Roll of Honour Om Books International

MacNolia Cox won the Akron District Spelling Bee, and at the age of 13 she became the first African American to reach the final round of the national competition. The Southern judges, it is thought, kept her from winning by presenting a word not on the

official list. The word that tripped MacNolia, ironically, was "nemesis." When she died 40 years later, the girl who "was almost/ The national spelling champ" had become a cleaning woman, a grandmother, and "the best damn maid in town." Cox's ambition and her later frustration find incisive shape in this remarkably varied meditation on ambition, racism, discouragement and ennui, where successive pages can bring to mind a handbook of poetic forms (a double sestina, Japanese-inspired syllabics, a blues ghazal and prose poems based on definitions of prepositions), Ann Carson's "TV Men" poems, Rita Dove's Thomas and Beulah and the documentary film Spellbound. Jordan (Rise) begins in Cox's later life, giving voice to her husband, John Montiere, at "The Moment Before He Asks MacNolia Out on a Date," then to MacNolia herself when in 1970 her son dies just after his return from Vietnam. As counterpoints, Jordan intersperses poems about African-Americans who won more lasting public acclaim, among them Richard Pryor, Josephine Baker and the great labor organizer and orator A. Philip Randolph. Jordan's most quotable poems, however, return to the voice of the 13-year-old speller, who "learned the word

chiaroscuro/ By rolling it on my tongue// Like cotton candy the color/ Of day and night." (June) Copyright 2004 Reed Business Information. Library Journal.

Asian Americans have long been the subject and object of popular culture in the U.S. The rapid circulation of cultural flashpoints—such as the American obsession with K-pop sensations, Bollywood dance moves, and sriracha hot sauce—have opened up new ways of understanding how the categories of “Asian” and “Asian American” are counterbalanced within global popular culture. Located at the crossroads of these global and national expressions, *Global Asian American Popular Cultures* highlights new approaches to modern culture, with essays that explore everything from music, film, and television to comics, fashion, food, and sports. As new digital technologies and cross-media convergence have expanded exchanges of transnational culture, Asian American popular culture emerges as a crucial site for understanding how communities share information and how the meanings of mainstream culture shift with technologies and newly mobile sensibilities. Asian American popular culture is also at the crux of global and national trends in media studies, collapsing boundaries and acting as a lens to view the ebbs and flows of transnational influences on global and American cultures. Offering new and critical analyses of popular cultures that account for emerging textual fields, global producers, technologies of distribution, and trans-medial circulation, this ground-breaking collection explores the

mainstream and the margins of popular culture.

A middle grade novel in verse about Samira, an eleven-year-old Rohingya refugee living in Cox's Bazar, Bangladesh, who finds strength and sisterhood in a local surf club for girls. Samira thinks of her life as before and after: before the burning and violence in her village in Burma, when she and her best friend would play in the fields, and after, when her family was forced to flee. There's before the uncertain journey to Bangladesh by river, and after, when the river swallowed her nana and nani whole. And now, months after rebuilding a life in Bangladesh with her mama, baba, and brother, there's before Samira saw the Bengali surfer girls of Cox's Bazar, and after, when she decides she'll become one. *Samira Surfs*, written by Rukhsanna Guidroz with illustrations by Fahmida Azim, is a tender novel in verse about a young Rohingya girl's journey from isolation and persecution to sisterhood, and from fear to power.

Eliza Naumann, a seemingly unremarkable nine-year-old, expects never to fit into her gifted family: her autodidact father, Saul, absorbed in his study of Jewish mysticism; her brother, Aaron, the vessel of his father's spiritual ambitions; and her brilliant but distant lawyer-mom, Miriam. But when Eliza sweeps her school and district spelling bees in quick succession, Saul takes it as a sign that she is destined for greatness. In this altered reality, Saul inducts her into his hallowed study and lavishes upon her the attention previously reserved for Aaron, who in his displacement embarks upon a lone quest for spiritual fulfillment. When Miriam's secret life triggers a familial explosion, it is Eliza who must order the chaos. Myla Goldberg's keen eye for detail brings Eliza's journey to three-dimensional life. As she rises from classroom obscurity to the blinding lights and outsized expectations of the National Bee, Eliza's small pains and large joys are finely wrought and deeply felt. Not merely a coming-of-age story, Goldberg's first novel delicately examines the unraveling fabric of one family. The outcome of this tale is as startling and unconventional as her prose, which wields its metaphors sharply and rings with maturity. The work of a lyrical and gifted storyteller, *Bee Season* marks the arrival of an extraordinarily talented new writer.
