Painting With Pastel

OMB No. 6849310940287 edited by

CARR JAYCE

Painting with Pastels Pelican Publishing

Discusses the technical and artistic aspects of painting portraits in pastels and provides reproductions of works by masters.

Pastel Artist's Bible Walter Foster Library

Introduces the tools, materials, and techniques of pastel drawing, and presents a series of demonstrations with photographs of the original scene for comparison

Pastels for the Absolute Beginner Archetype Publications

Pastel School contains everything you need to begin with confidence. It describes the different types of pastels available and offers invaluable advice on putting together a basic starter palette and adding the colors suitable for landscapes, portraits, flowers, and other popular subjects. Simple exercises introduce you to the effects of various colors on papers of different tones and textures. The versatility of pastels is one of their most appealing qualities, and Pastel School takes you step-by-step through the techniques that make them such a remarkable medium. From how to hold a pastel (including how the angle

produces specific effects) to hatching, blending colors, feathering, stippling, overlaying, and more, each step is explained in detail and accompanied by clear illustrations. And when it's time to use your skills to create your first still life or landscape, you'll find plenty of helpful tips and guidelines about such matters as composition, lighting, and perspective - plus a gallery of finished paintings illustrating different approaches and styles. The eight projects included here demonstrate the creative process from initial planning to final touches. They give you eight great ideas to begin with, but feel free to let your imagination fly.

THE ART OF PASTEL PAINTING

Walter Foster

Distinguished artist and teacher Alan Flattmann provides invaluable information about theory and technique as well as making crayons, designing proper studio lighting, and much more. Both amateur and professional artists will find this book informative and useful. Highlighted techniques include the painterly blended and the Impressionistic broken-color approaches. There are also illustrated discussions of concept and technique, mood and technique, mixed media, form and space,

aerial perspective, modeling, and the importance of simplicity.

THE ART OF PASTEL PAINTING

Northlight

Capture the magic of nature in pastel. From the first ferns unfurling in spring to the flaming red foliage of fall and the snow-blanketed quiet of winter, master pastel artist and teacher Elizabeth Mowry offers both beginners and seasoned artists alike a fresh approach to creating light-filled landscape paintings. Using her decades of experience and gift for observation, Mowry infuses every page with time-tested pastel techniques to convey the distinctive mood, color and majesty of the natural world. You'll learn to translate the magic of what you see into what you paint through palette selection, use of materials, value and composition, blending your emotional response to nature's beauty with an ever-growing mastery of a pastelist's skill. This book is loosely based on previously published title *The Pastelist's Year* by Elizabeth Mowry with revamped content and 8 ALL-NEW demonstrations. Inside you'll find:

- The fundamentals of pastel. Detailed information about selecting materials, plus exercises and explanations of basic techniques for beginners. Additional master tips and secrets will push intermediate to advanced readers in their art.
- 20 step-by-step demonstrations. Capture the exciting ways nature changes and achieve the painterly effects that light up spring, summer, fall and winter landscapes. Plus learn how to artfully render difficult subjects like fog, bodies of water, reflections and clouds.
- How to keep a nature journal. Track the vivid impact of the seasons to add depth to your work and translate seasonal impressions into personal expressions.

Learn how Mowry selects her subjects, color and mood, with additional information on field studies and reference photographs.

- The basics of composition. Learn how to establish a focal point, simplify your subject, portray distance and more to create a beautiful, balanced painting.
- A five-step method for critiquing your own work. Develop your personal style and achieve successful results with this time-proven exercise.

OIL PASTEL

John Wiley & Sons

A catalogue and art-historical overview of pastel painting in America from 1880 to 1930.

Pastel Painting Penguin

Known for his use of luminous color, Albert Handell, whose lush landscapes light up these pages, provides lucid instructions to help first-time pastelists achieve impressive results as soon as

they begin working with the medium. After reviewing pastel supplies, the author discusses landscape composition and how to establish large shapes first, abstract certain areas, develop a focal point, work from dark to light, and capture the illusion of reality through color. Stepped demonstrations isolate specific landscape aspects, showing how the pastelist depicts skies, trees,

buildings, water, rocks, woods, snow, and light.
