resources for the Cambridge IGCSE® Enterprise (0454) syllabus. Bringing the world of business into the classroom, this coursebook helps students identify, plan, implement and evaluate their enterprise projects. The book has four sections based around the stages of the project with theory integrated throughout. This helps students relate their practical

Enterprise project with the academic principles of business. With a foreword from the specialists at Cambridge Judge Business School, this coursebook helps students appreciate Enterprise skills in the world around them and talk to business people in their communities. Suggested answers to the exam-style questions are in the teacher's resource.

4TH EDITION**

Hodder Education
The fourth edition of Business Statistics builds upon the easy-to-understand, problem-solving approach that was the hallmark of the previous editions. Through detailed discussions on procedures that facilitate interpretation of data, this book enables readers to make more considered

and informed business decisions. Using tools of application and practice in a variety of solved examples and practice problems, this book will sharpen the students' understanding of basic statistical techniques. Business Statistics, 4e, serves as a core textbook for students of management, commerce and computer science studying business statistics for degrees in BBA/MBA/PGD

BM, BCom /MCom, CA/ICWA, and BE/ BTech /MCA as well as for those preparing for professional and competitive examinations. Key Features

- Learning Objectives clearly outline the learning outcomes of each chapter
- Case Studies illustrate a variety of business situations and suggest solutions to managerial issues using specific statistical techniques
- A Chapter Concepts Quiz

at the end of each chapter reinforces students' understanding of the basic principles and applications □ Conceptual Questions, Self-Practice Problems, Review Self-Practice Problems with Hint and Answers enable students, after each chapter, to practice and then evaluate themselves

This revised

set of resources for Cambridge International AS and A Level Business syllabus (9609) is thoroughly updated for the latest version of the curriculum. This workbook supports students studying for the Cambridge AS and A Level Business (9609) syllabus, for first teaching in 2014. The resource complements the coursebook to help students practise the key skills of

the course. Through step-by-step guidance, structured questions explain how to use application, analysis, and evaluation in a business context. In addition, model answers help to increase students' confidence in writing long-form responses. Answers to the workbook questions are available online.
