Bishop Jakes, the "New York Times"-bestselling author of "Reposition Yourself," returns with a thorough examination of the power of forgiveness.

The Autobiography of Malcolm X American Bar Association

Follow God's process for growth and find hope in life's darkest moments with Bishop T.D. Jakes's uplifting stories and advice from his own faith journey. In this insightful book, #1 New York Times bestselling author T.D. Jakes wrestles with age-old questions: Why do the righteous suffer? Where is God in all the injustice? Bishop Jakes tells crushing personal stories from his own journey -- the painful experience of learning his young teenage daughter was pregnant, the agony of watching his mother succumb to Alzheimer's, and the shock and helplessness he felt when his son had a heart attack. Bishop Jakes wants to show you how God uses difficult, crushing experiences to prepare you for unexpected blessings. If you are faithful through suffering, you will be surprised by God's joy, comforted by His peace, and fulfilled with His purpose. Crushing will inspire you to have hope,

even in your most difficult moments. If you trust in God and lean on Him during setbacks, He will lead you through.

Anointing Fall On Me Penguin

In Lionel Shriver's entertaining send-up of today's cult of exercise—which not only encourages better health, but now like all religions also seems to promise meaning, social superiority, and eternal life—an aging husband's sudden obsession with extreme sport makes him unbearable. After an ignominious early retirement, Remington announces to his wife Serenata that he's decided to run a marathon. This from a sedentary man in his sixties who's never done a lick of exercise in his life. His wife can't help but observe that his ambition is "hopelessly trite." A loner, Serenata disdains mass group activities of any sort. Besides, his timing is cruel. Serenata has long been the couple's exercise freak, but by age sixty, her private fitness regimes have destroyed her knees, and she'll soon face debilitating surgery. Yes, becoming more active would be good for Remington's heart, but then why not just go for a walk? Without several thousand of your closest friends? As Remington joins the cult of fitness that increasingly consumes the Western world, her once-modest husband burgeons into an unbearable narcissist. Ignoring all his other obligations, he engages a saucy, sexy personal trainer named Bambi, who treats Serenata with contempt. When Remington sets his sights on the legendarily grueling triathlon, MettleMan, Serenata is sure he'll end up injured or dead. And even if he does survive, their marriage may not. The Motion of the Body Through Space is vintage Lionel Shriver written with psychological insight, a rich cast of characters, lots of verve and petulance, an astute reading of contemporary culture, and an emotionally resonant ending.

The Art of War FaithWords

God is with you in the desert. Bishop T.D. Jakes gives you proof positive that God not only supplies you with everything you need, but your heavenly Father wants to bless you with refreshing water that will sustain you throughout any wilderness experience. According to Bishop Jakes, "Spiritually we must find a place where the Lord can minister to us in our wilderness—a place where He can instruct us about what to do next. The wilderness is a place of dying, where all the things that cause you to stumble in your walk with God are killed." Then will the lame leap like a deer, and the mute tongue shout for joy. Water will gush forth in the wilderness and streams in the desert (Isaiah 35:6). Find your special place in the wilderness where God will drench you in His life-giving water—you will break forth with a renewed and courageous spirit!

Essential reading for our times, as women are pulling together to demand their rights— A landmark portrait of women, men, and power in a transformed world. "Anchored by data and aromatized by anecdotes, [Rosin] concludes that women are gaining the upper hand." -The Washington

Post Men have been the dominant sex since, well, the dawn of mankind. But Hanna Rosin was the first to notice that this long-held truth is, astonishingly, no longer true. Today, by almost every measure, women are no longer gaining on men: They have pulled decisively ahead. And “the end of men”—the title of Rosin’s Atlantic cover story on the subject—has entered the lexicon as dramatically as Betty Friedan’s “feminine mystique,” Simone de Beauvoir’s “second sex,” Susan Faludi’s “backlash,” and Naomi Wolf’s “beauty myth” once did. In this landmark book, Rosin reveals how our current state of affairs is radically shifting the power dynamics between men and women at every level of society, with profound implications for marriage, sex, children, work, and more. With wide-ranging curiosity and insight unhampered by assumptions or ideology, Rosin shows how the radically different ways men and women today earn, learn, spend, couple up—even kill—has turned the big picture upside down. And in *The End of Men* she helps us see how, regardless of gender, we can adapt to the new reality and channel it for a better future.

Loose that Man and Let Him Go! Simon and Schuster

From T.D. Jakes, the #1 New York Times bestselling author of *Crushing: God Turns Pressure into Power*, comes straight talk and strong spiritual guidance for men—and the women who love them... The ultimate Chinese classic. "The Art of War" helps in finding decisions.

The End of Men Vintage Canada

Prepare Yourself For Battle! Satan is patient. He’s devious. And he plans to bring you down. How prepared are you to fight the devil? Spiritual warfare is so much more than just telling the devil to leave you alone. It requires an absolute dependence on God and the weapons He provides to see you through every situation victoriously. In this final study of Ephesians, T.D. Jakes tackles the tough questions regarding spiritual warfare: Why does your loving heavenly Father make you fight to possess all He has given you? What strategies does Satan use in an attempt to control your will? Why is prayer the only way to victory in spiritual warfare - and to seeing results in the natural realm? If you’re tired of feeling beat down and crushed by the devil’s schemes in your life, the principles in this book are your keys to becoming more than a conqueror. Your enemy is strong, but God is stronger still...and He’s given you everything you need to win!

The Odyssey Harper Collins

Galileo’s Dialogue Concerning the Two Chief World Systems, published in Florence in 1632, was the most proximate cause of his being brought to trial before the Inquisition. Using the dialogue form, a genre common in classical philosophical works, Galileo masterfully demonstrates the truth of the Copernican system over the Ptolemaic one, proving, for the first time, that the earth revolves around the sun. Its influence is incalculable. The Dialogue is not only one of the most important scientific treatises ever written, but a work of supreme clarity and accessibility, remaining as readable now as when it was first published. This edition uses the definitive text established by the University of California Press, in Stillman Drake’s translation, and includes a Foreword by Albert Einstein and a new Introduction by J. L. Heilbron.

The Children of Men FaithWords

Males look to be served. Men look to be of service. Emmy Award-nominated actor best known for his role on *Queen Sugar* and transformational speaker Dondré Whitfield challenges us to be real men in this provocative look at the power found in serving others. Too many males abuse the power they have. Often those males grow up without healthy role models and so, while they look like men, they act like boys. Only now there are adult consequences to their actions. And many of us are caught in the shifting cultural ideas about manhood, unsure of how to make sound decisions or truly be a man. Every day we find evidence that the role of men at home, at work, and out in the world is deeply misinterpreted. In *Male vs. Man*, Dondré Whitfield equips us to become men rather than simply "grown males." Men are healthy and productive servant-leaders who bring positive change to their communities. Males are self-serving and stuck in negative cycles that we hear and read about daily. They create chaos instead of cultivating calm. *Male vs. Man* is an uplifting playbook for men who want to level up. It will help men and women alike understand what real manhood is, based on biblical wisdom as well as hard-earned lessons from someone who has been there. With practical guidance and a strong spiritual foundation, Dondré shows how to cultivate the life-changing spiritual, emotional, and psychological attributes of servant leadership at home, at work, and in our communities.
