The seventh book in the bestselling Mindfulness Essentials series, a back-to-basics collection from world-renowned Zen Master Thich Nhat Hanh that introduces everyone to the essentials of mindfulness practice.

Profound and always approachable, Thich Nhat Hanh teaches us the art of looking deeply—in to our knee-jerk assumptions and runaway thoughts—so we can recognize the true meaning and essence of our lives. How to See teases apart the act of seeing—both inside and outside of ourselves, and points the way to developing true clarity. Written with his signature warmth, these pithy meditations are accompanied by playful sumi-ink drawings by California artist Jason DeAntonis.

In this highly anticipated Buddhist perspective on resolving conflict, Nobel Peace Prize nominee Thich Nhat Hanh demonstrates how a real peace process is based on spiritual, not political strength. Inspired by an ongoing Buddhist retreat project for Israelis and Palestinians, this book offers practical

ways to handle our strong emotions and misperceptions and provides a possible way out of the ongoing conflict in the Middle East. Peace Begins Here is rich with stories from individual Israelis and Palestinians, as well as examples from Thich Nhat Hanh's life, including his experience with nonviolent action during the war in Vietnam and its aftermath. Highlights include personal stories from participants in the peace retreats and Thich Nhat Hanh's collected practices for peace, including deep listening, deep relaxation, mindful walking, mindful eating, and loving speech.

### **TOUCHING PEACE**

Cut through the busyness and anxieties of daily life to discover the simple happiness of living in the present moment, as taught by a world-renowned Zen monk. In this book, Thich Nhat Hanh—Zen monk, author, and meditation master—distills the essence of Buddhist thought and practice, emphasizing the power of mindfulness to transform our lives. But true mindfulness, Hanh explains, is not an escape. It is being in the present moment, totally alive and free. Based on a retreat that Thich Nhat Hanh led for Westerners, *You Are Here* offers a range of effective practices for cultivating mindfulness and staying in the present moment—including awareness of breathing and walking, deep listening, and skillful speech. These teachings will empower you to witness the wonder of life and transform your suffering, both

within and outside you, into compassion, tenderness, and peace. As Thich Nhat Hanh declares, “the energy of mindfulness is the energy of the Buddha, and it can be produced by anybody.” It is as simple as breathing in and breathing out.

### **Zen and the Art of Saving the Planet** Parallax Press

"Followers and newcomers to Nhat Hanh's teaching alike will find this collection inspiring for everyday practice and for social engagement in the world."—Publishers Weekly This collection of autobiographical and teaching stories from peace activist and Zen Master Thich Nhat Hanh is thought provoking, inspiring, and enjoyable to read. Collected here for the first time, these stories span the author's life. There are stories from Thich Nhat Hanh's childhood and the traditions of rural Vietnam. There are stories from his years as a teenaged novice, as a young teacher and writer in war torn Vietnam, and of his travels around the world to teach mindfulness, make pilgrimages to sacred sites, and influence world leaders. The tradition of teaching the Dharma through stories goes back at least to the time of the Buddha. Like the Buddha, Thich Nhat Hanh uses story-telling to engage people's interest so he can share important teachings, insights, and life lessons.

"[Thich Nhat Hanh] shows us the connection between personal, inner peace and peace on earth." -His Holiness The Dalai Lama Nominated by Martin Luther King, Jr. for a Nobel Peace Prize, Thich Nhat Hanh is one of today's leading sources of wisdom, peace,

compassion and comfort. It was under the bodhi tree in India twenty-five centuries ago that Buddha achieved the insight that three states of mind were the source of all our unhappiness: wrong knowing, obsessive desire, and anger. All are difficult, but in one instant of anger—one of the most powerful emotions—lives can be ruined, and health and spiritual development can be destroyed. With exquisite simplicity, Buddhist monk and Vietnam refugee Thich Nhat Hanh gives tools and advice for transforming relationships, focusing energy, and rejuvenating those parts of ourselves that have been laid waste by anger. His extraordinary wisdom can transform your life and the lives of the people you love, and in the words of Thich Nhat Hanh, can give each reader the power "to change everything."

**Stories and Essential Teachings from a Monk's Life** HarperCollins

A collection of poetry by the renowned Zen meditation teacher, peace activist, and author of *The Miracle of Mindfulness*. Though he is best known for his groundbreaking and accessible works on applying mindfulness to everyday life, Thich Nhat Hanh is also a distinguished poet and Nobel Peace Prize nominee. This stunning poetry collection explores these lesser-known facets of Nhat Hanh's life, revealing not only his path to becoming a Zen meditation teacher but his skill as a poet, his achievements as a peace activist, and his experiences as a young refugee. Through over fifty poems, Nhat Hanh reveals the stories of his past—from his childhood in war-torn Vietnam to the beginnings of his own spiritual journey—and shares his ideas on how we can come together to create a more peaceful, mindful world.

Uplifting, insightful, and profound, *Call Me By My True Names* is at once an exquisite work of poetry and a portrait of one of the world's greatest Zen masters and peacemakers. "The clear, still mind of this meditation teacher gives rise to piercing images time and time again. Nhat Hanh seems an inherently skilled poet. It is these poetic works, more than

his essays or lectures, that show Thich Nhat Hanh clearly to be a Zen mystic.” —San Francisco Chronicle "Thich Nhat Hanh's poems have an almost uncanny power to disarm delusion, awaken compassion, and carry the mind into the immediate presence of meditation. Thich Nhat Hanh writes with the voice of the Buddha". - Sogyal Rinpoche.

### How to Love

In Thich Nhat Hanh's latest teachings on applied Buddhism for both the work place and daily life, chapters include dealing with workplace scenarios; dealing with home and family; encounters with strangers and with daily life; transportation; and creating communities wherever you are. This book is designed for adults who are new to meditation as well as those who are more experienced. The emphasis is on how to use applied Buddhism in daily life. Work aims at contributing to new models of leadership and doing business. It is also a book full of life-coaching advice, finding happiness, and positive psychology. We all need to "Chop Wood and Carry Water". Most of us experience work, hardship, traffic jams, and everything modern, urban life offers. By carefully examining our everyday choices we can move in the direction of right livelihood; we can be a lotus in a muddy world by building mindful communities, learning about compassionate living, or by coming to understand the concept of "Buddha nature." Work also discusses mindful consumption, or the mindful use of limited resources. Instead of Living Large in Lean Times or Ramen to Riches we can learn to appreciate living less large and think about what kind of riches we want for ourselves and others.

Chanting from the Heart Parallax Press

Touching Peace offers Thich Nhat Hanh's vision for rebuilding society through strengthening our families and communities, and realizing the ultimate dimension of reality in each act of our daily lives. The book concludes with the author's profound vision and determination to make efforts to alleviate the suffering of all people. Included are such classic Thich Nhat Hanh practices as the conflict resolution tool of the Peace Treaty; his thoughts on a "diet for a mindful society" based on his interpretation of the 5 Mindfulness Trainings, and his early writings on the environment. "When we touch peace everything becomes real." -Thich Nhat Hanh With 10 original illustrations by Mayumi Oda

### Buddhist Ceremonies and Daily Practices

Parallax Press

We can't heal with our minds alone. Thinking can be something productive and creative, but without integrating body and mind, much of our thinking is useless and unproductive. In Peace of Mind, Zen master Thich Nhat Hanh reminds us that integrating body and mind is the only way to be fully alive in each moment, without getting lost in our thoughts while walking, cooking, driving, and going about our everyday lives. Only

by cultivating a mindful body and an embodied mind can we be fully alive. Bringing together ancient wisdom and contemporary thinking, Thich Nhat Hanh says it's like hardware and software—if you don't have both, you can't do anything. *Peace of Mind* provides a foundation for beginning mindfulness practices and understanding the principles of mind/body awareness. By learning how our physical body and mind are inseparable in creating our own perceptions and experiences we can begin to trust and nourish our ability to create well-being.

The book is written for a wide audience and accessible to people of all backgrounds and spiritual traditions.

**Happiness in Four Pebbles** Parallax Press

Thich Nhat Hanh has become known as a healer of the heart, a monk who shows us how the everyday world can both enrich and endanger our spiritual lives.

In this book, Jesus and Buddha share a conversation about prayer and ritual and renewal, and about where such concepts as resurrection and the practice of mindfulness converge. In this unique way, Thich Nhat Hanh shows the brotherhood between Jesus and Buddha - and in the process shows how we can take their wisdom into the world with us, to "practice in such a way that Buddha is born every moment of our daily life, that Jesus Christ is born every moment of our daily life."
