Sucking Him - A Woman's Guide To Giving

Head (+50 Tips & Techniques To Pleasure Your Man) Grab this GREAT physical book now at a limited time discounted price! Let's face it... Men love blowjobs! The act of a beautiful feminine woman kneeling below a man while she sucks on his sacred sexual member with pure passion and joy is an absolute dream for most men. A woman that knows what she is doing while performing fellatio is able to connect with her man on a far deeper level. She can make her grown man moan, beg, and shake at his knees, all at the expense of the tricks she can perform with her mouth, tongue, and hands. A blowjob for a man is the ultimate expression of love. Having the woman of his dreams caress his genitals to the point of an intimate, sensual and mind-blowing ejaculation, is a feeling that is beyond words for any man to describe. Unfortunately, for many men, it can often be difficult to find a woman who is internally "strong" enough with a high enough level of "self-confidence" that enables her to feel comfortable performing fellatio, which many people view as a "vulnerable" act on the woman's part. A lot of women will not even perform oral sex on their partners, for various reasons: they

consider it taboo, lack the confidence, fear of putting genitals in their mouth, religious reasons, etc. And for those women that are confident and comfortable giving blowjobs, unfortunately the majority have no idea what they are doing, and they don't even realize it! This is a huge problem! Not just for men that are excluded from receiving this incredible sensual experience, but also for women. Women may have trouble connecting on a deeper level with their partner, because of their insecurities around performing fellatio, or in most cases, they lack the skills to give their partner a truly enjoyable, mind-blowing blowjob. I believe this is a result of our poor sexual education in schooling systems, and the way that sex and various sexual acts are portrayed by our media, religion(s) and culture(s). Because of these negative factors, most women do not bother to further improve their oral sex skills or partake in the act at all! In this book, I will teach you how to "master" the art of fellatio. You will learn techniques that your man has never experienced from any other woman before. You will learn tricks outside the physical act of just the

blowjob, such as; how to tease your man, and how to create a sexy, seductive build up to make him desperately need you! These acts alone will have your man on his hands and knees literally begging you for your blowjob while he tries to keep his erect penis hidden in his pants. Here Is What You'll Learn About... How Giving A Blowjob Leads To Better Sex Why Blowjobs Are The Ultimate Expression Of Love For Men Where And How To Touch Him Learn About His Penis And His Most Sensitive Areas For Pleasure Teasing Him Before The Blowjob 50 Techniques & Tips To Give Him The Best Sensual Blowjob He Has Never Had Learn The Art Of The Tantric Blowjob Experience How To Literally Make Him Cum Harder (Produce More Semen During Ejaculation) Than Ever Before! Read Catherine Blyth's posts on the Penguin Blog. Reclaim the pleasures and possibilities of great conversation with this sparkling guide from the witty pen of an Englishwoman wise to its art Every day we use cell phones and computers to communicate, but it's easy to forget that we possess a communication technology that has been in research and development for thousands of years. Catherine Blyth points out the sorry state of disrepair that conversation has fallen into--and then, taking examples from history, literature, philosophy, anthropology, and popular culture, she gives us the tools to rebuild. The Art of Conversation isn't about etiquette, elocution, or knowing how to hold your teacup with your little finger crooked just so. It's about something simple and

profound: connecting. Conversation costs nothing, but can bring you the world, because it transcends the ability to talk to anyone. What transforms encounters into adventures is how we listen, laugh, flirt, and flatter. Blyth celebrates techniques for reading and changing minds, whether you're in a bar or a boardroom. As Alexander Pope nearly wrote, "True ease in talking comes from art, not chance, as those move easiest who have learned to dance." When you have read *The Art of Conversation*, you'll not only know the steps, but hear the music like never before.
