*Invention & Innovation in the Radio Industry* Random House

A powerful new Noughts & Crosses story from legendary author Malorie Blackman, written for World Book Day 2019. I've never been shot before. It's dark but I keep seeing white flashes before my eyes like spots of lightning jabbing at me. Am I going into shock? Must be. But I can't pass out, not now. Then I'll be dead for sure. Dan is on the run - hiding from a ruthless gang who

want him dead. It's one of those nights. One of those nights where I sit alone and watch the world go by. One of those nights when if my hatred were fuel, I would happily light a match and watch the whole world burn. Eva just wants to be left alone to mourn her daughter. But when a badly wounded Dan crosses her path, she's compelled to help. Both are hiding dark secrets from their past. Both have reasons to fear the other. But they are both connected to each other too, and before the night is over, Eva will be forced to choose: betray Dan, or protect him - whatever the cost.

Knife Edge Princeton University Press  
In this harrowing near-future thriller, a teen girl reeling from a recent tragedy tries to do the right thing knowing one wrong move could unravel her society's

fragile order. Persephone “Sephy” Hadley is six months pregnant with a biracial baby, a parentage that could be a death sentence in her brutal society. And Sephy has no one to help her after the baby’s father was hanged for terrorism months ago. As her due date approaches, Sephy feels more and more haunted by her lost love. But she’s not the only one who misses Callum. His brother, Jude, hasn’t forgotten—or forgiven—anything about what happened. And he blames Sephy for Callum’s death. Jude won’t rest until he’s avenged his brother by murdering the girl who got him killed. Jude’s actions bring him dangerously close to meeting the same fate as Callum. With the man who wants her dead poised on a knife’s edge, Sephy must decide if she’s willing

to save him from himself.

Anagram Solver Bloomsbury Publishing  
A NEW YORK TIMES BESTSELLER The official book behind the Academy Award-winning film *The Imitation Game*, starring Benedict Cumberbatch and Keira Knightley It is only a slight exaggeration to say that the British mathematician Alan Turing (1912-1954) saved the Allies from the Nazis, invented the computer and artificial intelligence, and anticipated gay liberation by decades--all before his suicide at age forty-one. This New York Times–bestselling biography of the founder of computer science, with a new preface by the author that addresses Turing's royal pardon in 2013, is the definitive account of an extraordinary mind and life. Capturing both the inner

and outer drama of Turing's life, Andrew Hodges tells how Turing's revolutionary idea of 1936--the concept of a universal machine--laid the foundation for the modern computer and how Turing brought the idea to practical realization in 1945 with his electronic design. The book also tells how this work was directly related to Turing's leading role in breaking the German Enigma ciphers during World War II, a scientific triumph that was critical to Allied victory in the Atlantic. At the same time, this is the tragic account of a man who, despite his wartime service, was eventually arrested, stripped of his security clearance, and forced to undergo a humiliating treatment program--all for trying to live honestly in a society that defined homosexuality as a crime. The

inspiration for a major motion picture starring Benedict Cumberbatch and Keira Knightley, Alan Turing: The Enigma is a gripping story of mathematics, computers, cryptography, and homosexual persecution.

*Noted Guerrillas* Random House

'Another emotional hard-hitter' Sunday Times My name is Callie Rose. My mum is a Cross - one of the so-called ruling elite. My dad was a Nought. My dad was a murderer. My dad was a terrorist. These facts are the only things that are mine and real. So I don't mind so much that I'm leaving it all behind. There's nothing here worth holding onto. Sixteen years have passed since Sephy Hadley first met Callum McGregor. For Callie Rose, growing up mixed race in a world where bitter prejudice divides Noughts

and Crosses has meant she's an outsider wherever she turns. Enter Jude McGregor. Jude teaches Callie about her real family history, and the more she learns the more he persuades her where her loyalties really lie. But soon Callie is caught in a trap she can't get out of - one which will have deadly consequences. Voted as one of the UK's best-loved books, Malorie Blackman's Noughts & Crosses series is a seminal piece of YA fiction; a true modern classic. 'Dramatic, intensely moving' Carousel

National Geographic Books  
Discusses the differences between "open" and "closed" texts, or, texts that actively involve the reader and texts

that evoke a limited, predetermined response from the reader. -- Back cover. History of Morgan's Cavalry Random House

The authors, Elliott Morton Avedon and Brian Sutton-Smith are recognized authorities on the study of games. Elliott Morton Avedon was born on 28 April 1930 in Florida. He is the author of "Therapeutic Recreation Service: An Applied Behavioural Approach." Brian Sutton-Smith was born in Wellington, New Zealand in 1924. His academic career is focused on children's games, adult games, children's play, children's drama, films and narratives, as well as children's gender issues and sibling position. Brian Sutton-Smith is the author of some 50 books, the most recent of which is The Ambiguity of Play,

and some 350 scholarly articles. He has been the President of The Anthropological Association for the Study of Play and of The American Psychological Association, Division g10 (Psychology and the Arts). As a founder of the Children's Folklore Society he has received a Lifetime Achievement Award from the American Folklore Society.

**Nought Forever** Lulu.com

Published in 1879, these are the histories and lives of some of the more famous Confederate guerrillas from the West. Includes the Younger brothers, the James brothers, Dave Poole, John Maupin, Arthur McCoy, George Todd, Quantrell, Bill Anderson and many more. *The history of Protestantism* Utusan Publications

Davey is the new boy in class and Sam

can't stand him. He thinks Davey is a Grade A moron. But when the two are thrown together Sam discovers that Davey's eccentric way of looking at the world makes life a lot more fun. Until the day something terrible happens... A funny and sad story, told completely in verse.

### **VON NEUMANN, MORGENSTERN, AND THE CREATION OF GAME THEORY**

Joseph Henry Press

Loosely based on the Odyssey, this landmark of modern literature follows ordinary Dubliners in 1904. Capturing a single day in the life of Dubliner Leopold Bloom, his friends Buck Mulligan and Stephen Dedalus, his wife Molly, and a scintillating cast of supporting

characters, Joyce pushes Celtic lyricism and vulgarity to splendid extremes. Captivating experimental techniques range from interior monologues to exuberant wordplay and earthy humor. A major achievement in 20th century literature.

*Crossfire* Ishi Press

Callum and Sephy are teenagers living on different sides of a racial divide. Callum is from the despised group of Noughts, Sephy belongs to the elite Crosses. Their childhood friendship turns to first love but is threatened when racial and sexual taboos leads to violent acts with tragic consequences. Suggested level: intermediate, secondary.

Diane France loves bones. Why?

Because they talk to her. Every skeleton she meets whispers secrets about the life-and death-of its owner. Diane France can hear those secrets because she's a forensic anthropologist, a bone detective. She has the science skills and know-how to examine bones for clues to a mystery: Who was this person and how did he or she die? Bones tell Diane about the life and times of famous people in history, from a Russian royal family to American outlaws and war heroes. They speak to her about murders, mass disasters, and fatal accidents. One day she's collecting skeletal evidence at a crime scene. A phone call later she's jetting to the site of a plane crash or other unexpected tragedy to identify victims. Young readers will be captivated by the thrilling real-life story of this

small-town girl full of curiosity and mischief who became a world-famous bone detective.

Ulysses Library of Alexandria

Jon keeps waking up from a recurring bad dream to find that he is missing his arms and parts of his legs. Kept constantly sedated, as Jon's body disappears his nightmare gets worse. The nurses seem to hate him and the doctor won't answer his questions. Who is Joe? Why do they keep calling him by that name?

*A History of Wales* University of Toronto Press

Kidnapped and sold into slavery in the American South, freeman Solomon Northup spent twelve years in bondage before being freed. *Twelve Years a Slave* is Northup's moving memoir, revealing

unimaginable details of the horrors he faced as a slave on Southern plantations, and his unshakable belief that he would return home to his family. Written in the year after Northup was freed and published in the wake of Harriet Beecher Stowe's Uncle Tom's Cabin, Northup's story was quickly taken up by abolitionist groups and news organizations as part of the fight against slavery, and continues to resonate more than a century after the end of the American Civil War.
