Film Monthly Bloomsbury Publishing

First published in 1796, Debrett's Peerage & Baronetage is the world-famous directory of Britain's titled classes.

Sex, Art and Cinephilia Lulu.com

Chemistry3 establishes the fundamental principles of all three strands of chemistry; organic, inorganic and physical. Using carefully-worded explanations, annotated diagrams and worked examples, it builds on what students have learned at school to present an approachable introduction to chemistry and its relevance to everyday life.

ESQUIRE

Berghahn Books

The first editon was called “the most valuable film reference in several years” by Library Journal. The new edition published in hardcover in 2001 includes more than 670 entries. The current work is a paperback reprint of that edition. Each entry contains a mini-essay that defines the topic, followed by a chronological list of representative films. From the Abominable Snowman to Zorro, this encyclopedia provides film scholars and fans with an easy-to-use reference for researching film themes or tracking down obscure movies on subjects such as suspended animation, viral epidemics, robots, submarines, reincarnation, ventriloquists and the Olympics (“Excellent” said Cult Movies). The volume also contains an extensive list of film characters and series, including B-movie detectives, Western heroes, made-for-television film series, and foreign film heroes and villains.

Includes special sessions.

3-D MOVIES

Lulu.com

Studying works by authors including Gide, Breton, Aragon, Yourcenar, Duras, and Modiano, this volume re-thinks twentieth-century French literature and engages with the question of distinctions between the factual and the fictional.

FIRST IN ITS KRISTA ALLEN FIELD - 54 FACTS

Emereo Publishing

This book explores the origins and significance of the French concept of *terroir*, demonstrating that the way the French eat their food and drink their wine today derives from a cultural mythology that developed between the Renaissance and the Revolution. Through close readings and an examination of little-known texts from diverse disciplines, Thomas Parker traces *terroir*'s evolution, providing insight into how gastronomic mores were linked to aesthetics in language, horticulture, and painting and how the French used the power of place to define the natural world, explain comportment, and frame France as a nation.

Debrett's Peerage & Baronetage 2008 Wallflower Press

An English-language debut that reveals and subverts contemporary conceptions of normative sexuality, capitalist culture, and environmental degradation. Winner, Prix du Livre Inter, 2019 Shortlisted for the Prix Femina, Prix Medicis, Prix de Flore Longlisted for the Prix France-Culture, Prix Wepler Farah moves into Liberty House—an arcadia, a community in harmony with nature—at the tender age of six, with her family. The commune's spiritual leader, Arcady, preaches equality, non-violence, anti-speciesism, free love, and uninhibited desire for all, regardless of gender, age, looks, or ability. At fifteen, Farah learns she is intersex, and begins to go beyond the confines of gender, as she explores the arc of her own desires. What, Farah asks, is a man or a woman? What does it mean to be part of a community? What is utopia when there are refugees nearby seeking shelter who cannot enter? Emmanuelle Bayamack-Tam delivers a magisterial novel, both a celebration and a critique of innocence in the contemporary world.

Emmanuelle Routledge

Issues for Dec. 1970-Apr. 1972 include section: Hard times.

Remakes, Sequels, and Series in Motion Pictures, Videos, and Television, 1896-1990 Oxford University Press

A long-simmering feud between two families comes to a head in this gripping novel in Christine Feehan's New York Times bestselling *Shadow Riders* series. As the youngest member of the Ferraro family, Emmanuelle has watched each of her brothers find happiness in love while her own heart was shattered by a lover's betrayal. For two years she's stayed as far away from Valentino Saldi as possible--until she learns that he's been shot during a hostile takeover of his family's territory. Emme's first instinct is to call her brother Stefano for help, and soon the entire Ferraro clan arrives to bring Val back from the brink of death and protect the Saldis from further attack. With one choice Emme has re-exposed herself to Val's intoxicating pull and dragged her family into the Saldis' private war. A deadly storm is brewing, and only time will tell who survives...

Love, Sex, and Politics in Early Nineteenth-Century France Tebbo

Samuel Beckett's private writings and public show his deep interest in the workings of the human mind. Samuel Beckett and Psychology is an innovative study of the author's engagement with key concepts in early experimental psychology and rapidly developing scientific ideas about perception, attention and mental imagery. Through innovative new readings of Beckett's later dramatic and prose works, the book reveals the links between his aesthetic method and the methodologies of experimental psychology through the 20th century. Covering important later works including *Happy Days*, *Not I* and *Footfalls*, Samuel Beckett and Psychology sheds important new light on Beckett's depictions of the workings of the embodied mind.

The History of an Idea Lulu.com

Some films should never have been made. They are too unsettling, too dangerous, too challenging, too outrageous and even too badly made to be let loose on unsuspecting audiences. Yet these films, from the shocking *Cannibal Holocaust* to the apocalyptic *Donnie Darko*, from the destructive *Tetsuo* to the awfully bad *The Room*, from the hilarious *This Is Sp?nal Tap* to the campy *Showgirls*, from the asylum of *Das Cabinet des Dr. Caligari* to the circus of *Freaks*, from the gangs of *The Warriors* to the gangsters of *In Bruges* and from the flamboyant *Rocky Horror Picture Show* to the ultimate cool of *The Big Lebowski*, have all garnered passionate fan followings. Cult cinema has made tragic misfits, monsters and cyborgs, such as Edward Scissorhands or *Blade Runner's* replicants, heroes of our times. *100 Cult Films* explains why these figures continue to inspire fans around the globe. Cult film experts Ernest Mathijs and Xavier Mendik round up the most cultish of giallo, blaxploitation, anime, sexploitation, zombie, vampire and werewolf films, exploring both the cults that live hidden inside the underground (*Nekromantik*, *Café Flesh*) and the cult side of the mainstream (*Dirty Dancing*, *The Lord of the Rings*, and even *The Sound of Music*). *100 Cult Films* is a true trip around the world, providing a lively and illuminating guide to films from more than a dozen countries, across nine decades, representing a wide range of genres and key cult directors such as David Cronenberg, Terry Gilliam and David Lynch. Drawing on exclusive interviews with some of the world's most iconic cult creators and performers, including Dario Argento, Pupi Avati, Alex Cox, Ruggero Deodato, Jesús Franco, Lloyd Kaufman, Harry Kümel, H. G. Lewis, Christina Lindberg, Takashi Miike, Franco Nero, George A. Romero and Brian Yuzna, and featuring a foreword by cult director Joe Dante, *100 Cult Films* is your ultimate ticket to the midnight movie show.

New York Lulu.com

This detailed reference work contains every result at the French Open Men's and Women's Singles Championships since the open era began in 1968. For the 2017 edition, there are full details of all 256 players taking part in the main draws, their rankings before and after the tournament, analysis of their performance relative to their opponents and their 5-year performance at Roland Garros. This 334-page book is a complete record of the 2017 tournament, and a fully detailed reference of the open era at Roland Garros.

Motion Picture Series and Sequels Lulu.com

In 1989 alone, for example, there were some forty-five major motion pictures which were sequels or part of a series. The film series phenomenon crosses all genres and has been around since the silent film era. This reference guide, in alphabetical order, lists some 906 English Language motion pictures, from 1899 to 1990, when the book was initially published. A brief plot description is given for each series entry, followed by the individual film titles with corresponding years, directors and performers. Animated pictures, documentaries and concert films are not included but movies released direct to video are.
