This “clever and satisfying” (Associated Press) #1 international bestseller for fans of Kristin Hannah and Jennifer Chiaverini follows three women who are bound together by a long-lost letter, a mother’s love, and a secret network of women fighting for the right to choose—inspired by true stories. 2017: When Angela Creighton discovers a mysterious letter containing a life-shattering confession, she is determined to find the intended recipient. Her search takes her back to the 1970s when a group of daring women operated an illegal underground abortion network in Toronto known only by its whispered code name: Jane. 1971: As a teenager, Dr. Evelyn Taylor was sent to a home for “fallen” women where she was forced to give up her baby for adoption—a trauma she has never recovered from. Despite the constant threat of arrest, she joins the Jane Network as an abortion provider, determined to give other women the choice she never had. 1980: After discovering a shocking secret about her family, twenty-year-old Nancy Mitchell begins to question everything she has ever known. When she unexpectedly becomes pregnant, she feels like she has no one to turn to for help. Grappling with her decision, she locates “Jane” and finds a place of her own alongside Dr. Taylor within the network’s ranks, but she can never escape the lies that haunt her. Looking for Jane is “a searing, important, beautifully written novel about the choices we all make and where they lead us—as well as a wise and timely reminder of the difficult road women had to walk not so long ago” (Kristin Harmel, New York Times bestselling author).

In this raucous collection of true-life stories, Chelsea Handler recounts her time spent in the social trenches with that wild, strange, irresistible, and often gratifying beast: the one-night stand. You’ve either done it or know someone who has: the one-night stand, the familiar outcome of a night spent at a bar, sometimes the sole payoff for your friend’s irritating wedding, or the only relief from a disastrous vacation. Often embarrassing and uncomfortable, occasionally outlandish, but most times just a necessary and irresistible evil, the one-night stand is a social rite as old as sex itself and as common as a bar stool. Enter Chelsea Handler. Gorgeous, sharp, and anything but shy, Chelsea loves men and lots of them. My Horizontal Life chronicles her romp through the different bedrooms of a variety of suitors, a no-holds-barred account of what can happen between a man and a sometimes very intoxicated, outgoing woman during one night of passion. From her short fling with a Vegas stripper to her even shorter dalliance with a well-endowed little person, from her uncomfortable tryst with a cruise ship performer to her misguided rebound with a man who likes to play leather dress-up, Chelsea recalls the highs and lows of her one-night stands with hilarious honesty. Encouraged by her motley collection of friends (aka: her partners in crime) but challenged by her family members (who at times find themselves a surprise part of the encounter), Chelsea hits bottom and bounces back, unafraid to share the gritty details. My Horizontal Life is one guilty pleasure you won’t be ashamed to talk about in the morning.

Star of HBO Max’s “Tig Notaro: Drawn,” “Army of the Dead,” “One Mississippi” and “Instant Family.”

As well as the host of the podcasts “Don’t Ask Tig” and “Tig and Cheryl: True Story” with Cheryl Hines. One of America’s most original comedic voices delivers a darkly funny, wryly observed, and emotionally raw account of her year of death, cancer, and epiphany. In the span of four months in 2012, Tig Notaro was hospitalized for a debilitating intestinal disease called C. diff, her mother unexpectedly died, she went through a breakup, and then she was diagnosed with bilateral breast cancer. Hit with this devastating barrage, Tig took her grief onstage. Days after receiving her cancer diagnosis, she broke new comedic ground, opening an unvarnished set with the words: “Good evening. Hello. I have cancer. How are you? Hi, how are you? Is everybody having a good time? I have cancer.” The set went viral instantly and was ultimately released as Tig’s sophomore album, Live, which sold one hundred thousand units in just six weeks and was later nominated for a Grammy. Now, the wildly popular star takes stock of that no good, very bad year—a difficult yet

astounding period in which tragedy turned into absurdity and despair transformed into joy. An inspired combination of the deadpan silliness of her comedy and the open-hearted vulnerability that has emerged in the wake of that dire time, I’m Just a Person is a moving and often hilarious look at this very brave, very funny woman’s journey into the darkness and her thrilling return from it.

NEW YORK TIMES BESTSELLER • “Driving, wild and hilarious” (The Washington Post), here is the incredible “memoir” of the legendary actor, gambler, raconteur, and Saturday Night Live veteran. When Norm Macdonald, one of the greatest stand-up comics of all time, was approached to write a celebrity memoir, he flatly refused, calling the genre “one step below instruction manuals.” Norm then promptly took a two-year hiatus from stand-up comedy to live on a farm in northern Canada. When he emerged he had under his arm a manuscript, a genre-smashing book about comedy, tragedy, love, loss, war, and redemption. When asked if this was the celebrity memoir, Norm replied, “Call it anything you damn like.”

Glee actress Jane Lynch takes a look at bullying head-on in her first picture book. Marlene is the self-appointed queen of the playground, the sidewalk, and the school. She is small but mighty . . . intimidating! Known for her cruel ways, the little Queen of Mean has kids cowering in fear—until big Freddy stands up to her and says what everyone has been too fearful to say. In Seussian rhyme, actress Jane Lynch, clinical psychologist Lara Embry, and former children’s book editor A. E. Mikesell gently and comically depict the undoing of a bully and her efforts to reform. Tricia Tusa’s charming illustrations make the story an even more accessible conversation starter for all ages.

An indispensable reference for anyone who knows how to read—or wants to fool people into thinking they do—The Funny Thing Is... is sure to make you laugh. In the tradition of The Promise of a Pencil and Kisses from Katie comes an inspirational memoir by

the founder of Comfort Cases about his turbulent childhood in the foster care system and the countless obstacles and discrimination he endured in adopting his four children. Rob Scheer never thought that he would be living the life he is now. He's happily married to his partner and love of his life, he's the father of four beautiful children, and he's the founder of an organization that makes life better for thousands of children in the foster care system. But life wasn't always like this. Growing up in an abusive household before his placement in foster care, Rob had all the odds stacked against him. Kicked out of his foster family's home within weeks after turning eighteen—with a year left of high school to go—he had to resort to sleeping in his car and in public bathrooms. He suffered from drug addiction and battled with depression, never knowing when his next meal would be or where he would sleep at night. But by true perseverance, he was able to find his own path and achieve his wildest dreams. "A heartwarming, hopeful memoir brimming with humanitarianism and compassion" (Kirkus Reviews), Rob's story provides a glimpse into what it's like to grow up in the foster care system, and sheds necessary light on the children who are often treated without dignity. Both a timely call to action and a courageous and candid account of life in the foster care system, *A Forever Family* ultimately leaves you with one message: one person can make a difference.

Simon and Schuster

In the spirit of Mindy Kaling's bestseller *Is Everyone Hanging Out Without Me?* or Judd Apatow's *Sick in the Head*, a collection of humorous, autobiographical essays from Kunal Nayyar, best known as Raj on CBS's #1 hit comedy *The Big Bang Theory*. Of all the charming misfits on television, there's no doubt Raj from *The Big Bang Theory*—the sincere yet incurably geeky Indian astrophysicist—ranks among the misfittingest. Now, we meet the actor who is every bit as loveable as the character he plays on TV. In this revealing collection of essays written in his irreverent, hilarious, and self-deprecating voice, Kunal Nayyar traces his journey from a little boy in New Delhi who mistakes an awkward first kiss for a sacred commitment, gets nosebleeds chugging Coca-Cola to impress other students, and excels in the sport of badminton, to the confident, successful actor on the set of TV's most-watched sitcom since *Friends*. Going behind the scenes of *The Big Bang Theory* and into his personal experiences, Kunal introduces readers to the people who helped him grow, such as his James Bond-loving, mustachioed father. Kunal also walks us through his college years in Portland, where he takes his first sips of alcohol and learns to let loose with his French, 6'8" gentle-giant roommate, works his first-ever job for the university's housekeeping department cleaning toilets for minimum wage, and begins a series of romantic exploits that go just about as well as they would for Raj. (That is, until he meets and marries a former Miss India in an elaborate seven-day event that we get to experience in a chapter titled "My Big Fat Indian Wedding.") Full of heart, but never taking itself too seriously, this witty collection of underdog tales follows a young man as he traverses two continents in search of a dream, along the way transcending culture and language (and many, many embarrassing incidents) to somehow miraculously land the role of a lifetime.

*Humble Pie* Simon and Schuster

The Wall Street Journal's popular columnist Jason Gay delivers a hilarious and heartfelt guide to modern living. "The book you hold in your hand is a rule book. There have been rule books before—stacks upon stacks of them—but this book is unlike any other rule book you have ever read. It will not make you rich in twenty-four hours, or even seventy-two hours. It will not cause you to lose eighty pounds in a week. This book has no abdominal exercises. I have been doing abdominal exercises for most of my adult life, and my abdomen looks like it's always looked. It looks like flan. Syrupy flan. So we can just limit those expectations. This book does not offer a crash diet or a plan for maximizing your best self. I don't know a thing about your best self. It may be embarrassing. Your best self might be sprinkling peanut M&M's onto rest-stop pizza as we speak. I cannot promise that this book is a road map to success. And we should probably set aside the goal of total happiness. There's no such thing. I would, however, like for it to make you laugh. Maybe think. I believe it is possible to find, at any age, a new appreciation for what you have—and what you don't have—as well as for the people closest to you. There's a way to experience life that does not involve a phone, a tablet, a television screen. There's also a way to experience life that does not involve eating seafood at the airport, because you should really never eat seafood at the airport. Like the title says, I want us all to achieve little victories. I believe that happiness is derived less from a significant single accomplishment than it is from a series of successful daily maneuvers. Maybe it's the way you feel when you walk out the door after drinking six cups of coffee, or surviving a family vacation, or playing the rowdy family Thanksgiving touch football game, or just learning to embrace that music at the gym. Accomplishments do not have to be large to be meaningful. I think little victories are the most important ones in life." — From the Introduction
