ESTHER CARTER

An A-Z of People and Places Routledge
Arthurian legends are reborn in the Civil War era in this addition to the author's Pendragon cycle of plays. In the autumn of 1864, Major Pendragon and some of his men wander in a dark forest, unable to find their way back to the Union Army. They encounter a young man who wants to become a soldier, a tattered revival tent where a demented preacher speaks gibberish while his daughter operates a pump organ, and an old man fishing near a haunted mansion who leads them to the Holy Grail. This eerie play offers new insights into characters also seen in *Armitage*, *Green Man* and *Sorceress*. The author was awarded a Playwriting Fellowship from the National Endowment for the Arts for *Fisher King*.

The History and Folklore of the Arthurian Legend Penguin UK

In her systematic reassessment of the remaking of the Arthurian past in nineteenth-century British fiction and non-fiction, Inga Bryden examines the Victorian Arthurian revival as a cultural phenomenon, offering insights into the relationship between social, cultural, religious, and ethnographic debates of the period and a wide range of texts. Throughout, she adopts an intertextual and historical perspective, informed by poststructuralist thinking, to reveal nineteenth-century attitudes towards the past. Starting with a review of the historical evidence available to Victorian writers and an examination of how historians of the time represented

Arthur, the author connects Victorian accounts of Arthur's quest to contemporary scientific and historical searches for origins and knowledge, and to his appropriation by competing religious movements. She shows how writers explored the dynamics of heroism by recruiting Arthur and his knights to define codes of chivalric service, and to personify the psychological complexities of love. Finally, the legend of his death and transportation to Avalon is deconstructed and placed in the context of cultural attitudes towards commemorating the dead and theological debates about the afterlife. Inga Bryden engages not only with well-known Arthurian texts by Tennyson, Swinburne, Morris and Rossetti, but with lesser-known works by Bulwer-Lytton, Robert Stephen Hawker, Sebastian Evans, Diana Maria Mulock, Christiana Douglas and Joseph Shorthouse.

The Once and Future King McFarland
"The Once and Future King" by T. H. White. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Motivated by jealousy and the desire to

receive acclaim as a great poet, Walid ibn Huyr, a prince of ancient Arabia, commits acts which completely change the course of his life.

The Legend of King Arthur Peachtree Pub Limited

Scholars have become increasingly interested in how modern national consciousness comes into being through fictional narratives. Literature is of particular importance to this process, for it is responsible for tracing the nation's evolution through glorious tales of its history. In nineteenth-century Britain, the legends of King Arthur and Robin Hood played an important role in construction of contemporary national identity. These two legends provide excellent windows through which to view British culture, because they provide very different perspectives. King Arthur and Robin Hood have traditionally been diametrically opposed in terms of their ideological orientation. The former is a king, a man at the pinnacle of the social and political hierarchy, whereas the latter is an outlaw, and is therefore completely outside conventional hierarchical structures. The fact that two such different figures could simultaneously function as British national heroes suggests that nineteenth-century British nationalism did not represent a single set of values and ideas, but rather that it was forced to assimilate a variety of competing points of view.

THE LEGEND OF THE WANDERING KING

Princeton University Press

"A retelling, in graphic novel form, of the story of the boy fated to be the "Once and Future King."--From source other than the Library of Congress
Bulfinch's Mythology McFarland

This seminal new study explores how and why historians and writers from the Middle Ages to the present day have constructed different accounts of this well-loved figure. N. J. Higham offers an in-depth examination of the first two Arthurian texts: the *History of the Britons* and the *Welsh Annals*. He argues that historians have often been more influenced by what the idea of Arthur means in their present context than by such primary sources. *King Arthur: Myth-making and History* illuminates and discusses some central points of debate: * What role was Arthur intended to perform in the political and cultural worlds that constructed him? * How did the idea of King Arthur evolve? * What did the myth of Arthur mean to both authors and their audiences? *King Arthur: Myth-making and History* is fascinating reading for anyone interested in the origins and evolution of the Arthurian legend.

KING ARTHUR - HISTORICAL AND MYTHICAL - WITH THE LEGEND OF ARTHUR AND GORLAGON

Createspace Independent Publishing Platform

In American fiction, two forms of the Arthurian myth are commonly found: the use of the myth for political reasons, and the use of the myth for the continuation of an aesthetic tradition that can be traced back to the earliest use of the Arthurian cycle by writers in the British Isles. This work traces the use of the legend from Mark Twain's *A Connecticut Yankee in King Arthur's Court* to Donald Barthelme's novel *The King*. It discusses how Twain used the myth to take a stand against England, how it served cultural and aesthetic purposes in John Steinbeck's writing, how Raymond

Chandler used it in complex texts with less obvious Arthurian allusions that carried strong cultural and even political associations, how John Gardner used aspects of the myth to embellish already existing narrative structures and to underscore philosophic debates, and how Donald Barthelme suggests the continuing interest of American writers in the Arthurian legend today in his novels. Also discussed is the effect of World War II on American literature and the Arthurian myth and the Camelot image surrounding the Kennedys.

An Anthology TarcherPerigee

King Arthur is one of England's most enduring legends. This captivating book looks at the mix of history and myth that swirls around one of England's most enigmatic characters. - Many of the earliest books, particularly those dating back to the 1900's and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

WRITING AND STAGING MYTHS AND LEGENDS

Good Press

The Arthurian legend closes with a promise: On a distant day, when his country calls, the king will return. His lost realm will be regained, and his shattered dream of an ideal world will, at last, be realized. This collection of original essays explores the issue of return in the modern Arthurian legend. With an Introduction by noted scholar Raymond H. Thompson and 13 essays by authors from the fields of literature, art history, film history, and folklore, this collection reveals the flexibility of the legend. Just as the modern legend takes the form current to its generation, the

myth of return generates a new legend with each telling. As these authors show, return can come in the form of a noble king or a Caribbean immigrant, with the mystery of an art theft or a dying boy's dream.

King Arthur Hodder Education

Collects all three volumes of Thomas Bulfinch's interpretations of myths and legends, which were originally published separately in the 1850s and 1860s.

Penguin

The discovery of seven manuscript fragments of the Old French Suite Vulgate du Merlin in a set of early printed books in the Bristol Central Library hit global headlines in 2019. This book contains a comprehensive study of these fascinating Arthurian fragments. Beginning with an extensive contextual history, the authors reveal details of the fragments' origin, their importation to England, and their subsequent journey to a waste pile in a bookbinder's workshop, where they would be incorporated into the bindings of a four-volume edition of the works of Jean Gerson in the early sixteenth century. A full enquiry into the provenance of these host volumes sets out the possible routes from the bookbinder's workshop to their final home in Bristol Central Library. Using multi-spectral imaging to read the damaged sections of text, the authors also provide a full edition and translation of the narrative contained in the fragments.

Mythological Kings Arthur a Levine
Acclaimed biographer Peter Ackroyd vibrantly resurrects the legendary epic of Camelot in this modern adaptation. The names of Arthur, Merlin, Lancelot, Guinevere, Galahad, the sword of Excalibur, and the court of Camelot are

as recognizable as any from the world of myth. Although many versions exist of the stories of King Arthur and the Knights of the Round Table, *Le Morte d'Arthur* by Sir Thomas Malory endures as the most moving and richly inventive. In this abridged retelling the inimitable Peter Ackroyd transforms Malory's fifteenth-century work into a dramatic modern story, vividly bringing to life a world of courage and chivalry, magic, and majesty. The golden age of Camelot, the perilous search for the Holy Grail, the love of Guinevere and Lancelot, and the treachery of Arthur's son Mordred are all rendered into contemporary prose with Ackroyd's characteristic charm and panache. Just as he did with his fresh new version of Chaucer's *The Canterbury Tales*, Ackroyd now brings one of the cornerstones of English literature to a whole new audience. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

 What are myths and legends? How can
 you write plays that make myths and

legends come to life? How can you turn a story full of famous characters into a fresh and exciting production?
The Immortal Legend (Penguin Classics Deluxe Edition) Samuel French, Inc.
 From lightning-wielding Zeus, the supreme Greek god, to protective Hathor, the Egyptian goddess of love - heroes, gods, and monsters are brought to life in these retellings of myths from around the world. *Myths and Legends* is a children's book that invites you to explore all the well-known stories from Greek and Norse mythology, and a range of other cultures across more than 100 tales. Discover the fascinating myths of Anansi, the West African trickster god who takes the form of a spider; Changing Woman, the Navajo nature goddess who changes her dress with the seasons; or Tane, the Maori forest god who first brought death to the world. Read about ferocious, man-eating monsters such as the Minotaur and Fafnir the dragon, and the legendary heroes that fought them, like Theseus and Sigurd. Also included are the legends of Robin Hood, and of King Arthur and the Knights of the Round Table, epics such as the Mahabharata and Gilgamesh, and a host of tales from Aztec mythology and a range of other cultures. As well as offering the retellings themselves, *Myths and Legends- A Children's Encyclopedia* investigates the meanings of these primal stories, examining why these tales have stood the test of time over thousands of years. Themed features draw together elements that are common to myths from all over the world, such as shape-changers, mythical beasts, and magical weapons. Panels on modern retellings, such as China's *The Monkey King* and Marvel's *Thor*, help to show why these myths are still relevant to our lives today.

KING OF THE CELTS

Routledge

The definitive book of stories from Arthurian legend, featuring the Knights of the Round Table, Wizard Merlin and King Arthur and Queen Guinevere. These fascinating ancient tales are retold by Rosalind Kerven, author of the bestselling English Fairy Tales and Legends which is also published by National Trust. With plots full of romance, adventure and enchantment, these stories are revived by the author to reflect their origins in oral history and appeal to a whole new generation of readers. Stories include Elaine Who Loved Sir Lancelot, Sir Gawain and the Green Knight, Tristan and Isolde and The Enchantment of Merlin, many of which have recently been adapted in modern cinema and remain a fascination within contemporary culture. The book also features detailed notes on each story and mentions specific places in Britain with Arthurian links, including National Trust properties such as Tintagel. Beautifully illustrated throughout with images inspired by Arthurian legend.

Ulysses e-artnow

Journeying home to his family after a ten-year war, mighty king Ulysses must first face Circe, an evil sorceress with the power to transform men into wild animals. Original.

FISHER KING

OUP Oxford

A young boy fulfills the prophecy that he will be a great leader.

The King who Will Return

Brockhampton Press

*Includes pictures of important places and historic illustrations and art depicting the figures of the Arthurian legend *Profiles the historic figures who

scholars speculate may be the person King Arthur was based on. *Explains the mythological and folklore origins of the Arthurian legend, and how the legend evolved over time. King Arthur is one of the most famous names in history, and his name still evokes visions of fantasy, chivalry, bravery, and more even today. Arthur remains a pop culture fixture around the globe, made famous in various Arthurian tales written by writers like Chretien de Troyes. Arthur came to embody the ideals of the Middle Ages: strength, chivalry, bravery, and more. Along the way, his Excalibur sword, the Holy Grail, his queen, and more have all become household words. Arthur has long been identified as a folk hero, and there are countless tales that comprise the Arthurian legend, but was there an actual person that the original stories were based on? People still search for the seeds of truth in the Knights of the Round Table, and the historical figure that inspired the Arthurian tales. Of course, as with all great myths, and even those with a kernel of truth behind them, there is no "real" Arthur. Arthur is now comprised of the works written by diverse storytellers, most of which have built upon the ancient stories and possibly history. It is from there that a primordial seed of myth remains at the heart of all the retellings. At the same time, Arthur's story is one of transformation, as he is brought from the Middle Ages into the Renaissance and more modern times. And that story also includes the famous contemporaries in his stories and other important historical figures, like Geoffrey of Monmouth, the imprisoned Sir Thomas Mallory and Walt Disney. When looking for the historical and mythical Arthur, scholars try to understand how the Arthur of these tales and of others like

Disney's *Sword in the Stone* and *Monty Python and the Holy Grail* came to be. What are the origins of the Arthur legend and what can they tell people about the past? What is the historical basis for King Arthur, if any? *King Arthur: The History and Folklore of the Arthurian Legend* comprehensively examines the history

and stories of the Arthurian legend, while also looking at how they affected English history and became as popular as they are today. Along with pictures of important people, places, and events, you will learn about King Arthur like you never have before, in no time at all.
