### SAUL BELLOW'S HERZOG

Penguin

“The Adventures of Augie March is the great American Novel. Search no further.” –Martin Amis A Penguin Classic As soon as it first appeared in 1953, this novel by the great Saul Bellow was hailed as an American classic. Augie, the exuberant narrator-hero is a poor Chicago boy growing up during the Great Depression. A “born recruit,” Augie makes himself available for a series of occupations, then proudly rejects each one as unworthy. His own oddity is reflected in the companions he encounters—plungers, schemers, risk-takers, and “hole-and corner” operators like the would-be tycoon Einhorn or the would-be siren Thea, who travels with an eagle trained to hunt small creatures. This Penguin Classics edition, with an introduction by celebrated writer and critic Christopher Hitchens, makes a literary masterpiece available to a new generation of readers. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

In this collection of more than thirty essays, published in The New York Times, Esquire and The New Republic, the vast range of Saul Bellow’s nonfiction is made abundantly clear. In Bellow’s capable hands, a single essay can range fluidly across topics as various as the talents of President Roosevelt, the economic narrative of Jay Gatsby, and childhood adventures in Chicago. In this rich mix of literary, political, and personal musings, Bellow is able to explore subjects as enormous as the writer’s search for truth, and as minute as the discomforts of a French doctors’ office. Traveling from Washington to Spain to the Sinai Peninsula, and profiling friends and characters such as John Cheever and John Berryman, Bellow is keenly focused and perceptive. These pages, spanning a lifetime of thought and debate, present provocative arguments and erudite literary criticism, all with the wry humor of a great storyteller. In It All Adds Up, Bellow turns his view away from the sparkling characters of his novels, and towards the conditions and qualities of his own experience of writing and living.

To Fame and Fortune, 1915-1964 Penguin UK

A collection of treasured stories by the unchallenged master of American fiction A Penguin Classic Nobel Prize winner Saul Bellow has deservedly been celebrated as one of America’s greatest writers. For more than sixty years he stretched our minds, our imaginations, and our hearts with his exhilarating perceptions of life. Here, collected in one volume and chosen by the author himself, are favorites such as “What Kind of Day Did You Have?”, “Leaving the Yellow House,” and a previously uncollected piece, “By the St. Lawrence.” With his larger-than-life characters, irony, wisdom, and unique humor, Bellow presents a sharp, rich, and funny world that is infinitely surprising. With a preface by Janice Bellow and an introduction by James Wood, this is a collection to treasure for longtime Saul Bellow fans and an excellent introduction for new readers. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. The second volume in the life of literary giant Saul Bellow, vividly capturing a personal life that was always tumultuous and career that never ceased being triumphant. Bellow, at forty-nine, is at the pinnacle of American letters--rich, famous, critically acclaimed. The expected trajectory is one of decline: volume 1, rise; volume 2, fall. Bellow never fell, producing in the latter half of his life some of his greatest fiction (Mr. Sammler's Planet, Humboldt's Gift), winning two more National Book Awards, a Pulitzer Prize, and the Nobel Prize. At eighty, he wrote his last story; at eighty-five, he wrote Ravelstein. In this volume, his life away from the desk, including his love life, is if anything more dramatic than in the first. In the public sphere, he is embroiled in controversy over foreign affairs, race, religion, education, social policy, the state of culture, the fate of the novel. In this stunning second volume, Zachary Leader shows that Bellow's heroic energy and will were present to the very end of his life. His immense achievement and its cost, to himself and others, continue to be worth the examination of this vivid work of literary scholarship.

Renowned writer Saul Bellow reflects on the times in which we live and the craft of writing. Bellow asks what meaningful words are left to write in the face of such events as revolutions, world wars, the atom bomb, and who would take the time to read them if new words were found or invented.

Fortunately Faulkner is no longer alive, and unfortunately, neither is Hemingway.

From the acclaimed Nobel Prize winner, a passionate, profound story of love and obsession that brings us back and forth in time, as a narrative is assembled from the emotions, hopes, fears, and deep realities of Black urban life. In the winter of 1926, when everybody everywhere sees nothing but good things ahead, Joe Trace, middle-aged door-to-door salesman of Cleopatra beauty products, shoots his teenage lover to death. At the funeral, Joe's wife, Violet, attacks the girl's corpse. This novel "transforms a familiar refrain of jilted love into a bold, sustaining time of self-knowledge and discovery. Its rhythms are infectious" (People). "The author conjures up worlds with complete authority and makes no secret of her angst at the injustices dealt to Black women." —The New York Times Book Review

After being widely portrayed as a virulent racist and a traitor to his city, Professor Albert Corde, dean of the faculty of Journalism, is forced to leave Chicago. Corde is ill-equipped to handle the outrage that faces him, both as the author of several articles on Chicago's endemic corruption, and as an outspoken figure in the controversial trial of two black men charged with killing a white student. Travelling to Bucharest to visit his ailing mother-in-law, he is unable to escape the comparisons in his mind between the corrupt and dehumanizing aspects of the communist regime, and the abandoned streets of his home city. Meditating on the juxtaposition between two distant worlds, and obsessing over events that begin to unfold both in Chicago and Bucharest, he begins to concede defeat. In this tormented tale, amid the swirling forces that threaten to drown his humanity, Corde slides ever closer to the brink of desolation.

When he visited Israel in 1975, Saul Bellow kept an account of his experiences and impressions. It grew into an impassioned and thoughtful book. As he wryly notes, "If you want everyone to love you, don't discuss Israeli politics." But discuss them is very much what he does. Through quick sketches and vignettes, Bellow evokes places, ideas, and people, reaching a sharp picture of contemporary Israel. The reader is offered a wonderful panorama of an ancient and modern world city. Like every other visitor to Israel, Bellow tumbles into "a gale of conversation." He loves it and he makes the reader feel at home. Bellow delights in the liveliness, the gallantry of Israeli life: people on the edge of history, an inch from disaster, yet brimming with argument and words. He delights not in tourist delusions but with a tough critical spirit: his Israel is pocked with scars and creases, and all the more attractive for it. Simply as a travel book, the reader finds remarkable descriptions, such as one in which Bellow finds "the melting air" of Jerusalem pressing upon him "with an almost human weight" Something intelligible is communicated by the earthlike colors of this most beautiful of cities. The impression that Bellow offers is that living in Israel must be as exhausting as it is exciting: a murderous barrage on the nerves. Israel, he writes, "is both a garrison state and a cultivated society, both Spartan and Athenian. It tries to do everything, to make provisions for everything. All resources, all faculties are strained. Unremitting thought about the world situation parallels the defense effort." Jerusalem's people are actively and individually involved in universal history. Bellow makes you share in the experience.

"The work of a great master still locked in unequal combat with Eros and Time." –The New York Times Book Review A Penguin Classic In this dazzling work of fiction, Nobel Laureate Saul Bellow writes comically and wisely about the tenacious claims of first love. Harry Trellman, an aging, astute businessman, has never belonged anywhere and is as awkward in his human attachments as he is gifted in observing the people around him. But Harry's observational talents have not gone unnoticed by "trillionaire" Sigmund Adletsky, who retains Harry as his advisor. Soon the old man discovers Harry's intense forty-year passion for a twice-divorced interior designer, Amy Wustrin. At the exhumation and reburial of her husband, Harry is provided, thanks to Sigmund, perhaps the final means for disclosing feelings amassed over a lifetime. Written late in Bellow's career, *The Actual* is a maestro's dissection of the affairs of the heart. This Penguin Classics edition contains an introduction by Joseph O'Neill. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. Francisco Examiner) A Penguin Classic Saul Bellow evokes all the rich colors and exotic customs of a highly imaginary Africa in this acclaimed comic novel about a middle-aged American millionaire who, seeking a new, more rewarding life, descends upon an African tribe. Henderson's awesome feats of strength and his unbridled passion for life win him the admiration of the tribe—but it is his gift for making rain that turns him from mere hero into messiah. A hilarious, often ribald story, *Henderson the Rain King* is also a profound look at the forces that drive a man through life. This Penguin Classics edition contains an introduction by Adam Kirsch. Expecting to be inducted into the army, Joseph has given up his job and carefully prepared for his departure to the battlefield. When a series of mix-ups delays his induction, he finds himself facing a year of idleness. *Dangling Man* is his journal, a wonderful account of his restless wanderings through Chicago's streets, his musings on the past, his psychological reaction to his inactivity while war rages around him, and his uneasy insights into the nature of freedom and choice.

In *More Die of Heartbreak*, our erratic narrator explains to his audience that he must abandon Paris for the Midwest. Of course, Kenneth merely wants to be closer to his beloved uncle, the world-famous botanist Benn Crader, to receive the older man's worldly wisdom. The mercurial Benn, however, struggles to put down roots himself, constantly departing for the forests of India, the mountains of China, the jungles of Brazil, or even the Antarctic. Why does he travel so much? Submerging himself in botanical studies seem insufficient, and he hunts relentlessly for more carnal satisfaction. *More Die of Heartbreak* has all the humor of a French farce, and all the brooding darkness of a Hitchcock film. From this tragicomedy Bellow unravels a brilliant and sinister examination of contemporary sexuality, asking why even the most noble pursuits often end in mundane disillusionment.

*A Son's Memoir* Andre Deutsch Limited

It's sweltering summer in New York City, and Asa Leventhal is alone. His co-workers ignore or condescend to him, his wife is away with her mother, and his estranged brother has run off, abandoning his wife and two sons. One night, Leventhal is confronted by a stranger--'one of those guys who want you to think they can see to the bottom of your soul'--who reveals himself to be a marginal figure from his distant past. Leventhal, accused of ruining the man's life, becomes shocked and dismissive, vehemently denying any part in the man's unhappy lot. But as time passes, he is increasingly unable to separate his own good fortune from the bad luck of this down-and-out stranger, who will not leave him be. A brief, haunting rumination on the vagaries of fate and responsibility, *The Victim* is, in the words of Norman Rush, Saul Bellow's "purest creation."

### WINNING THE PEACE

People rumoured that his mind had collapsed. But was it true? Locked for days in the custody of his rambling memories, *Herzog* scrawls frantic letters which he never mails. His mind buzzes with conundrums and polemics, writing in a spectacular intellectual labyrinth. Is he crazy, or is he a genius?..

"Based on much heretofore unavailable archival material and access to close relations, and extraordinary for the diligence of its scholarship, the unsparingness of its scope, and the engaging clarity of its prose, this book traces not only Bellow's rise to literary eminence--from the roots of his family in St. Petersburg, Russia, to his birth and childhood in Quebec to his years in Chicago and at the University of Chicago, to right before the breakout commercial success of his novel *Herzog* in 1964--but also Bellow's life away from the desk, which was rich with incident. In the mornings he wrote; in the afternoons, he went out and got into trouble. Often this trouble involved women--spirited, intelligent, beautiful women. And more: throughout we are given fresh and fulsome readings of Bellow's work, from his early writings and debut novel *Dangling Man* to *Herzog*"--

### HUMBOLDT'S GIFT

Vintage

With his uncanny wit and perception, Saul Bellow tells the story of Charlie Citrine, a young man whose life is reaching a critical moment. Over several years, Charlie's almost obsessive love of literature has led him into a deep friendship with the renowned poet Von Humboldt Fleisher, and when Humboldt dies, the young man's life rapidly begins to unravel. A stalling career and an ugly divorce feed Charlie's instability, and he engages in dubious friendships and an unwise liaison with the wrong woman. Amidst the chaos of a life in shambles, Charlie emerges by virtue of a legacy left by his departed companion, a legacy that offers him a glimpse of a new trajectory.
