 Materials for teaching the first conditional. The slides in this post and referenced by Sandra in the video come from the Step-by-Step curriculum of Off2Class, the ESL teacher toolkit. We have have nearly 800 ready to teach lessons in our library, along with a student management platform and comprehensive placement test.
 How to Teach the First Conditional to ESL Students
 Most English classes and grammar books teach you the basic rules of conditionals, such as: If + past simple + would + infinitive. And certainly, that can be useful. But it doesn't help you understand how to really use conditionals in your daily English life. So let's change that. Don't forget to review the others lessons in this series:
