried to use, periods of turmoil to their own advantage. While it is the soldiers who are often

remembered for their strength, honor, and courage, it is the civilians who keep life going during wartime. This volume presents the lives of these brave citizens during the early colonial era, the American Revolution, the War of 1812, the Mexican War, and the Civil War. This volume begins with Armstrong Starkey's detailed description of wartime life during the American Colonial era, beginning with the Jamestown, VA settlement of 1607. Among his discussions of civilian lives during the Pequot War, King Philip's War, and the Seven Years' War, Starkey also examines Native American attitudes regarding war, Puritan lives, and Salem witchcraft and its connection to war. Wayne E. Lee continues with his chapter on the American Revolution, investigating how difficult it was for civilians to choose sides, including a telling look at soldier recruitment strategies. He also surveys how inflation and shortages adversely affected civilians, in addition to disease, women's roles, slaves, and Native Americans as civilians. Richard V. Barbuto discusses the War of 1812, taking a

close look at life on the ever-expanding frontier, rural homes and families, and jobs and education in city life. Gregory S. Hospodor observes American life during the Mexican War, examining how that conflict amplified domestic tensions caused by sharply divided but closely-held beliefs about national expansion and slavery. Continuing, James Marten looks at southern life in the South during the Civil War, examining the constant burden of supporting Confederate armies or coping with invading northern ones. Paul A. Cimbala concludes this volume with a look at northerner's lives during the Civil War, offering an outstanding essay on a home front mobilized for a titanic struggle, and how the war, no matter how remote, became omnipresent in daily life. **The Children's Civil War** UNC Press Books On a remote Scottish island, American antiques dealer Kate Hamilton wrestles with her own past while sleuthing a brutal killing, staged to recreate a two-hundred-year-old unsolved murder. Autumn has come and gone on Scotland's Isle of Glenroth, and the islanders gather for the Tartan Ball, the annual

end-of-tourist-season gala. Spirits are high. A recently published novel about island history has brought hordes of tourists to the small Hebridean resort community. On the guest list is American antiques dealer Kate Hamilton. Kate returns reluctantly to the island where her husband died, determined to repair her relationship with his sister, proprietor of the island's luxe country house hotel, famous for its connection with Bonnie Prince Charlie. Kate has hardly unpacked when the next morning a body is found, murdered in a reenactment of an infamous unsolved murder described in the novel—and the only clue to the killer's identity lies in a curiously embellished antique casket. The Scottish police discount the historical connection, but when a much-loved local handyman is arrested, Kate teams up with a vacationing detective inspector from Suffolk, England, to unmask a killer determined to rewrite island history—and Kate's future. *The Divided Family in Civil War America* Capstone A revealing compilation of essays documenting the effects of the Civil War

and its aftermath on Americans—young and old, black and white, northern and southern. *Civil War America: Voices from the Homefront* describes the myriad ways in which the Civil War affected both Northern and Southern civilians. A unique collection of essays that include diary entries, memoirs, letters, and magazine articles chronicle the personal experiences of soldiers and slaves, parents and children, nurses, veterans, and writers. Exploring such wide-ranging topics as sanitary fairs in the North, illustrated weeklies, children playing soldier, and the care of postwar orphans, most stories communicate some element of change, such as the destruction of old racial relationships, the challenge to Southern whites' complacency, and the expansion of government power. Although some of the subjects are well known—Edmund Ruffin, Louisa May Alcott, Henry Cabot Lodge, Booker T. Washington—most of the witnesses presented in these essays are relatively unknown men, women, and children who help to broaden our understanding of the war

and its effects far beyond the front lines.

GEORGIA CIVIL WAR MANUSCRIPT COLLECTIONS

Benchmark Education Company
Reveals children as sometimes victims of wartime violence and dislocation, but just as often as observers and participants.

In this Grade 4 Teacher's Resource Guide, you will find: 10 best practices for close reading applied to small group instruction; Strategies for differentiating instruction for on grade level, approaching grade level, above grade level, and English Language Learners; Mini-lessons to teach the process of independent close reading; A launching lesson for each unit; Lessons for all six books (3 literary sources and 3 informational sources) that include independent close reading, follow-up text-dependent questions, and a skill matched to the selected passages; A text-to-text lesson at the end of the unit integrating all sources; Assessment tasks aligned to Common Core Standards and Depth

of Knowledge; Rubrics, checklists, annotation sheets, skill targets, answer frames, and more to help you scaffold student learning.

General Sherman and the Georgia Belles LSU Press
Stephen King's legendary debut, the bestselling smash hit that put him on the map as one of America's favorite writers "Gory and horrifying. . . . You can't put it down."

—Chicago Tribune
Unpopular at school and subjected to her mother's religious fanaticism at home, Carrie White does not have it easy. But while she may be picked on by her classmates, she has a gift she's kept secret since she was a little girl: she can move things with her mind. Doors lock. Candles fall. Her ability has been both a power and a problem. And when she finds herself the recipient of a sudden act of kindness, Carrie feels like she's finally been given a chance to be normal. She hopes that the nightmare of her classmates' vicious taunts is over . . . but an unexpected and cruel prank turns her gift into a weapon of horror so destructive that the town may never recover.

Westholme Publishing

The courage and sacrifices of the Southern women who stood in the way of Sherman's March to the Sea from Atlanta to Savannah during the Civil War. When General Sherman led 60,000 soldiers on a sixty-mile-wide path of destruction through Georgia, the purpose was to frighten civilians into abandoning the Confederate cause. Most Georgia women were left to face the enemy alone—their men were off fighting or hiding for fear of being killed or taken as prisoners of war. But these steel magnolias were well-prepared to protect all that was rightfully theirs . . . Cathy Kaemmerlen, a renowned storyteller and historical interpreter, provides a colorful collection of tales of exceptional Georgia women who made great sacrifices in an effort to save their families and homes. From the innocent diary of a 10-year-old girl to the words of a woman who risks everything to see her husband one last time, Kaemmerlen exposes the grit and gumption of these remarkable Southern women in inspiring and entertaining fashion.

Civil War America

Harper Collins

The U.S. Civil War touched

the lives of millions of children on the battlefield and the home front. Based on eyewitness accounts of 120 children, ages four to sixteen, "Reluctant Witnesses" gives their perspective on America's bloodiest conflict and how they managed to cope. Their diaries, letters, and reminiscences are a testimony to the astonishing resiliency of the human spirit. Like children of contemporary wars, these children from the Union and the Confederacy speak without hate but with the stubborn hope that peace might prevail in the end.

"WOMEN AND THE MATERIAL CULTURE OF NEEDLEWORK AND TEXTILES, 1750-1950"

Capstone
Under Siege Benchmark
Education Company
A Confederate Girl Univ
of North Carolina Press
This collection of passages for Grade 4 provides students with close reading practice. Inside this book, read excerpts from the diaries of three girls who lived during different times in American history. In their own words, find out what it was like to travel west

in a covered wagon, fear for your life during the burning of Atlanta during the Civil War, and watch a runaway slave mistreated and returned to his owner. Also included are places to pause and reflect on the text and opportunities to respond to the reading. *Tarnished Victory* Arcadia Publishing
Draws on diaries, unpublished letters, and other archival sources to trace the events of the Civil War campaign that sealed the fate of the Confederacy and was instrumental in securing Abraham Lincoln's reelection.

Intellectual Manhood UNC Press Books

"Presents excerpts from the diary of Carrie Berry, a 10-year-old girl who lived in the Confederate South in 1864"--

Reluctant Witnesses

Houghton Mifflin Harcourt
The Civil War brought many forms of upheaval to America, not only in waking hours but also in the dark of night.

Sleeplessness plagued the Union and Confederate armies, and dreams of war glided through the minds of Americans in both the North and South. Sometimes their nightly visions brought the horrors of the conflict vividly to life. But for

others, nighttime was an escape from the hard realities of life and death in wartime. In this innovative new study, Jonathan W. White explores what dreams meant to Civil War-era Americans and what their dreams reveal about their experiences during the war. He shows how Americans grappled with their fears, desires, and struggles while they slept, and how their dreams helped them make sense of the confusion, despair, and loneliness that engulfed them. White takes readers into the deepest, darkest, and most intimate places of the Civil War, connecting the emotional experiences of soldiers and civilians to the broader history of the conflict, confirming what poets have known for centuries: there are some truths that are only revealed in the world of darkness.

A Genealogy of the Family of Lieut. Samuel Benjamin

and Tabitha Livermore, His Wife, Early Settlers of Livermore, Maine

Capstone

Following a skirmish on June 28, 1864, a truce is called so the North can remove their dead and wounded. For two hours, Yankees and Rebels mingle, with some of the latter even assisting the former in their grisly work. Newspapers are exchanged. Northern coffee is swapped for Southern tobacco. Yanks crowd around two Rebel generals, soliciting and obtaining autographs.

Knitting America Simon and Schuster

A conclusion to the four-part series chronicles the Virginia and Atlanta campaigns of 1864 through the final surrender of Confederate forces in June 1865.

DAILY LIVES OF CIVILIANS IN WARTIME EARLY AMERICA

Yearling

Sarah Goldman had never been one to trust very easily. She kept a close

eye on the babysitter, Holly, maybe too close at times. What she saw raised some questions, not only about who Holly really was but what she was hiding. She saw something she couldn't see, something so shocking that all she could do was flee. Sarah and her family have settled into a friendly suburb. But when Sarah finds hidden cameras in her new home, she has to wonder: has her past caught up to her, and worse yet, who's watching her now? Author of "Woman on the Edge." Residence: Toronto, ON. Print run 35,000.

Writing Your Journal Article in Twelve Weeks

University of Georgia Press
Exploring privileged Confederate women's wartime experiences, this book chronicles the clash of the old and the new within a group that was at once the beneficiary and the victim of the social order of the Old South.
