 From humble beginnings to celebrated entrepreneur and successful business coach, William Todd is one of the few to be personally mentored by one of the masters of personal and business development, Bob Proctor. The Mentor in Me chronicles a journey many of us can relate to -- been given the tools and guidance to achieve success and then only sometimes following through on the wisdom offered. The book documents the time when William used The Seven Levels of Awareness to unlock doors and change paradigms and the times when, to his detriment, he failed to make the most of opportunities presented. Until he understood why he was not achieving long-lasting success, he was doomed to failure. The Mentor in Me offers a rare opportunity to watch as Bob Proctor mentors William through the peaks and valleys (ditches) of entrepreneurship towards a life of seemingly effortless abundance. The Mentor in Me is not just for entrepreneurs, however. It is for corporate professionals, students, parents and grandparents, educators, and budding entrepreneurs alike. "The Mentor in Me is not a book you pick up and read. It's a book you form a

relationship with and you will want to study it daily for the rest of your life." -- Bob Proctor

MINDSET REVOLUTION

Penguin
 An accessible guide to the principles of success by one of the most respected and sought-after motivational speakers of our time. In the tradition of Og Mandino and Zig Ziglar, this inspirational guide uses a wide variety of subjects, from "Achievement" to "Worry," to bring clarity, information, and motivation to readers. For millions of readers, Bob Proctor's name is synonymous with success. A former protégé of personal development pioneer Earl Nightingale, Proctor first built a wildly successful business career, and then an internationally successful speaking career, elaborating on the principles of Napoleon Hill's Think and Grow Rich and other classic success and prosperity texts. Proctor's position in the business motivation community equals that of Stephen Covey or Og Mandino. But as is not the case with those masters, his books have never been available to the general public--until now! In The ABCs of Success--the first trade book ever published by this master of motivation and prosperity--Proctor goes beyond the simple laws of success and attraction, weighing in on sixty-seven different topics essential to all those who wish to make their dreams a reality, including persistence, winning, effectiveness, and vision. Organized in A-to-Z fashion and composed of brief essays that can be read over and over, The ABCs of Success is an essential resource for anyone who wants the combined wisdom of a century of success thinking in a single, accessible volume.

From the creator of the philosophy foster children are fabulous champions, author and previous

foster child herself, Capri Cruz, shows us how to overcome childhood trauma by implementing the effective healing strategies shes used throughout her life of turmoil, which ultimately catapulted her voyage From Foster Care to Fabulous. As an authority in the psychology of emotional healing, she presents techniques to initiate profound subconscious and spiritual transformation, which include perception realignment, inner-mind awakening, and the art of surrendering. Although designed with the foster child in mind, this book is a must read for all as it addresses two fundamental threads encompassing humanity: the human experience and the interpretation of that experience. The effects of negative childhood experiences often linger with lasting toxicity, which confines the mind to constricted and often unforgiving ideals birthed thereafter. Capri shows us that no longer has to be true! Its time to let the inner healing begin as she peels back the layers to reveal secrets for reprocessing damaging experiences. The simplicity of it is astonishing. By disassembling damaging experiences from childhood abuse to adulthood divorce, then analyzing them through the lens of wisdom revealed within these pages, and reconstructing subsequent perceptions, dynamic change in the trajectory of your life will be imminent. Tie this in with knowledge of deliberate creation and the master piece called your future becomes limitless as pain gets transformed to freedom! Time waits for no one! The sand in the hour glass of life continues to slip away, whether we are mindful of it or not. Thus, let urgency lead the way as you journey into her world for a fresh look at what IS possible. I assure you, the quality of your life depends on it! The healing work within is the seed for the guaranteed reward without.

The Seasons of Life is a glimpse at the depth of Jim Rohn's character. A beautiful book, destined to become a masterpiece in literary creativity Jim Rohn, a man of our generation, has been given a gift. His inspiring seminars and appearances before groups across America and around the world have changed the lives of tens of thousands of people. He has the unique capacity for finding the miraculous hidden among the common, and for expressing it with word pictures that profoundly affect all who hear. Anthony Robbins credits Jim Rohn as his first personal development teacher, and Tom Tophin calls him a modern-day Will Rogers. The Seasons of Life will inspire and motivate you through the spring, summer, autumn and winter of your own life.

Embark on an oceanic quest with Blue Ocean Bob, as he goes in search of his true purpose...and makes many new friends along the way. Despite his idyllic island life, young Bob yearns for a greater sense of fulfillment. With his guardian, Xena the hummingbird, at his side, Bob sets out to seek guidance from the wise and happy creatures of the sea. From the joyful secrets of Al the dolphin to the insightful advice of Doc the turtle, Earl the clam, and Wallace the walrus, Bob uncovers great wisdom. But to complete his journey, he'll need to overcome his fears and Xena's doubts and prove himself to Mary Marine, the Island of Roses's leading marine biologist. The Adventures of Blue Ocean Bob: A Journey Begins is the first episode of a colorful, early chapter book series that provides children with an introduction to timeless principles of achievement derived from the teachings of Bob Proctor, Earl Nightingale, Napoleon Hill, Wallace D. Wattles, and others.

"I believe this book will change the lives of a lot of people." - Bob Proctor, Best-selling author, You Were Born Rich Jenna Zwagil was a young mother of two with a "broke mindset" and a bank account to match. Even with an inner belief that she wanted much more and was meant for more, the obstacles in her life seemed to constantly arise to hold her back from success. So how did she go from that to the top female earner in the network marketing profession? In her absorbing and fast-paced book, Jenna shares how she made the decision to change, learned to focus, study and relentlessly work on herself to get where she is today. And above all, have a willingness to break the rules. Rules are supposed to make our lives better. There are some rules that are helpful, of course, like rules that ensure physical safety and promote good habits. The problem is one day you're following rules that make sense, the next thing you know, you're following rules that are guaranteed to keep you broke and unfilled. Yes, the majority of rules are indeed made to be broken. This book will get you started. Get it today!

When we look at people who have achieved great things, we often believe that they are more talented than the rest of us, or luckier, or more well-connected. But the only thing that separates the successful from everybody else is that they have learned how to bridge the gap between setting goals and achieving them. They have developed ways of behaving and -- more importantly -- ways of "thinking" that enable them to get what they want. The good news is, it's possible for anyone to learn these techniques. As a parent or teacher you can sharpen your own skills . . . then pass them along to the teens in your lives. Imagine implementing the concepts that "Secret teachers" and others are using to motivate thousands of adults and teens worldwide. Imagine improved relationships, increased self-esteem, and a direct path to your dreams. Imagine working with your children or students to help them get better grades, improve their results in sports, and pave a clear path to a brilliant future. Instead of imagining, start right now!

Within yourself lies the cause of whatever enters into your life. To come into the full realization of your own awakened interior powers, is to be able to condition your life in exact accord with what you would have it. Ralph Waldo Trine was a philosopher, mystic, teacher and author of many books, and was one of the early mentors of the New Thought Movement. His writings had a great influence on many of his contemporaries including Ernest Holmes, founder of Religious Science. He was a true pioneer in the area of life-transforming thought. No other New Thought author has sold more books than he, his writings reaching far beyond New Thought circles out to the general public, which has bought and read Trine's books without ever knowing that they were New Thought.

Reviews: "Pay attention to him and his material, you will be glad you did." Bob Proctor, best-selling author and star of The Secret. Description: It's vitally important that you read books. As Mark Twain wrote, "The man who does not read good books has no advantage over the man who cannot read them." And many would agree that "personal development" books are the ones to focus on if you're trying to improve yourself, your position in life and your quality of life. But which ones should you read? There are tens of thousands to choose from. Vic Johnson, a veteran personal development author, speaker and trainer, answers that question for us in "Self Help Books: The 101 Best Personal Development Classics." From an 1,100 page "encyclopedia of success" to a 28-page speech that became a classic more than a hundred years ago, Vic identifies the publication dates of the classics, the major theme(s) of the book and then some solid reasons to add them to your reading list. Along the way he also shares valuable anecdotes on his personal lessons learned from these authors (some of whom have mentored him). This is quick and easy reading that takes the guesswork out of choosing the books to add to your library as well as helping you prioritize your reading.

THE SECRET TO ATTRACTING MONEY

Simon and Schuster

Thoughts Are Things is a wonderful, motivational text from two acclaimed public speakers and accomplished authors—Bob Proctor and Greg S. Reid. What mind-set determines whether or not a person will be successful? Do successful people think differently from those who never reach their potential? How can we change our thoughts so that the result of every thought—the offspring of thought—sets us up to win rather than lose? Bob Proctor and Greg S. Reid, authorized by the Napoleon Hill Foundation, delve deeply into the science and psychology of thought, and how thinking is vitally important to a meaningful, successful life. In their interviews with neuroscientists, cardiologists, spiritual teachers, and business leaders, the authors show in Thoughts Are Things how we can think to live!

DIVINE INTERVENTION IN DAILY LIFE

Brolga Pub.

Science has defined a variety of natural laws that explain the physical world and how it changes.

One such law states that for every action there is a reaction, and that for every motion there is corresponding counter-motion. Whether it's visible to the human eye or not, one thing is certain – movement and change will occur as a result. Having studied these principles, author Raymond Holliwell not only understood the universal physical applications, he also understood the spiritual and mental applications as well. By using this law on a spiritual and mental level, Holliwell found that a specific thought could create a desired reaction in his personal and professional life through continual and dedicated practice. As he came to realize the expanded potential of this powerful law, he eventually recognized the ultimate source of the dramatic results – God.

Many people seem tugged along through life by forces they can't seem to completely understand or control and have difficulty rising above. Would it be okay to have more choices about your emotions and direction? Would you like to be in control of your life, to understand why things don't always go as planned, to have more help in finding those elusive butterflies of happiness and success, to look at why you are here, to see if you can overcome your fears? Is there light at the end of this tunnel? If any of these thoughts or feelings resonate, this book is for you and maybe also for someone you know. Its stories and topics have solutions, wisdom, and guidance that have propelled many forward. They contain the combined knowledge of many wise teachers and leaders and have helped me grow and find love, peace, and understanding, even in troubled times.

This complete 1937 classic text edition features an Afterword by Bob Proctor, a world-renowned speaker, motivational coach, author of bestselling books, as well as a Law of Attraction teacher. [How Parents, Teachers, and Teenagers Can Inspire Leadership and Transform Lives](#) Penguin The valuable lesson contained in this book is that the best way to attract prosperity is to abandon the pursuit of wealth and allow it to flow toward oneself. The ancient laws of attraction are explained in plain language and applied in an economic framework—a new perspective not found in other popular explications of these principles. A path to prosperity is offered in tandem with guidance for achieving harmony in both professional and personal spheres while strategies to overcome destructive thinking patterns and to sustain the flow of wealth while channeling it constructively are delineated. Profiles of individuals who pursued their passion rather than profit, and subsequently reaped immense rewards, will inspire those seeking to transform their lives.

DO YOU REALLY WANT TO CHANGE YOUR LIFE? Mindset Revolution New Edition is a book/course on mental reprogramming that explains step by step how to achieve success in life and achieve happiness. Written in a simple way and with many real-life examples, it gives you all the tools you need to understand how your life is completely in your hands and that nothing is really impossible. You have probably already heard of the Law of Attraction or the theory of Positive Thinking but it is not easy to fully understand what great authors like Bob Proctor, Maxwell Maltz or Wallace Wattles (to name a few of the greatest) want to convey to us. All of us are fundamentally lazy and opportunistic people and therefore we tend to receive messages in the form that is most comfortable and apparently less tiring for us. Therefore, it happens that those who have tried to embark on a path of personal growth have only achieved the opposite effect to the one desired: failure, which is nothing but the confirmation of what they unconsciously thought they were achieving. The truth is that they failed only because they did not understand how to act and why to act in that particular way. In order to be able to change life you need to know three concepts that are decisive in order to act correctly and that are at the basis of the whole process: Know what your mind is like Know how your mind works Know how to change your subconscious The Law of Attraction is a principle that regulates the cause-effect relationship between thoughts and results. Through a change in your habits and consequently in your actions, you can achieve any goal in life. Mindset Revolution is a real course that combines all the lessons learned by the greatest self-help masters in a single volume. By purchasing this book, you will finally discover the causes behind all your failures and why some people always manage to get what they want. Above all, you will understand how to build a better future and stop envying all those who have succeeded. You will get a lot of information, there are 25 chapters divided into two parts First part theory Second part practice, step by step If you really want to transform your life, you have no excuse. If you want to stop hiding and walk with your head held high, there is still an opportunity to do so now. What do you want to do with your only life? DO YOU REALLY WANT TO CHANGE YOUR LIFE? If you want to,

you can do it. Start now. With MINDSET REVOLUTION NEW EDITION. Buy, read and change your life NOW!
