

designer fashion scarcely existed in Britain, to the new millennium, by which time London ranked alongside Paris, New York, and Milan as a world-class fashion capital. The book describes and illustrates all the key players and influences of British fashion in the period: not only the designers but also the music, the clubs, the parties, the amazing dressing-up tradition, and London itself. The language of fashion is visual, and this sumptuous book reflects that with evocative photographs by Norman Parkinson, David Bailey, Patrick Lichfield, Barry Lategan, and others, including iconic images such as the young Princess of Wales, Katherine Hamnett at 10 Downing Street wearing her "60 percent don't want Pershing" T-shirt, Margaret Thatcher in Aquascutum, and other rare shots from the designers' own archives.

JAPANESE AMERICAN WOMEN, IDENTITY, AND THE BODY

Anchor

New Jersey Governor Chris Christie has become a national Republican Party figure, famous for his blunt public statements, his willingness to confront powerful special interests, and his determination to change the ingrown, corrupt, backroom political culture of New Jersey. In just two years as governor, Christie has moved aggressively to reduce the state's ballooning deficit, rein in lucrative entitlements for teacher, police, fire, and public employee unions, cut out-of-control government spending, and create jobs by reducing counterproductive business regulations. But beneath Christie's combative public persona is an intensely loyal family man, whose deep roots in New Jersey shape his core values. Written by New York Times bestselling author Bob Ingle and fellow journalist Michael Symons, who have covered the governor's political career for more than a decade, Chris Christie offers the first inside portrait of this fascinating man. Drawing on interviews with Christie himself, his wife, Mary Pat, his brother, Todd, his father, Bill, his uncle Joe, and many longtime supporters as well as political opponents, Ingle and Symons trace Christie's life. He grew up in New Jersey, surrounded by a big, roiling Italian-American family where his mother, Sondra, and grandmother Anne were powerful influences. Surprisingly, his political career nearly ended after a bruising loss in a local county campaign, but was revived when Christie was appointed United States Attorney for New Jersey. He soon became a feared prosecutor, and culminated an impressive string of successful cases with a multi-year investigation that resulted in the arrests of more than forty people, in one of the state's most notorious examples of political corruption. Despite calls to run for president, Christie reiterated his commitment to reforming New Jersey. Chris Christie: The Inside Story of His Rise to Power goes behind the scenes to reveal his family life, his public life, and what the future might hold.

A reference book covering individual designers and fashion houses that have been active throughout the 20th and 21st centuries. Informative essays mirror the many facets of the fashion world.

My dear bomb Hardie Grant

An ex-model journeys through the dark side of fashion, where beautiful people do ugly things.

THE GOLDEN ROAD

Laurence King Publishing

A compendium for Alabama Chanin crafters collects all of the patterns from her first three books on an accompanying CD and offers illustrated instructions and patterns for 12 new skirts, dresses, tops and jackets. 20,000 first printing.

My Dear Bomb Basic Books

Yohji Yamamoto led the Japanese fashion wave of the 1980s and 1990s into the new millennium. In October 2009, after a series of bad investments, Yamamoto Inc. went bankrupt; by the end of that year the designer had inaugurated a new business and a complete reevaluation of his direction. My Dear Bomb is an outcome of this transition moment. Coauthored with Ai Mitsuda, this carefully and

beautifully written autobiography (with biographical interpolations by friends and collaborators) seamlessly combines extended meditations on clothing and life with Yamamoto's memories and anecdotes, in short, concise paragraphs. Throughout its pages, we encounter Yamamoto as a tough realist unburdened by disingenuousness ("I am, in fact, a man who may turn heartless in an instant; I desire only to settle each and every score immediately"); and, of course, as a great designer blessed with unerring instinct for his materials ("how does the cloth want to drape, to sway, to fall? If one keeps these things in mind and looks very carefully, the fabric itself begins to speak"). Illustrated with drawings by Yamamoto, this open-hearted meditation offers a take on the autobiography form as imaginative as the designer's fashion wear.

Style and Subversion, 1970-1990 Greenwood

A beautifully made scent can encapsulate a particular feeling, transport you to a very specific time in life with clarity, or remind you of a special loved one or friend. And just like wearing your favorite outfit or shoes, your favorite perfume can make you feel invincible. The question is, how do you find such a creation? With the number of new releases steadily increasing, it can be bewildering even attempting to find a perfume you like, let alone love. In *Perfume*, Neil Chapman guides readers through a world that can at times seem overwhelming. Fragrances of every variety are listed 'note by note' in clearly divided categories that will steer you in the direction of a perfume you not only like, but love and cherish as 'your' signature scent. Chapters explore popular notes (for example, vanilla, sandalwood, jasmine, rose, patchouli, chocolate) or a broader identifiable group (such as 'oceanics', 'green florals' or 'anti-perfume'), giving an insight into that particular category as well as a clear sense of the similarities and differences between the scents described within it. Featuring over 700 scents, from vintage perfumes to department store classics, rarities and niche boutique fragrances, *Perfume* is a true portal into the beautiful world of perfume. The further you go on this journey, the more you will be amazed by how many beautiful creations do exist if you take the time to look.

GRANDIFLORA

Stewart, Tabori and Chang

This definitive portrait of the creative genius who transformed fashion is the first major English-language biography of Yves Saint Laurent since his death in 2008, featuring exclusive interviews of those who knew him best, by one of the most respected names in French fashion. Yves Saint Laurent's impact on fashion is legendary, yet he remains an enigmatic and compelling figure. Tracing the development of Saint Laurent's visionary work through his charmed yet tumultuous life, respected fashion writer Laurence Benaim's newly translated and updated biography of the famed designer explores how this unassuming prodigy became a legendary, celebrated public icon who changed the face of fashion, style, and celebrity. Enriched by the author's exclusive interviews--from Saint Laurent's partner Pierre Bergé to family members, his atelier staff, and muses such as Catherine Deneuve, LouLou de la Falaise, and Paloma Picasso--this fascinating biography chronicles early glimpses of Saint Laurent's talent in Oran and his star trajectory, from leading the House of Dior at the age of twenty-one to his fall from grace and subsequent forging with Pierre Bergé, fashion's most enduring and successful professional partnership. In portraying the man behind the timeless icons of the Mondrian-print shift dress and the Le Smoking trouser suit--who partied with Warhol in New York and relaxed with the jet set in his Marrakesh hideaway--Benaim powerfully illuminates both the glittering world of haute couture and the business empire that revolutionized the fashion industry.

The Bombshell Manual of Style Random House

Collection of large scale, full page, colour photographs of single flowers, leaves or seed heads, accompanied by a description of the author's career in floristry, her attitude to working with flowers and the development of her florist shop, Grandiflora. The photographer's work has featured in magazines such as 'Rolling Stone' and 'Life'. His other publications include 'Zoo'.

California Condors, Boris Karloff as Frankenstein, Japanese horror films, and Gordon Matta-Clark have served as some of the various influences that make up the daring world of Rodarte. In only five years, Rodarte has upended the fashion scene, bringing Kate and Laura Mulleavy, the designers behind Rodarte, to the forefront of the discussion about contemporary design and visual culture. This is the first publication to examine the fashion design work and conceptual world of Rodarte and is created in collaboration with two of the art world's most sought-after and highly acclaimed photographers, Catherine Opie and Alec Soth. Each photographer, in collaboration with Kate and Laura Mulleavy, has developed an entirely new body of work specifically for the book, examining various facets of Rodarte's creative spectrum. Kate and Laura, who live and work between downtown Los Angeles and Pasadena, California, have consistently brought their love of nature, film, art, and science to bear in their unconventional and exquisitely crafted collections for Rodarte. An additional 16-pages inlay with John Kelsey's essay is inserted in the book. Designed by Patrick Li of Li Inc.

In an Influential Fashion Yale University Press

The haunting debut novel that put Kate Zambreno on the map, *O Fallen Angel*, is a provocative, voice-driven story of a family in crisis—and, more broadly, the crisis of the American family—now repackaged and with a new introduction by Lidia Yuknavitch. Inspired by Francis Bacon's *Three Studies for Figures at the Base of a Crucifixion*, Kate Zambreno's brilliant novel is a triptych of modern-day America set in a banal Midwestern landscape, told from three distinct, unforgettable points of view. There is "Mommy," a portrait of housewife psychosis, fenced in by her own small mind. There is "Maggie," Mommy's unfortunate daughter whom she infects with fairytales. Then there is the mysterious martyr-figure Malachi, a Cassandra in army fatigues, the Septimus Smith to Mommy's Mrs. Dalloway, who stands at the foot of the highway holding signs of fervent prophecy, gaping at the bottomless abyss of the human condition, while SUVs scream past. Deeply poignant, sometimes hilarious, and other times horrifying, *O Fallen Angel* is satire at its best.

Ars Electronica 2017 Rizzoli Publications

Bantam 1988'A financial thriller right out of the headlines.' Adam SmithA high-finance, high-tech thriller of Wall Street, murder, currency manipulation. A mysterious Japanese industrialist begins a massive 'hedging' in the US markets. Two weeks later, in Japan's Inland Sea, divers working for him recover the Imperial Sword, given to Japan's first Emperor by the Sun Goddess. A gleeful grotesquerie and savage satire, featuring Abraham and Mary Todd Lincoln and the Devil, along with Civil War dead, deconstructed couture, and gay ghosts. The Well-Dressed Wound is Derek McCormack's play script "séance": a fashion show by the dead for the living. In the depths of the Civil War, in a theater in P. T. Barnum's American Museum on Broadway, Abraham and Mary Todd Lincoln participate in a staged spiritualistic rite. But the medium conducting them has invited along another being: the Devil, disguised as twentieth-century French fashionista Martin Margiela (aka "King Faggot"). What follows is the most fiendish runway show ever mounted, complete with war dead, deconstructed couture, and gay ghosts infected with all manner of infectious agents, including oozy AIDS. While his previous fictions have explored the darker corners of country music, high fashion, and camp, *The Well-Dressed Wound* is McCormack's most radical work yet, occultishly evoking the evil-twin muses of transgressive literature, Kathy Acker and Pierre Guyotat. The creation thus conjured is a gleeful grotesquerie, a savage satire not so much of fashion as of death, a work that, as Bruce Hainley observes in *Artforum*, puts "the 'pus' back in opus." Here death and life spin on a viral double helix of contamination and couture, blistering and bandages, history and hysteria, semen and seams. "Being dead is so very now," Hainley opines. "This tiny tome (a time bomb, a tomb) is to die for and radically alive."

New Look to Now Frances Lincoln Limited

Presents the movement as not merely an aesthetic vocabulary, but also as a subversive attitude - a new way of looking at the world.
