»Die Mehrzahl dieser  
Geschichten handelt von

Jugendlichen und davon, wie sie von der Welt der Erwachsenen verdorben werden. Die Unschuld der Pubertät wird weniger verloren als zerschmettert ... Nichts für Zimmerliche, aber dieser Stil hat eine lakonische Brillanz, die Bände andeutet. Nichts wird ausgesprochen, alles wird angetippt.«

*The Brothers* Diogenes Verlag AG

Introducing a major new voice in Brazilian letters. Set among a Lebanese immigrant community in the Brazilian port of Manaus, *The Brothers* is the story of identical twins, Yaqub and Omar, whose mutual jealousy is offset only by their love for their mother. But it is Omar who is the object of Zana's Jocasta-like passion, while her husband, Halim, feels her slipping away from him, as their beautiful daughter, RGNia, makes a tragic claim on her brothers' affection. Vivid, exotic, and lushly atmospheric, *The Brothers* is the story of a family's disintegration, of a changing city and the culture clash between the native-born inhabitants and a new immigrant group, and of the future the next generation will make from the ruins.

## THE WORLD WITHIN

Linkgua

In the eight stories of *First Love, Last Rites, depravity can masquerade as innocence and butterflies can be sinister. The author is equally capable of showing how the life of a child is devastated by the macabre and of distilling the sensations of first love, tracing his initiation rituals, infusing them with a luxurious sensual imagery. Combining the unusual and the provocative, tenderness and icy humor, Ian McEwan reveals the hidden face of our ghosts and offers us a different vision of our daily lives.*

*The Tale of One Bad Rat* Pan

Una magistral disección del provincialismo decadente que narran las desintegraciones posibles del hombre en la Ciudad de México, concebidos por un orfebre del lenguaje como lo fue Carlos Fuentes. Con *Cantar de ciegos*, publicado hace ya más de 50 años, Carlos Fuentes reafirmó su lugar no sólo como novelista esencial del boom, sino como un excelente cuentista. Relatos donde la inocencia perdida se busca con el afán de restituirla, y que son ya

parte del universo de la literatura mexicana del siglo XX. Los cuentos pueden salvarnos, como bien supo Scherezada. Abren umbrales a otros días, a otras orillas. *Cantar de ciegos*, obra fundamental de la literatura mexicana, contiene siete relatos que desenmascaran debilidades y cinismos en donde convergen el deseo y el amor, el incesto, el adulterio y los encuentros perversos; entre ellos "Las dos Elenas", "La muñeca reina" y "Un alma pura". En palabras de Carlos Fuentes: "Deseamos siempre algo más, algo que quizás ni siquiera sepamos concebir, pero que nuestra imaginación y nuestros sentidos buscan" Otros autores han opinado: "Múltiple, caudaloso, exigente, polémico hasta el riesgo del equívoco y, sobre todo, comprometido con el acto literario como un acto al final político, Carlos Fuentes deja un desafío alto para el resto de los escritores que lo sobrevivirán" -Sergio González Rodríguez- La crítica ha opinado: "Fuentes, a través de estos relatos, aborda temas como el tiempo, la memoria, el provincialismo, la casualidad, la

incertidumbre, el azar, las convenciones sociales y también se enfrenta a la realidad del país, sus costumbres y cultura. El aborde a las historias, su tratamiento, se hace desde una concepción abierta y cosmopolita, que trasciende cualquier tipo de regionalismo. El texto no ha perdido vigencia con los años." - Rubén Aguilar, Animal Político-

Bazán es sin duda una de las narradoras más destacadas del siglo XIX, y es a través de los relatos donde se puede disfrutar de la pericia descriptiva de la autora. [Donkey Skin](#) Anagrama Una visión diferente de la cotidianidad que nos revela la cara oculta de nuestros fantasmas. Con la publicación de este libro, que fue galardonado con el premio Somerset Maugham, Ian McEwan se

convirtió en la revelación literaria inglesa de finales de los años setenta. Posteriormente, confirmó de sobra las esperanzas suscitadas. En los ocho relatos de Primer amor, últimos ritos, la depravación puede enmascararse de inocencia y las mariposas pueden resultar siniestras. Con igual fuerza es capaz el autor de mostrar cómo la vida de un niño es arrasada por lo macabro y de destilar las sensaciones del primer amor, rastreando sus rituales iniciáticos, infundiéndoles una lujuriente imaginería sensual. Asociando lo insólito y la provocación, la ternura y un humor glacial, Ian McEwan nos revela la cara oculta de nuestros fantasmas y nos ofrece una visión diferente de nuestra vida cotidiana.

Helen Potter lived a happy life until she got lost in a nightmare of sexual abuse. Now she's on a journey, a journey which takes her through urban and rural England along the same path that another Potter, Beatrix Potter, once took. Across the decades, two lives touch, and Helen

discovers that the strength of two is far greater than one. Bryan Talbot constructs a very special story in *The Tale of One Bad Rat* which immediately endears the reader. The victim of child sexual abuse, Helen Potter becomes the armored knight before her own personal demons in this story of heroism and courage.

*Tale of One Bad Rat* (2nd edition)

Desde su nacimiento, Eugenia sedujo a su padre por su belleza. Luego este se encarga de hacerle dar una educación desprovista de todos los principios morales y religiosos. El día que la niña alcanza la edad de catorce años, M. de Franval decide perfeccionar su educación. «Eugenia de Franval» es una historia inolvidable, impactante, sobre un padre libertino que mantiene con su hija una relación incestuosa, pero que no logra ocultar de su mujer. La villanía del ilustre Señor de Franval lo hace convencer a la niña de asesinar a la propia madre. Con «Eugenie de Franval», el «marqués divino» nos ofrece la trágica historia de un amor escandaloso.

The Silver Thorn: A Book of Stories Rosetta Books

One king, his queen and their daughter lived once in a big castle which was so rich because of the magical golden donkey they had. One day the queen died. Her last wish was that the king would remarry only if he found someone as beautiful as her. But it was not an easy task because such beauty was nowhere to be seen. Eventually the king realized that his own daughter was as magnificent as her own mother, so he decided to marry her. The poor girl however was not willing to marry her own father so she sought advice from her fairy godmother. The girl had to make impossible demands and if she was granted all of them, the king was going to get her consent. One of the conditions was the skin of the king's precious golden donkey. Do you think the king will sacrifice the source of the kingdom's wealth? Find out in "Donkey Skin".

Charles Perrault (1628-1703) was a French author. He is known for being a pioneer of the fairy tale genre, deriving his stories from traditional folk tales. His most famous stories include "Puss in Boots", "Little

Red Riding Hood", "Sleeping Beauty", and "Cinderella". His stories have been adapted to stage and screen countless times, most notably by Disney with classic animated films like "Sleeping Beauty" and "Cinderella". His story "Puss in Boots" was the basis for the character from the animated films "Shrek 2" and "Puss in Boots".

DigiCat  
Cuentos nuevos (1894) de Emilia Pardo Bazán aparecían por vez primera en libro, aunque se hubiesen dado a conocer antes en publicaciones periodísticas. El asunto predominante en estos cuentos es el amoroso: historias de amor, «Agravante», «La hierba milagrosa», «Evocación», «La paloma negra», «Sedano», «Madre», y algunas otras, como «La flor seca» y «El voto». También aparecen, aunque tímidamente y sin demasiada profundidad, ciertos temas de actualidad: las teorías malthusianas («Sobremesa»), la

emigración («El voto»), la cuestión social («Cuatro socialistas»). Hay unos pocos cuentos que manifiestan en sus asuntos o motivos una cierta dimensión metaliteraria: así, «La cruz roja», lúcida reflexión sobre el poder de la capacidad fabuladora, sobre los límites entre la realidad y la ficción. «La mariposa de pedrería» es una alegoría sobre la inspiración y la fantasía poética, sus condiciones y límites. «La calavera», es una fantasía sobre una obsesión que tiene algo —o mucho— de literaria. «El ruido», cuyo protagonista es un escritor en busca del inalcanzable ambiente de sosiego para su creación; el texto refleja de manera muy certera esa búsqueda de un nuevo lenguaje poético que acucia a la literatura finisecular.

Pell d'ase Dial Press Trade Paperback  
THE little donkeys went past the shop-window at eight in the morning and seven-thirty in the evening, punctually, rain or shine. Miss Pope christened them Percy and Emily. The old man whose donkeys they were she had long ago named Voltaire because he looked wicked, un-

Christian and clever-- and because she liked literary allusions. One thing she often discussed with Miss Menzies, and that was why, being wicked and clever, he had not advanced further in the world. Miss Menzies suggested drink, and Miss Pope thought it probable. On the other hand, were it drink he would for sure beat and abuse Percy and Emily, and this he did quite plainly not do, because they were both plump and well cared for. That might be, suggested Miss Menzies, that he kept them in good condition to benefit his business. No one cared to ride skeletons. Miss Pope, who was very thin herself, said that stoutness did no one any good, and Miss Menzies, who was plump like the donkeys, replied that it was greatly a matter of God's will, although, as Miss Pope knew, she had no very good opinion of the Deity and often enough spoke of Him sarcastically. Dark Horse Comics Somerset Maugham Award winner: Dark early fiction by the author of Nutshell—"A splendid magician of fear" (The Village Voice Literary Supplement). Taut, brooding, and densely atmospheric, the stories

here show us how murder can arise out of boredom, perversity from adolescent curiosity—and how sheer evil can become the solution to unbearable loneliness. These short fiction pieces from the early career of the New York Times–bestselling and Man Booker Prize–winning author of *Atonement* and *On Chesil Beach* are claustrophobic tales of childhood, twisted psychology, and disjointed family life as terrifying as anything by Stephen King—and finely crafted with a lyricism and an intensity that compels us to confront our secret kinship with what repels us. "A powerful talent that is both weird and wonderful." —The Boston Sunday Globe "Ian McEwan's fictional world combin[es] the bleak, dreamlike quality of de Chirico's city-scapes with the strange eroticism of canvases by Balthus. Menace lies crouched between the lines of his neat, angular prose, and weird, grisly things occur in his books with nearly casual aplomb." —The New York Times
