How I Took Down an Anti-Government Militia with Beer, Bounty Hunting, and Badassery

PublicAffairs

Workers in Alexandria are excavating for a new building when they discover the ruins of an old tomb, and all work crashes to a halt. According to federal law in Egypt, all discoveries must be properly catalogued by archeologists and this tomb has unusual relics and representations, apparently contemporary with Alexander the Great. Daniel Knox's first love is history and archeology, specifically on Alexander the Great. When he pisses off a local mobster on the coast of Egypt, he heads to Alexandria to an archaeology colleague's apartment to hide out for a while. He learns his friend is getting to participate on the dig for this newly discovered tomb. Sneaking in with his friend, Daniel sees signs that the find is far bigger than anyone realizes and might hold clues to finally unravelling one of the world's greatest mysteries: Where is Alexander the Great buried? In his lifetime, Alexander was beloved as a god, and across the Mediterranean, everyone wanted to be close to him. Upon his death, there was a mad scrabbling among his former allies to secure his empire for themselves. Even now, nearly 2500 years later, Alexander is still being fought over. With the discovery of this tomb and the revelation of its relics, the race is on to find Alexander. Rival archeologists, Egyptian officials, and Macedonian nationalists all scurry and scramble, attacking each other along the way as they hunt for a glorious prize--the body of Alexander the Great.

Fever Swamp Random House

The mysterious, violent death of a prominent New England patriarch exposes a nest of dark family secrets in New York Times bestselling author Richard North Patterson's twentieth compelling novel.

From #1 bestselling author Richard North Patterson comes a spellbinding psychological puzzle filled with unexpected legal twists, potentially criminal turns, and one family's shocking fall from grace. After ten years away from home, Adam Blaine returns to Martha's Vineyard to attend the funeral of his estranged father, Ben, a famous and charismatic writer who was fond of sailboats, good wine—and women other than his wife. When Adam learns that Ben disinherited his family in favor of his mistress, he begins to wonder if his father's death—caused by an inexplicable fall from a cliff—might have been suicide or murder. Using his training as a CIA operative, Adam unearths some shattering revelations about the mistress's past. But even more disturbing are the family secrets that can't stay buried any longer—secrets that make Adam question everything he thought he knew about every player in this fateful game. Even himself...

The Spire Ballantine Books

This rollicking and panoramic history of Casablanca during the Second World War sheds light on the city as a key hub for European and American powers, and a place where spies, soldiers, and political agents exchanged secrets and vied for control. In November 1942, as a part of Operation Torch, 33,000 American soldiers sailed undetected across the Atlantic and stormed the beaches of French Morocco. Seventy-four hours later, the Americans controlled the country and one of the most valuable wartime ports: Casablanca. In the years preceding, Casablanca had evolved from an exotic travel destination to a key military target after France's surrender to Germany. Jewish refugees from Europe poured in, hoping to obtain visas and passage to the United States and beyond. Nazi agents and collaborators infiltrated the city in search of power and loyalty. The resistance was not far behind, as shopkeepers, celebrities, former French Foreign Legionnaires, and disgruntled bureaucrats formed a network of Allied spies. But once in American hands, Casablanca became a crucial logistical hub in the fight against Germany--and the site of Roosevelt and Churchill's demand for "unconditional surrender." Rife with rogue soldiers, power grabs, and

diplomatic intrigue, *Destination Casablanca* is the riveting and untold story of this glamorous city--memorialized in the classic film that was rush-released in 1942 to capitalize on the drama that was unfolding in North Africa at the heart of World War II.

### CONVICTION

Large Print Press

A young man has been murdered. His girlfriend, twenty-two-year-old Brett Allen, is found at the scene of the crime. She claims she is innocent—even though she's dripping in blood, the murder weapon covered with her fingerprints. Enter attorney Caroline Masters, Brett's estranged aunt. She's been summoned back to her affluent New England hometown to help Brett out of this mess...and revisit the troubled family she left behind. Caroline learned a long time ago that the ties that bind can also be broken. Now that she's back home, she can't help but doubt her family's motives—and Brett's innocence. As the trial heats up, Caroline finds herself up against those who would kill to keep dark secrets hidden...and the state prosecutor, who happens to be her former lover and will do anything to expose the truth. Now, with her family's fate—and her own reputation—hanging in the balance, Caroline must assume the role of a lifetime as she fights to save her niece. Or destroy them both...

### ECLIPSE

Christopher Paget

A New York Times Book Review Editors' Choice A teacher, a scholar, a philosopher, and an eyewitness to history, Sari Nusseibeh is one of our most urgent and articulate authorities on the conflict in the Middle East. From his time teaching side by side with Israelis at the Hebrew University through his appointment by Yasir Arafat to administer the Arab Jerusalem, he has held

fast to the principles of freedom and equality for all, and his story dramatizes the consequences of war, partition, and terrorism as few other books have done. This autobiography brings rare depth and compassion to the story of his country.

*Lethal Warriors* Random House

A successful attorney about to be married and preparing for a run for Congress, David Wolfe's life is thrown into turmoil when he is reunited with Hana Arif, a Palestinian woman with whom he had a secret love affair in law school.

### THE RACE

Farrar, Straus and Giroux

Placing his career on the line to defend a charismatic African freedom fighter who has been charged with murder by the autocratic ruler of Luandia's brutal government, California lawyer Damon Pierce finds his own life at stake as well as that of his client. 350,000 first printing.

### THE BLOOD OF PATRIOTS

### A NOVEL

Harper Collins

David Wolfe is a successful American lawyer being primed for a run for Congress. But when the phone rings and he hears the voice of Hana Arif—the Palestinian woman with whom he had a secret affair in law school—he begins a completely unexpected journey. The next day, the prime minister of Israel is assassinated by a suicide bomber while visiting San Francisco. Soon, Hana is accused of being the mastermind behind the murder. Now David faces an agonizing choice: Will he, a Jew, represent her? The most challenging case of David's career requires that he delve deep into the lives of Hana and her militant Palestinian husband, all the way back to Israel and the West Bank. There he uncovers the couple's dangerous connections...culminating in an explosive trial where the stakes are Hana's life—and the future of two peoples.

*Exile* BenBella Books

A high-powered San Francisco defense attorney becomes the defendant in a scandalous murder case involving accusations of adultery and sexual abuse, divorce, an ugly custody battle, extortion, and conflicting loyalties

### CONVICTION

Hachette UK

Fifteen years after Rennell Price is arrested, convicted, and sentenced to die for the murder of a nine-year-old girl, lawyer Teresa Peralta Paget becomes convinced that Price did not receive a fair trial and fights to stop his execution.

**A Novel** NewSouth Books

Sidelined after a colleague's blunder, CIA agent Brooke Chandler envisions a way to halt an Al Qaeda plot to set off a massive nuclear explosion and begins a race against time that returns him to Lebanon, where nothing is quite as it seems. By the best-selling author of *Protect and Defend*. Reprint. 350,000 first printing.

*Protect and Defend* Grand Central Publishing

June, 1968. America is in a state of turbulence, engulfed in civil unrest and uncertainty. Yet for Whitney Dane - spending the summer of her twenty-second year on Martha's Vineyard - life could not be safer, nor the future more certain. Educated at Wheaton, soon to be married, and the youngest daughter of the patrician Dane family, Whitney has everything she has ever wanted, and is everything her all-powerful and doting father, Charles Dane, wants her to be. But the Vineyard's still waters are disturbed by the appearance of Benjamin Blaine. An underprivileged, yet fiercely ambitious and charismatic young man, Blaine is a force of nature neither Whitney nor her family could have prepared for. As Ben's presence begins to awaken independence within Whitney, it also brings deep-rooted Dane tensions to a dangerous head. And soon Whitney's set-in-stone future becomes far from satisfactory, and her picture-perfect family far from pretty. A sweeping family drama of dark secrets and individual awakenings, set during the most consequential summer of recent American history.

*A Journey Through the Strange Neverland of the 2016 Presidential Race* Random House Digital, Inc.

Both a razor-sharp thriller and a poignant love story, this twisting tale of psychological suspense is Patterson's most compelling novel in years Mark Darrow grew up in a small Ohio town with no real advantages beyond his intelligence and athletic ability. But thanks to the intervention of Lionel Farr—a professor at Caldwell, the local college—Darrow became an excellent student and, later, a superb trial lawyer. Now Farr asks his still-youthful protégé for a life-altering favor. An embezzlement scandal has threatened Caldwell's very existence—would Darrow consider becoming its new president? Darrow accepts, but returning to his alma mater opens old wounds. Sixteen years ago, on the night of his greatest triumph as Caldwell's star quarterback, he discovered the body of a black female student named Angela Hall at the base of the Spire, the bell tower that dominates the leafy campus. His best friend, Steve Tillman, was charged with Angela's murder and ultimately sent to prison for life. But now, even as Darrow begins the daunting task of leading Caldwell, he discovers that the case against his friend left crucial questions unanswered. Despite his new obligations—and his deepening attachment to Farr's beautiful though troubled daughter—Darrow begins his own inquiry into the murder. Soon he becomes convinced that Angela's killer is still at large, but only when another mysterious death occurs does he understand that his own life is at risk.

**A Palestinian Life Exile**

"No one knows more about Israel's existential dilemma than Alan Dershowitz-or writes about it better. From its explosive beginning to its startling climax, *The Trials of Zion* excites and intrigues, even as it depicts the unique dangers of a lethal part of the world. This is a terrific novel." --

Richard North Patterson "For a legalist, mired for years in towers of ivory not even hewn from the teeth of endangered elephants but constructed, indeed, and solely, of the casuistic and notional, Mr. Dershowitz writes a real good rip-snorter." -- David Mamet "A thought-provoking thriller set in two of the world's most gripping arenas of conflict, the Middle East and the courtroom." -- Steven Pinker, author of *The Stuff of Thought*,and Rebecca Newberger Goldstein, author of *36 Arguments for the Existence of God: A Work of Fiction* "As in all his essays, in his novel also, Alan Dershowitz demonstrates his great love for Israel as well as his inspired passion for Jewish memory, justice, and storytelling." -- Elie Wiesel A shocking act of terror brings the Middle East to the point of explosion. As the resulting political conflict threatens to erupt, a young Jewish-American lawyer joins the defense team of an arrested but possibly innocent Palestinian. Soon the lawyer's father, a famed criminal attorney, must win the Palestinian's case or risk losing his daughter forever. To do so, he must take into account the tormented history of the Holy Land from every possible angle. *The Trials of Zion* combines the tension of the greatest courtroom dramas with the action of a fast-moving thriller, all set against the colorful backdrop of one of the most complex cultural settings in the world. Filled with memorable characters, this novel offers readers not only compelling suspense, but a panoramic view of the history of a beloved and bitterly contested land, and a sharply controversial perspective on the sources of--and the possible solutions to--the world's longest and most crucial international crisis.

### A NOVEL

Henry Holt and Company

"[A] tight, twisty thriller....Hums along like a sizzling fastball thrown straight and sure."

—Providence Journal-Bulletin Bestselling author James Grippando is back with a gripping stand-alone thriller. Intent to Kill electrifies from the first inning on—as a fallen baseball star-turned-sports radio “shock jock” tries to expose a conspiracy and outwit a killer. Crackling with Grippando’s trademark suspense, ingenious plotting, and unforgettable characters, *Intent to Kill* is a grand slam from the author Nelson DeMille calls, “A very intense and ingenious storyteller.” *Destination Casablanca* Random House Incorporated

Can an honest man become president? In this timely and provocative novel, a maverick candidate takes on his political enemies and the ruthless machinery of American politics Corey Grace—a handsome and charismatic Republican senator from Ohio—is plunged by an act of terrorism into a fierce presidential primary battle with the favorite of the party establishment and a magnetic leader of the Christian right. A decorated Gulf War Air Force pilot known for speaking his mind, Grace's reputation for voting his own conscience rather than the party line—together with his growing romance with Lexie Hart, an African-American movie star—has earned him a reputation as a maverick and an iconoclast. But Grace is still haunted by a tragic mistake buried deep in his past, and now his integrity will be put to the test in this most brutal of political contests, in which

nothing in his past or present life is off-limits. Depicting contemporary power politics at its most ruthless, *The Race* takes on the most incendiary issues in American culture: racism, terrorism, religious fundamentalism, gay rights, and the rise of media monopolies with their own agenda and lust for power. As the pressure of the campaign intensifies, Grace encounters betrayal, excruciating moral choices, and secrets that can destroy lives. Ultimately, the race leads to a deadlocked party convention where Grace must resolve the conflict between his romance with Lexie and his presidential ambitions—and decide just who and what he is willing to sacrifice.

### SILENT WITNESS

St. Martin's Paperbacks

Fifteen years after he is convicted and sentenced to die for the murder of a young girl, lawyer Teresa Peralta Paget, her husband, and her stepson become convinced that Rennell Price did not receive a fair trial and race to stop his execution.

**A Novel** Kerry Kilcannon

A unique love story, a tale of loss, a parable of Europe, this haunting novel is an examination of intimacy and betrayal in a community rarely captured so vibrantly in contemporary literature. Zoli Novotna, a young woman raised in the traveling Gypsy tradition, is a poet by accident as much as desire. As 1930s fascism spreads over Czechoslovakia, Zoli and her grandfather flee to join a clan of fellow Romani harpists. Sharpened by the world of books, which is often frowned upon in the Romani tradition, Zoli becomes the poster girl for a brave new world. As she shapes the ancient songs to her times, she finds her gift embraced by the Gypsy people and savored by a young English expatriate, Stephen Swann. But Zoli soon finds that when she falls she cannot fall halfway—neither in love nor in politics. While Zoli’s fame and poetic skills deepen, the ruling Communists begin to use her for their own favor. Cast out from her family, Zoli abandons her past to journey to the West, in a novel that spans the 20th century and travels the breadth of Europe. Colum McCann, acclaimed author of *Dancer and This Side of Brightness*, has created a sensuous novel about exile, belonging and survival, based loosely on the true story of the Romani poet Papsuza. It spans the twentieth century and travels the breadth of Europe. In the tradition of Steinbeck, Coetzee, and Ondaatje, McCann finds the art inherent in social and political history, while vividly depicting how far one gifted woman must journey to find where she belongs. Praise for Zoli “Soaring and stumbling over decades of midcentury Eastern Europe, Zoli is a riveting novel.”—Gail Caldwell, *Boston Sunday Globe* “Beautifully written . . . Beautifully conceived, wonderfully told, the story is proof of an indomitable spirit. The elusive character of Zoli, the brilliant artist, is unforgettable.”—*The Washington Post Book World* BONUS: This edition includes an excerpt from Colum McCann's *TransAtlantic*.

### WHEN THE NEW BAND OF BROTHERS CAME HOME

Simon and Schuster

When Bill Fulton arrived in Alaska, he was filled with optimism and big dreams. When he left, it was under FBI escort. Bill was Army Infantry. When his knees gave out, he opened the Drop Zone, a military surplus store in Anchorage, and started hiring fellow vets. Sharpshooting hippies, crew-cutted fundamentalists, PTSD sufferers—all seeking purpose and direction. Alaska gave it to them. The Last Frontier is vast. The perfect refuge for fugitives and the perfect place for vets itching for a mission. Alaska is a giant icebox full of people either running to or away from something. More than 400 fugitives would meet Bill and company on the wrong side of a gun, and he would learn many lessons along the way—like even tiptoeing through subzero snow can get you shot, and removing a gun from the butt crack of a 300-pound man is just as fun as it sounds. Bill was enjoying the ride until, one day, the FBI asked him to go undercover, and his road forked. Schaeffer Cox was a sovereign citizen who believed no government had authority over him and a private militia commander amassing an arsenal and plotting to kill judges and law enforcement officers. Bill's mission: to take down Cox and his militia without a shot being fired. *The Blood of Patriots* traverses a wide swath of rugged territory. Raucously funny and stark, it depicts men, once brothers in arms serving their country, who now find themselves on opposite sides of those arms in a deadly test of the intricacies of liberty, the proper role of government, and the true meaning of patriotism. It offers a witty and unsettling look at political rhetoric gone haywire and a movement the FBI considers the single greatest threat to law enforcement in the nation—all set in the beautiful, terrifying landscape of our 49th State.
