**THE 7 HABITS OF**

**HIGHLY EFFECTIVE  
PEOPLE**

Simon and Schuster  
Principle-Centered

Guidance for Times That Seem Out of Control The world is changing dramatically and it's easy to be alarmed and lose focus of what really matters most. Don't fall into that trap! Carry your own weather, be proactive, and learn and apply the time-tested principles of The 7 Habits of Highly Effective People. A lot can happen when you have a burst of inspiration. This compact adaptation of The 7 Habits of Highly Effective People can prove to be inspirational, even in

chaotic times. Want to discover lifechanging habits that will propel you toward a more productive and effective life? This book, inspired by Stephen R. Covey's all-time international bestseller, *The 7 Habits of Highly Effective People*, offers an efficient—yet in-depth—guide. Find new or renewed wisdom and direction. Readers who have never learned *The 7 Habits* before—as well as longtime fans who want a refresher—will find wisdom, direction, self-reflection, and life-

affirming challenges that easily can be applied right now. Our rapidly changing world can be stressful, but with this condensed guide, you can develop the principles needed to stay proactive and positive. If you'll devote just minutes each day, you can learn the timeless principles of *7 Habits*, find motivation, and take simple steps toward the successful, fulfilling life you deserve. Create a truly inspired life. The positive paradigm shifts that *The 7 Habits* can produce help you break

free of old beliefs and motivate you toward meaningful change. Develop positive behaviors to bring clear communication and harmony to your relationships—not just with others, but also the one you have with yourself. Discover these breakthroughs and more with *The 7 Habits on the Go*.

### **LIVING THE 7 HABITS**

Simon and Schuster  
BUSINESS STRATEGY.  
"The 4 Disciplines of Execution" offers the what

but also how effective execution is achieved. They share numerous examples of companies that have done just that, not once, but over and over again. This is a book that every leader should read! (Clayton Christensen, Professor, Harvard Business School, and author of "The Innovator's Dilemma)."  
Do you remember the last major initiative you watched die in your organization? Did it go down with a loud crash? Or was it slowly and quietly suffocated by

other competing priorities? By the time it finally disappeared, it's likely no one even noticed. What happened? The whirlwind of urgent activity required to keep things running day-to-day devoured all the time and energy you needed to invest in executing your strategy for tomorrow. "The 4 Disciplines of Execution" can change all that forever.  
[The 7 Habits of Highly Effective Teens](#) Simon and Schuster  
The New York Times–bestselling time

management book from the author of *The 7 Habits of Highly Effective People*. Stephen R. Covey's *First Things First* is the gold standard for time management books. His principle-centered approach for prioritizing gives you time management tips that enable you to make changes and sacrifices needed in order to obtain happiness and retain a feeling of security. *First Things First: The Interactive Edition* takes Dr. Covey's philosophy and remasters the entire

text to include easy-to-understand infographics, analysis, and more. This time-saving version of *First Things First* is the efficient way to apply Dr. Covey's tested and validated time management tips, while retaining his core message. This guide will help you:

- Get more done in less time
- Develop and retain rich relationships
- Attain inner peace
- Create balance in your life
- And, put first things first

"Covey is the hottest self-improvement consultant

to hit US business since Dale Carnegie." —USA Today "Covey has reached the apex with *First Things First*. This is an important work. I can't think of anyone who wouldn't be helped by reading it." —Larry King, CNN "These goals embody a perfect balance of the mental, the physical, the spiritual, and the social." —Booklist [\*The 7 Habits of Highly Effective Families\*](#) Simon and Schuster Stephen R. Covey's *the 7 Habits of Highly Effective People - Interactive*

Edition explains through infographics, videos and excerpts of teachings the philosophy that has revolutionized life management. For 25 years, Stephen R. Covey's step-by-step lessons have helped millions from all walks of life lead successful and satisfying lives. A new condensed and transformed interactive edition of Stephen R. Covey's most famous work, supported with videos, explanatory infographics, self-tests and more, is here to continue those valuable

lessons.

### **Primary Greatness**

Simon and Schuster Outlining seven key organizational rules for improving effectiveness and increasing productivity at work and at home, a companion volume to *The 7 Habits of Highly Effective People* presents a step-by-step guide that includes in-depth exercises and solutions that teach the fundamentals of fairness, integrity, honesty, and dignity and help readers set goals, enhance relationships, and

promote success. Original. 75,000 first printing. *The 12 Levers of Success* Simon and Schuster A smart and funny book by a prominent Harvard psychologist, which uses groundbreaking research and (often hilarious) anecdotes to show us why we're so lousy at predicting what will make us happy – and what we can do about it. Most of us spend our lives steering ourselves toward the best of all possible futures, only to find that tomorrow rarely turns out as we had expected. Why? As

Harvard psychologist Daniel Gilbert explains, when people try to imagine what the future will hold, they make some basic and consistent mistakes. Just as memory plays tricks on us when we try to look backward in time, so does imagination play tricks when we try to look forward. Using cutting-edge research, much of it original, Gilbert shakes, cajoles, persuades, tricks and jokes us into accepting the fact that happiness is not really what or where we thought it was. Among

the unexpected questions he poses: Why are conjoined twins no less happy than the general population? When you go out to eat, is it better to order your favourite dish every time, or to try something new? If Ingrid Bergman hadn't gotten on the plane at the end of Casablanca, would she and Bogey have been better off? Smart, witty, accessible and laugh-out-loud funny, *Stumbling on Happiness* brilliantly describes all that science has to tell us about the uniquely human ability to

envision the future, and how likely we are to enjoy it when we get there.

classic commemorates  
the timeless wisdom of

the 7 Habits.

**From Effectiveness to Greatness** Mango Media Inc.

As lead guitarist of the Rolling Stones, Keith Richards created the riffs, the lyrics, and the songs that roused the world. A true and towering original, he has always walked his own path, spoken his mind, and done things his own way. Now at last Richards pauses to tell his story in the most anticipated autobiography in decades. And what a story! Listening obsessively to Chuck

Berry and Muddy Waters records in a coldwater flat with Mick Jagger and Brian Jones, building a sound and a band out of music they loved. Finding fame and success as a bad-boy band, only to find themselves challenged by authorities everywhere. Dropping his guitar's sixth string to create a new sound that allowed him to create immortal riffs like those in "Honky Tonk Woman" and "Jumpin' Jack Flash." Falling in love with Anita Pallenberg, Brian Jones's girlfriend. Arrested and imprisoned for drug

possession. Tax exile in France and recording Exile on Main Street. Ever-increasing fame, isolation, and addiction making life an ever faster frenzy. Through it all, Richards remained devoted to the music of the band, until even that was challenged by Mick Jagger's attempt at a solo career, leading to a decade of conflicts and ultimately the biggest reunion tour in history. In a voice that is uniquely and unmistakably him--part growl, part laugh--Keith Richards brings us the truest rock-and-roll

life of our times, unfettered and fearless and true. Richards' rich voice introduces the audiobook edition of LIFE and leads us into Johnny Depp's performance, while fellow artist Joe Hurley bridges the long road traveled before Richards closes with the final chapter of this incredible 23-hour production, which includes a bonus PDF of photos.

30th Anniversary Guided Journal.

### **The Speed of Trust**

Franklin Covey

From Stephen R. Covey's eldest son come a revolutionary book that will guide business leaders, public figures and their organizations towards unprecedented productivity and satisfaction. Trust, says Stephen M. R. Covey, is the very basis of the 21st century's global economy, but its power is generally overlooked and misunderstood. Covey shows you how to inspire

immediate trust in everyone you encounter - colleagues, constituents, the marketplace - allowing you to forego the time-killing and energy-draining check and balance bureaucracies that are so often relied upon in lieu of actual trust.

### **Restoring the Character Ethic** Simon and Schuster

In the ten years since its publication, *The 7 Habits of Highly Effective People* has become a worldwide phenomenon, with more than twelve million

readers in thirty-two languages. *Living the 7 Habits: Stories of Courage and Inspiration* captures the essence of people's real-life experiences, applying proven principles to help them solve their problems and overcome challenges. In this uplifting and riveting collection of stories, readers will find wonderful examples of hope and encouragement as they are touched by the words of real people and their experiences of change-change that got them through difficult times;

change that solved family crises; change that mended broken relationships; change that turned their businesses around; change that influenced entire communities.

*The 7 Habits of Highly Effective People* Simon and Schuster

LIVING THE 7 HABITS is a book that could only be published now - some 10 plus years after the publication of THE 7 HABITS OF HIGHLY EFFECTIVE PEOPLE.

Covey's new book shows how the 7 habits have

touched the lives of millions. The people, institutions, companies and even governments that have incorporated the principles of the 7 habits into their lives are profiled for their achievements in LIVING THE 7 HABITS. It is rare that any self-help philosophy has the opportunity to assess itself. With the 7 habits, it is hard to avoid the impact it has had. From running a corporation to trying to improve the quality of the individual's life, Covey's new book will

offer vital examples of people whose success is grounded in the 7 habits. An indispensable book for millions.

### **The 7 Habits of Highly Effective People**

Macmillan Reference USA  
Three-time Emmy Award-winning newscaster and popular YouTube and social media encourager, Dominique Sachse delivers a powerful call to women to embrace their outward beauty as the first step in living with internal boldness, confidence, and renewed joy. An Emmy

Award-winning journalist who has anchored Houston's evening news for almost three decades, Dominique Sachse knows about the connection between external appearance and self-confidence. Through the years, she has garnered more than a million followers on YouTube and appeared on the Today show several times to share her wisdom about beauty and its ability to bolster inner worth. Writing to every woman who has found herself lost in a sea of other people's

needs or drowning in endless responsibilities, Sachse urges them to create space in their lives to discover--or rediscover--who they really are and to rekindle that fire within, inspiring them to take bold risks. Through personal stories she shows them how she has fought fear with faith and has chosen to express grace and class in all situations. Like a close friend, she also vulnerably describes her own mistakes and imperfections and explains how making over

her outward appearance resulted in a happier and healthier version of herself--emotionally, spiritually, and physically. Filled with confidence-boosting wisdom about cultivating rest and lifegiving hobbies, Sachse also offers practical, expert tips about hair, makeup, and fashion, all while encouraging and affirming women to live to their fullest.

### **THE 7 HABITS OF HIGHLY EFFECTIVE TEENS PERSONAL WORKBOOK**

Turtleback Books

A leading management consultant outlines seven organizational rules for improving effectiveness and increasing productivity at work and at home.

*The 7 Habits of Highly Effective People: Revised and Updated* Simon & Schuster

In the 7 Habits series,

international bestselling author Stephen R. Covey showed us how to become as effective as it is possible to be. In his long-awaited new book, THE 8th HABIT, he opens up an entirely new dimension of human potential, and shows us how to achieve greatness in any position and any venue. All of us, Covey says, have within us the means for greatness. To tap into it is a matter of finding the right balance of four human attributes: talent, need, conscience and passion. At the nexus of

these four attributes is what Covey calls voice - the unique, personal significance we each possess. Covey exhorts us all to move beyond effectiveness into the realm of greatness - and he shows us how to do so, by engaging our strengths and locating our powerful, individual voices. Why do we need this new habit? Because we have entered a new era in human history. The world is a profoundly different place than when THE 7 HABITS OF HIGHLY EFFECTIVE PEOPLE was originally

published in 1989. The challenges and complexity we face today are of a different order of magnitude. We enjoy far greater autonomy in all areas of our lives, and along with this freedom comes the expectation that we will manage ourselves, instead of being managed by others. At the same time, we struggle to feel engaged, fulfilled and passionate. Tapping into the higher reaches of human genius and motivation to find our voice requires a new mindset, a new skill-set, a

new tool-set - in short, a whole new habit.

## **THE 7 HABITS ON THE GO**

Mango Media Inc.

A companion to the book "The 7 Habits of Highly Effective Teens," this workbook provides supplementary activities and exercises to help understand and how to apply the 7 habits to life.
