RIDDLE BALLARD

**HOW TO GIVE A
POSITIVE READING
IN ANY SITUATION**

John Hunt Publishing
You don't need to know

about the Tarot to use this book - you just need a Tarot deck, and a smidge of intuition, and some common sense. This book can be used by beginner or expert alike in order to get an oracular reading about the dynamics of a relationship between any two people. Want to know what he or she is really looking for from another person? This easy to use guide can give you the oracular answer. Whether it is business, love, or friendship, this book can help you get a Tarot reading on the relationship. The easy to follow diagram will show you how to lay the spread, and then all you have to do is look up the meaning of each card in its position. This will give you a picture of the potential relationship

dynamics between two people, as provided by the Tarot oracle. I trust you enjoy this book. In love, Eleanor

Tarot Of The Heart

Thorsons Pub

Transcend your fear of negative cards with this beginner-friendly guide to the Rider-Waite-Smith tarot.

Using his engaging and easy-going style, Elliot Adam teaches you how to move through the shadows and into the light no matter what card you pull. We've all been there: hoping for the best as we draw a card...but oh no, it's the Devil! This book shows you that fear won't prevail—every card can become something positive. Elliot helps you find the courage to tackle any reading by explaining both upright and reversed meanings in a constructive way. His approach features unique spreads and

interpretations, and he encourages you to use your inner wisdom to start an uplifting dialogue with your deck. Fearless Tarot provides everything you need to read tarot without fear.

SECRETS OF DATING, MATING AND RELATING

Simon and Schuster
This book is about the tension between how singular the manifestation of love is and what we assume, often wrongly, about the idea of togetherness. To know the difference means to know the heart of the other. To know the heart of man is, in fact, the highest, sages and artists tell us. But who has this gift? Lovers do. Lovers share a passion that exceeds

common understanding, and yet their acting on it can be fraught. While knowing the heart of the other is the premise for the experience of grand passion, this very knowledge is also the price we pay for the image of an infinite love. But what if lovers fail at relationships? This book is an investigation into what happens to the knowledge of the heart when basic communication breaks down, or when we realize that all the assumptions we make about the other are wrong. Borrowing Shakespeare's passionate lovers, Romeo and Juliet, Camelia Elias weaves a personal story of love and loss through encounters with the

Tarot. At the cartomancy table we also encounter Werner Herzog's films, Klaus Kinski's acting, Formula One driver Ayrton Senna, and professors of Psychology, Renaissance, and Religious Studies. In this book Juliet drives a sports car without crashing, and Romeo commits harakiri, Japanese style, while reading tomes such as *Thinking with Demons*. This book is an homage to the love whose image exceeds even that of the imagination. This book comes in three editions: fine binding, paperback, and ebook. The fine binding edition is available directly from the publisher, EyeCorner Press. The paperback and ebook versions are available

from all online stores.

RESOURCES & RESOLUTIONS FOR RELATIONSHIP READINGS

Eyecorner Press
From a world-famous tarot expert, this book reveals everything one needs to know for reading the most maligned and misunderstood part of a tarot spread - the reversed cards.

USING THE TAROT TO GET THE MOST OUT OF RELATIONSHIPS

U S Games Systems
Can the Tarot help you choose better partners? What does each card have to say

about the current stage of your relationship? Now you can confront the dilemmas found in relationships and bridge Tarot meanings with perspectives in psychology. Written as a source book for advanced reading techniques, while still appropriate for the novice, Gina Thies takes Tarot to grander heights by utilizing this mystical tool for thorough relationship analysis. Card interpretations are given for specific relationship stages, such as new or established, while also offering expanded awareness for self-exploration. An overview of the occult history of Tarot and the basics of psychology are provided. You will also find solutions to

some of the most common problems in relationships, along with card spreads designed specifically for readings that are unique to this system. The focus of this extensive reference book is on reading people more than reading cards. It deals with what is most probably the most popular reason someone would seek a reading - love. *Your Shortcut to Love, Money, and Happiness* Lulu.com

Tarot Earth Love Publishing House
Three of Marianne Williamson's previous bestsellers -- A Return to Love, A Woman's Worth, and Illuminata -

- explored the issue of relationships. Now, in this deeply personal collection of essays, prayers, and self-reflection, she turns to romantic love. In *Illuminata*, Williamson wrote that "we experience God to the extent to which we love, forgive, and focus on the good in others and ourselves." Now, in *Enchanted Love*, she writes that "enchanted partnership begins with the conscious understanding, on the part of two people, that the purpose of their relationship is not so much material as spiritual, and the internal skills demanded by it are prodigious." High romance, she says, "is not about past or future. It is not about practicality. It is not about society or

worldly routines. It is an audacious ride to the center of what is, at the heart of every person. It is a bold and masterful inquiry into what two people really are and how we might become, while still on earth, the angels who reside within us."

THE COMPLETE BOOK OF TAROT REVERSALS

TAROT FOR LOVE AND ROMANCE

Sterling Publishing Company Incorporated
A detailed interpretive guide to the 16 “face” cards of the tarot that reveals their core identities and special purpose in a person's life. * The first tarot book to focus exclusively on the court cards. * Shows how the “face” cards can clearly and accurately reveal the specific nature of the support-based relationships in one's life. * Includes tarot spreads and potent techniques for

contacting these powerful archetypes through meditation and pathworking. The Tarot Court Cards gives fresh meaning to the 16 "face" cards of the tarot--the King, Queen, Knight, and Page. In contrast to the idiosyncratic and confusing interpretations that are presented in many tarot books, Kate Warwick-Smith shows how these cards embody archetypal patterns of relationship that offer greater enlightenment than ever before. Using the Kabbalah, she reveals the core identities of the Minor Arcana's court cards and their special purposes as supporters, detractors, inner resources, and challenges in our inner and outer life. She

shows how the court cards can be used to identify your true tribe or clan--the specific people who support you in unique ways, such as your mentor, champion, protector, or healer. She also shows how the court cards can help you identify your inner resources and challenges--insight, discipline, passion, or greed--that enhance or hinder your efforts in the world. Using both new and traditional interpretations, the book also presents new tarot spreads and potent methods for contacting these powerful archetypes through meditation and pathworking. Both seasoned tarot readers and newcomers will find this book helps them achieve practical and insightful results.
