[Pearson Edexcel GCSE \(9-1\) Mathematics Higher Student Book 1](#) Cambridge University Press

The Pearson Edexcel GCSE (9-1) Mathematics Purposeful Practice Book - Foundation is a brand-new kind of practice book incorporating minimal variation to bolster GCSE study in and out of the classroom. Engaging and purpose-led questions that use cutting-edge approaches to help you build your skills, confidence and understanding, and get exam-ready. Encourages progression for all with over 4,500 concise and varied questions that:

- build in small steps to consolidate knowledge and boost confidence
- deepen understanding by helping you connect, reason and reflect on your learning
- focus on specific areas, such as strengthening problem-solving skills and strategies
- help you put into practice what you've learned in different ways.

Targeted exam practice with questions modified from real GCSE (9-1) papers to help you start applying what you've learned to what you might see in assessments. Includes exam feedback, with grade indicators informed by ResultsPlus data to provide meaningful insight into the level of difficulty of each exam-style question. Developed with the help of UK teachers so you can use the book flexibly alongside your current resources: in class, for homework, or independent study.
