As Indians, we are capable of creating plenty of positive energy, achieving economic growth and working towards upliftment of society with moral values. However, in recent times, we have lost the track and energy to do so, probably due to trust deficit about political leadership of our country. Modi Era highlights how energetic leadership can change people's mindset and bring positivity with enthusiasm, efficiency, speed, scale and quality. If so many changes can be brought in just 4 years, imagine what can be achieved in the coming years if the same leadership continues. Read and decide for yourself...

An entrepreneur is one of the important segments of economic growth as well as social growth. Basically, an entrepreneur is a person who is responsible for setting up a business or an enterprise

in a society for social growth. Infact, he is one who has the initiative, skill for innovation and who looks for high achievements. He is a catalytic agent of change and works for the good of the society. According to Peter F. Ducker "Effective entrepreneurship is not making speeches or being liked; entrepreneurship is defined by results, not attributes." That means he puts up new Greenfield projects that actually creates wealth, opens up employment opportunities and fosters other sectors. An entrepreneur is one of the most important inputs in the economic development of a country or regions within the country. Entrepreneurship development is getting a position of great importance for tackling ever-growing problem of unemployment due to rapid population growth.

IMPACT OF EMBROIDERY AND TALORING TRAININGS UNDER PRADHAN MANTRI KAUSHAL VIKAS YOJANA [WITH CD COPY]

Jagran Prakashan Ltd.

The book examines the conceptual, economic, and fiscal impact(s) of the Social Protection Floor (SPF) initiative of the International Labor Organisation (ILO) and other policy influencers by first critically examining the methodologies used by the international agencies to estimate the fiscal costs of designated minimum package(s) of social protection programs. The book also briefly reviews the methodologies used and usefulness of the Social Protection Index (SPI) of the Asian Development Bank (ADB). Second, the book analyses strategies and specific initiatives used by the selected East Asian countries (China, India, Indonesia, the Philippines, Thailand, and Vietnam), designed to progress towards the social protection goals underlying the Social Development Goals (SDGs) adopted by the United Nations in September 2015, and endorsed by the countries covered in this book. Finally, the book provides a framework for generating fiscal space to fund the social protection programs and initiatives. The country chapters utilise this framework in the context of each specific country to suggest generating fiscal space.
