The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format

volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

In his startling book, Gary Greenberg exposes the reality behind the greatest story ever told. Learn about the Egyptian myths and ancient folklore that survive in one of history's most sacred texts, and discover how: -King David's bodyguard, not David, killed Goliath -Noah's Ark did not land on Mount Ararat -Samson did not pull down a Philistine temple -There are at least two versions of the Ten Commandments -The walls of Jericho were destroyed 300

years before Joshua arrived there -Sodom and Gomorrah were mythical cities that never existed -The story of Esther had nothing to do with the Jews of Persia -And much, much more 101 Myths of the Bible provides a new dimension of biblical studies for believers, historians and anyone who has ever wondered about the facts behind the legends. By looking deeper into history, Greenberg shows that the true story makes the Bible more interesting than ever imagined!

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Jesus In Prophecy Today " Go Thy Way Daniel, the WORDS are sealed UP Until the Time of the End" B U T Not Anymore, That Seal has been broken: "SEAL NOT THE SAYINGS OF THIS PROPHECY, FOR THE END IS AT HAND" Y E T MANY ARE SAYING We cannot understand the Vision, because it is A "Sealed Book" "And the Vision of all is become unto you as the words of a book that is sealed, which men deliver to one that is learned, saying Read this I pray thee and he said I cannot for it is sealed" (Is 29:11-14). B U T Says Jesus declares, "Let him who Read UNDERSTAND" "WEEP NOT, For the Lion of Judah has Prevailed" to Take the Book and Loose the Seals That Daniel put upon them THUS HE HAS DECLARED "Seal not the sayings of the Prophecy of THIS Book, for the Time is at hand" (Rev 22:10). Prophecy is a Time Issue, with Jesus serving our 1290 Days to bring us to the Blessedness of the 1335 Days. And at the End the VISION will once again speak, though HE tarries wait for Him, He will speak" FOR BEHOLD I COME QUICKLY, FOR HE THAT SHALL COME WILL COME, EVEN SO COME LORD JESUS. B. K Carey

The Pioneer of Wisdom The Stone of DavidThe Stone of IsraelAsk yourself these questions. How can the most powerful country on earth, or to ever exist, be overlooked in Bible prophecy? How can a nation, who conquered space, went to the moon and back, and helped save the Jews from the horrors of Nazi Germany find themselves left out of God's plan to save the world? How can a land, dripping with wine, sustained by corn, and bursting with grain, escape the eyes of God? Why did God settle the children of Israel in Palestine when he promised them the world? Was it beyond his power to bring them over the sea? Why were the children of Naphtali settled in the northeast corner of the promise land, when they were prophesied the southwest? How can we make sense of these errors? Jacob and Moses were two of the greatest prophets in the Bible. If so, how can they both be wrong? The answer's simple. The lost tribes of Israel came

through the bloody seas of Europe to settle other lands. The most powerful nations on earth are not missing in Bible prophecy. They are the lost tribes of Israel. They're the focus of all Bible prophecy. They are an example of God's blessings, and he's to be glorified by all they accomplish. This book will open your eyes to understanding the Bible. Learn the identity of the children of Joseph and where they reside unto this day. Discover the well-defined paths of the lost tribes and track them throughout Europe. Look into the history of the people living in Switzerland, Belgium, France, Holland, Denmark, England, Canada, Australia, and the United States. Learn the origin of the Native Americans, their ties to Israel, and the prophecy that led them to this land. All supported by Biblical quotes in this red-lettered narrative. The God of Israel gave us all we need to track his lost flock. They were to follow on the heels of the American Indian and inherit a land dripping with sweet wine. It's as simple as opening your Bible and knowing where to look. The ancient path of a Sage is lost in the fetters of time, but wisdom comes from the shadows long since passed. David took five stones into the valley to face a beast, but he needed only one to bring him down. We'll tackle the beast, the dragon, the false prophet, the four horsemen of the apocalypse, the seals of Revelation, and the star of Wormwood. Once finished, there will be little to no doubt of their identity, and they'll fall like the morning rain. We're now entering the dawn of a new age as we open the sixth seal. Be prepared, lest you are found naked.The Stone of Israel and the Two WitnessesDestiny's Epilogue

A Bible student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness, in the final generation before Jesus Christ returns in glory, is being fulfilled now and is shortly to end. Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this - or that Christ's return is therefore now almost upon us! How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God. In God's saving plan for the world, everyone must in time make a free will choice to become part of the 'Israel of God' in order to access eternal life in the kingdom of God. The route to take is the "strait and narrow" way (Mat 7:13-14) that very few have so far found, and it involves the biblical new and old covenants which both apply to this Israel. Embark on this voyage only if you are willing to: be challenged about some basic Christian preconceptions, be a serious open-minded Bible student, and trust what the Bible teaches - but remember that time is short. "What the Bible has taught me I see as both vital and urgent for our eternal salvation; yet I know of no church or individual theologian who teaches what this book deals with in any substantive way" "Be prepared for major challenges to your understanding just as God has challenged me." "In the epistles, Paul refers to two Israels whom he calls Israel after the flesh (I Cor 10:18) and the Israel of God (Gal 6:16); I focus mainly on the latter (but I also explain an unexpected but critically important connection between them)" "Dependent on the teaching, nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me. Looking back, I find this absolutely staggering!" "Very few [Christians] understand that the new covenant also only applies to Israel (as I will clearly show)." "I no longer believe that the NT [New Testament] can be fully understood without this extra Israel dimension" "Had I felt I could deliver this in a more light-hearted way I would have done so, but its implications are too awesome and fundamental to our eternal life prospects for that"

WAY TO ETERNAL LIFE

Grove/Atlantic, Inc.

Critics of the Bible today often say, Science has disproved the Bible. Others say that there is no evidence to support that the Bible is anything more than a book of myths and fables. But the science of archaeology is seldom mentioned by these critics. Even though no provable archaeological discovery has disproved the Bible, there have been thousands of discoveries that support the authenticity of the Bible. This book is designed to show just a few of these discoveries. In this book, the author has visited and photographed many sites and will show the archaeological evidence that can be found there and how it supports biblical accounts. The main purpose of this book is to show evidence that the Bible can be trusted and is authentic.

In Stone and Dung, Oil and Spit Jodi Magness unearths footprints buried in both archaeological and literary evidence to shed new light on Jewish daily life in Palestine from the mid-first century b.c.e. to 70 c.e. the time and place of Jesus life and ministry. Magness analyzes recent archaeological discoveries from such sites as Qumran and Masada together with a host of period texts, including the New Testament, the works of Josephus, and rabbinic teachings. Layering all these sources together, she reconstructs in detail a fascinating variety of everyday activities dining customs, Sabbath observance, fasting, toilet habits, burial customs, and more.

ISRAEL AND THE COVENANTS IN NEW TESTAMENT TIMES

David Van Leeuwen

In this book, Hedi Viterbo radically challenges our picture of law, human rights, and childhood, both in and beyond the

Israel/Palestine context. He reveals how Israel, rather than disregarding international law and children's rights, has used them to hone and legitimize its violence against Palestinians. He exposes the human rights community's complicity in this situation, due to its problematic assumptions about childhood, its uncritical embrace of international law, and its recurring emulation of Israel's security discourse. He examines how, and to what effect, both the state and its critics manufacture, shape, and weaponize the categories 'child' and 'adult.' Bridging disciplinary divides, Viterbo analyzes hundreds of previously unexamined sources, many of which are not publicly available. Bold, sophisticated, and informative, *Problematizing Law, Rights, and Childhood in Israel/Palestine* provides unique insights into the ever-tightening relationship between law, children's rights, and state violence, at both the local and global levels.

Winner of the 2019 Palestine Book Awards "They demolish our houses while we build theirs." This is how a Palestinian stonemason, in line at a checkpoint outside a Jerusalem suburb, described his life to Andrew Ross. Palestinian "stone men," using some of the best-quality limestone deposits in the world and drawing on generations of artisanal knowledge, have built almost every state in the Middle East except one of their own. Today the business of quarrying, cutting, fabricating, and dressing is the Occupied Territories' largest private employer and generator of revenue, and supplies the construction industry in Israel, along with other countries in the region and overseas. Ross's engrossing, surprising, and gracefully written story of this fascinating ancient trade shows how the stones of historic Palestine, and Palestinian labor, have been used to build the state of Israel—in the process, constructing "facts on the ground"—even while the industry is central to Palestinians' own efforts to erect bulwarks against the Occupation. For more than a century, the hands that built Israel's houses, schools, offices, bridges, and even its separation barriers have been Palestinian. Looking at the Palestinian-Israeli conflict in a new light, this book, largely based on field interviews in the region, asks how this record of labor and achievement can and should be recognized.

The David Story: A Translation with Commentary of 1 and 2 Samuel Kregel Academic

An insightful journey through all the biblical names of God, Jesus Christ, and the Holy Spirit. Beginning in Babel and ending with a burning Babylon, "The Name Quest" explains the significance that the different names for God have for an everyday relationship with God and for spiritual growth. The names of God are like a rainbow--each name expresses part of the spectrum of the character and attributes of God. Along the way, the author tenderly answers tough questions: Which of the Hebrew names of God is His personal name--Yahweh or Jehovah? What does it mean to pray in Jesus' name? How can we relate to the Holy God and the Judge? Why is a God of love called the "Jealous God"? What does it mean to call Jesus the Messiah? "The Name Quest" mentions all the names of God in the Bible while explaining their significance in ordinary language. The author weaves together fifteen years of Bible study research with plentiful illustrations and humorous anecdotes. These include lessons learned as a pastor on a Caribbean island. A visit to a Welsh hill farm introduces a chapter about the Good Shepherd. The story of a Hungarian political prisoner illustrates the meaning of Immanuel

(or is it Emmanuel?) A rescue from the slopes of an active volcano helps explain salvation and the meaning of Jesus' Hebrew name Yeshua. Even the clever advertisement on a packet of potato chips offers a lesson about how to grow in faith in God. Unlike chasing rainbows, the spiritual journey has an end. "The Name Quest" is a road map for every Christian's spiritual journey and it points to the destination--being formed into the image of Jesus Christ.

THE STONE OF ISRAEL AND THE TWO WITNESSES

Wm. B. Eerdmans Publishing

"A masterpiece of contemporary Bible translation and commentary."—Los Angeles Times Book Review, Best Books of 1999 Acclaimed for its masterful new translation and insightful commentary, *The David Story* is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays.

This divinely inspired body of work has been fifteen years in the making...covering three continents and six countries. The revelations contained in *The Stone Rejected* are God-breathed and purposely prepared for this hour in time. It is the fulfillment of God's word spoken in the book of Habakkuk, which commands, "Write the vision and make it plain upon tablets, that he may run that read it. For the vision is yet for an appointed time but at the end it shall speak and not lie." Today mankind is thirsty for truth and it is because truth is always logical and its foundation is based on pure fact. When applied, it conforms not only to fact but reason. A lie must change or metamorphose to hold its power over one's mind. This is what has happened to the original word of God. It has been changed so many times that it has almost become unrecognizable. Therefore, the sword of truth has been commanded to rise and cut into pieces the body of deception, which stands behind the mask of religion.
