Aleph-naught is a performative text that creatively harnesses Dinesh's findings from three of her previous works: *Memos*

from a Theatre Lab: *Exploring What Immersive Theatre "Does"*, *Memos from a Theatre Lab: Spaces, Relationships, & Immersive Theatre*, and *Memos from a Theatre Lab: Immersive Theatre & Time*. As the latest endeavour in Dinesh's ongoing commitment to creating socially relevant, immersive, theatrical works, this book contains "A Play" and "A Plan": a script that can be staged; a plan for how to work with participants (performers and spectators) in the realisation of that script. By using one specific play to address larger questions around staging Immersive Theatre, Aleph-naught is a unique resource for practitioners and researchers who are committed to immersive forms of socially relevant theatre praxis. Malkah is a child when her father tries teaching her to read Torah. But they don't get very far. As Malkah studies, her

questions multiply. She discovers an earlier, hidden story of creation within the Hebrew Aleph-Bet letters in the first line of Genesis. And a door opens. Malkah's discovery takes her on a lifelong journey in search of her beginnings—into Jewish mystical texts, far-off places, archaeological digs, ancient gods, and ultimately into the nature of existence itself. Part bedtime story, part poem, part journal, and coupled with highly evocative illustrations, Malkah's Notebook is a love letter to the Hebrew alphabet that unlocks life's greatest mysteries.

Berkley Publishing Group

The Messianic Aleph Tav Interlinear Scriptures (MATIS-NT) The GOSPELS, both Red Letter and Bold Black Editions, are the most unique Interlinear Study Bibles of the New Testament in the world. This work is a "Study Bible" and unique because it is the first true interlinear New Testament to combine both the John W. Etheridge Eastern Aramaic Peshitta in both Aramaic and Hebrew font compared to the Greek, word by word, in true interlinear form. This is the first time the Aramaic Peshitta has ever been in true interlinear form word by word. The John W. Etheridge Eastern Aramaic Peshitta English translation was provided by Lars Lindgren and incorporates his personal notes and also, the Hebrew pronunciation of the Aramaic is unique

and was created and provided by Lars Lindgren of <http://Dukhrana.com/> and used with his permission... all of which comes under copyright protection. The purpose of MATIS-NT is to provide a unique Study Bible whereby each Aramaic word and verse could be studied by comparing it to the Greek in an effort to obtain a deeper understanding of what the apostles were trying to express and the differences between the two New Testaments. MATIS-NT English translation began with the public domain version of the 1987 KJV and removed all the old English for easier reading. MATIS is also unique in regard to the Hebrew (OT) and Aramaic (NT) verses running in sequence from left to right with the English translation, while the Hebrew/Aramaic individual

words are written properly from right to left. This combination is unique but makes it easier for beginners to study the Hebrew and Aramaic language in comparison to its English translation. The First Volume of MATIS is The TORAH, with the Strong's Hebrew Dictionary. Volume Two, The WRITINGS, Volume Three, The PROPHETS and Volume Four, MATIS-NT The GOSPELS, with the Strong's Greek Dictionary and Volume Five, The Acts - Revelation. MATIS Study Bibles also furthers the journey of the study of the Aleph/Tav Character Symbol by revealing thousands of words that originally incorporated this symbol in Paleo Hebrew, and also in Aramaic/Hebrew, and apparently for good reason! The MATIS Study Bible Collection is truly the perfect gift for the

believer who is interested in studying the Hebrew Tanakh and Aramaic with the Greek B'rit Chadashah (New Testament) and desires to obtain a deeper understanding of what the originators, as well as our Creator was trying to express.

Transform your life. Rewrite your destiny. In his most personal novel to date, internationally bestselling author Paulo Coelho returns with a remarkable journey of self-discovery. Like the main character in his much-beloved *The Alchemist*, Paulo is facing a grave crisis of faith. As he seeks a path of spiritual renewal and growth, his only real option is to begin again—to travel, to experiment, to reconnect with people and the landscapes around him. Setting off to Africa, and then to Europe and Asia via the Trans-Siberian railroad, he initiates a journey to revitalize his energy and passion. Even so, he never expects to meet Hilal. A gifted young violinist, she is the woman Paulo loved five hundred years before—and the woman he betrayed in an act of

cowardice so far-reaching that it prevents him from finding real happiness in this life. Together they will initiate a mystical voyage through time and space, traveling a path that teaches love, forgiveness, and the courage to overcome life's inevitable challenges. Beautiful and inspiring, *Aleph* invites us to consider the meaning of our own personal journeys.

Did you know that Jesus appears ten times (1000%) more in the Old Testament than he does in the New Testament. In fact Jesus the Aleph-Tav appears 9612 times (uninterpreted) in the Old Testament but only 983 times in

the New Testament. The Aleph-Tav is comprised of the first and last characters of the Hebrew language, just as the alpha and the omega are the first and last characters of the Greek language. The Aleph-Tav is also the Hebrew character symbol believed to be the signature of Christ found only in the Hebrew Bible, represented by the head of a bull and the sign of a cross. Both character symbols clearly point us to Christ, the Lamb of God who died for humanity on the cross of Calvary. I AM the Aleph-Tav unveils the presence of Jesus in the Old Testament, first by taking a deep dive into the mystery of the Aleph-Tav. Although this symbol appears almost ten thousand times in the Old Testament, it was never interpreted into any other language, and

author Samuel Koiki shows how there are parallels between the Old Testament and the statements Jesus made to John in the book of Revelation, where Jesus proclaimed that he was the Alpha and the Omega, the beginning and the end, in a different way, the Aleph-Tav. Was Jesus telling John that he was there all along when the universe was created in Genesis? Perhaps he was telling John that he indeed is the creator, and that it was he who brought forth the miracles in the Old Testament scriptures. Unraveling the mystery of the Aleph-Tav will answer these questions and lead believers to the truth, abundant living, and freedom from sin, oppression, and the lies of the devil.

El saber y la sensibilidad de Jorge Luis Borges se hallan unidos por mil lazos con la cultura de todos los países y épocas; y su obra es universalmente reconocida como una de las escasas nuevas realidades y explorado territorios ignorados. Este volumen reúne dieciocho relatos -quizá los más eleogiados y citados sean "El Aleph", "El inmortal",

"Los teólogos", "Deutsches Requiem" y "La espera"--Que muestran las posibilidades expresivas de la "estética de la inteligencia", borgiana, inimitable fusión de mentalidad matemática, profundidad metafísica y captación poética del mundo.
