Quick, comprehensive writing guidance at a low cost—the At a

Glance series can be paired with any developmental title or used independently. This flexible series includes a separate textbook for sentences, paragraphs, essays, and a reader. Each book features clear, concise instruction reinforced by extensive practice, exercises, and examples. The Third Edition of *At a Glance: Sentences* continues to focus on the essential grammar and

sentence mechanics. A clear, concise discussion of writing strategies includes examples from student writing to illustrate all stages of the writing process. Classroom-tested exercises help students with sentence, paragraph and essay organization and writing. Career-related and reading-related writing assignments capture students' interest, and questions on the readings

stimulate discussion, writing, and critical thinking. A self-evaluation chart helps students measure their own writing progress and identify their difficulties. A writer's checklist at the end of every chapter outlines the stages of the writing process.

This sentence-to-paragraph-level worktext with readings highlights the complete writing process in relation to key rhetorical modes. Students learn the three stages of exploring, experimenting, and gathering information; writing the controlling idea, developing supporting details, and organizing content; and writing, revising, and editing. Comprehensive coverage of the basics enables students to develop sentences and paragraphs that are both well-structured and grammatically correct. The authors juxtapose sentence-level work with freewriting so that students gradually advance to writing full paragraphs and essays.

In this much needed resource, Maryellen Weimer—one of the nation's most highly regarded authorities on effective college teaching—offers a comprehensive work on the topic of learner-centered teaching in the college and university classroom. As the author explains, learner-centered teaching focuses attention on what the student is learning, how the student is learning, the conditions under which the student is learning, whether the student is retaining and applying the learning, and how current learning positions the student for future learning. To help educators accomplish the goals of learner-centered teaching, this important book presents the meaning, practice, and ramifications of the learner-centered approach, and how this approach transforms the college classroom environment. Learner-Centered Teaching shows how to tie teaching and curriculum to the process and objectives of learning rather than to the content delivery

alone.

Real Writing with Readings Cengage Learning

This exciting new mid to high level developmental writing text shows students how to compose effective paragraphs within the essay. Also included are professional and student essays and integrated grammatical instruction.

Writing Paragraphs and Essays Longman Publishing Group

This process-oriented, paragraph-to-essay level worktext teaches students to write well by drawing on the ways in which they already use language effectively—in thinking, speaking, writing informally, and reading. Destination's integrated approach to grammar and its emphasis on writing's real-life applications set it apart from the competition.

PARAGRAPHS AND ESSAYS WITH INTEGRATED READINGS is the higher-level companion to *SENTENCES, PARAGRAPHS, AND BEYOND* in the two-book Brandon series. Instruction in this text -- comprehensive, flexible, and relevant -- is predicated on the idea that reading and writing are linked and that good writing is the product of revision and rigorous editing. The hallmarks of the Brandons' books are tell-show-engage instruction, ample demonstrations of good professional and student writing, and an abundance of reading-based, high-interest general, cross-curricular, and career-related topics and prompts. The reading-based writing presented in this book provides experience in critical thinking that enables students to write competently across the disciplines and transition smoothly to the next level of the English program. AT A GLANCE

Cengage Learning

Real Reading and Writing puts both reading skills and writing skills in a real-world context, showing students that good writing,

reading, and thinking skills are both achievable and essential to their success in college and beyond. Miriam Moore, a developmental and ESL specialist from Lord Fairfax Community College, collaborated with Susan Anker to provide students with an integrated reading and writing package. Students connect reading and writing with their real lives through practical examples, model writing samples, and readings that are both engaging and relevant to their lives. To keep students from getting overwhelmed, the book focuses first on the most important concepts in each area, such as the Four Basics of the Reading and Writing Process; Four Basics of each rhetorical strategy; the Four Most Serious Errors in the grammar section; and the academic skills of summary, analysis, and synthesis **Paragraphs and Essays + at a Glance Reader, 2nd Ed.** Cengage Learning

Fresh, vibrant, concise, and affordable, the Fifth Edition of AT A GLANCE: ESSAYS focuses on writing correct, effective essays in specific and combined rhetorical patterns, and features the writing process with emphasis on revision; twenty-one integrated professional and student essays verified by classroom testing to compel reading, provoke discussion, and inspire writing; a handbook chapter supported by a strong Student Companion Site; documented writing (two chapters) with the 2009 MLA Update and an illustrated ten-step approach; optional reading-based writing of summaries, reactions, and two-part responses (to promote critical thinking by linking reading to writing); and optional career-related writing to accommodate career-minded students and career-conscious programs. GET WRITING: PARAGRAPHS AND ESSAYS helps developmental students learn to think and plan before they write, and evaluate their own and others' writing, with a focus on critical thinking through features called Critical Thinking: What Are You Trying to Say? and Revision: What Have You Written? The text helps those who are struggling with writing requirements, including recent high school graduates, returning students, or those for whom English is a second language. Integrated exercises enable them to practice what they have just learned, and student papers in annotated first and revised drafts provide realistic models.

Sample professional writing demonstrates how writers understand the context of their writing, utilize writing strategies, and make language choices. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Real Writing with Readings delivers a powerful message to students: Good writing skills are both attainable and essential. Concise "Four Basics" boxes, together with mode-specific graphic organizers, "Paragraphs versus Essays" graphics, and engaging paragraph- and essay-writing chapters, present the writing process both visually and in words as a clear, easy-to-follow process. The "Four Building Blocks of Effective Sentences" (Chapter 16) and other sentence-level chapters cover grammar in a lively and supportive way, with plenty of opportunities for practice and application. And now, Achieve with Real Writing puts student writing at the center of your course and keeps revision at the core, with a dedicated composition space that guides students through drafting, peer review, source check, reflection, and revision. Achieve is a flexible, integrated suite of tools for designing and facilitating writing assignments, all in a single powerful, easy-to-use platform that works for face-to-face, remote, and hybrid learning scenarios. Fully editable pre-built assignments support the book's approach and an e-book is included.

" NOTE: This edition features the same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Books a la Carte also offer a great value; this format costs significantly less than a new textbook. Before purchasing, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a Course ID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. For combined courses in Developmental Reading and Writing." "This version of "In Concert: Reading and Writing Analysis, Paragraphs and Essays" has been updated to reflect the 8th edition of the MLA Handbook (April 2016)." " The

8th edition introduces sweeping changes to the philosophy and details of MLA works cited entries. Responding to the increasing mobility of texts, MLA now encourages writers to focus on the process of crafting the citation, beginning with the same questions for any source. These changes, then, align with current best practices in the teaching of writing which privilege inquiry and critical thinking over rote recall and rule-following. " A true integration of reading and writing skills instruction In Concert, Second Edition is the second text in a two-part integrated reading and writing series. While the first volume (In Harmony) focuses on reading and writing skills at the sentence to paragraph level, In Concert moves on to explore reading and writing skills at the paragraph and essay level. This series aims to show students how

reading and writing unite to become a single process of understanding and expressing ideas. Emphasizing the harmonious nature of the reading and writing processes, it highlights critical thinking and reinforces its relationship to these processes. Student and professional essays are presented at the start of each chapter and used as the basis for instruction, illustration, and practice. Readings are presented as integrated instructional material, rather than as models or additional practice, allowing students to improve on their own reading and writing skills through a single source. Thematic-based chapters help build continuity, elicit student interest, and help them draw on their own prior knowledge. McWhorter's streamlined presentation and flexible approach work in traditional as well as compressed

courses."

Houghton Mifflin College Division

Designed specifically for community colleges and business programs, Writing Connections helps students of varying backgrounds, ages, and majors recognize how strong writing skills can allow them to achieve both their academic and professional goals. Students practice finding common denominators and patterns across all key forms of writing and learn to apply what they learn to personal, cross-curricular, and workplace writing. Student examples illustrate all stages of the writing process and serve as good models on which students can pattern their own work.
