"Learn a simple prayer that will help you find your sweet spot in life."—Josh McDowell, author of *More Than a Carpenter* "Give me neither poverty nor riches, but give me only my daily bread." Proverbs 30:8 This simple, unexpected request from a little-known biblical author named Agur is the only prayer in all of Proverbs, and it offers life-changing potential. Imagine finding new purpose and contentment in your work, personal ministry, and relationships. Open your heart to Agur's wit and wisdom, and you can learn to • escape imbalance • overcome fear of failure and eliminate envy • joyfully pursue your passions • reap the eternal rewards of trusting God • find your personal sweet spot In our modern, busy lives, embracing balance leads us away from bad decision-making and the emotional cost of trying to do too much or survive with too little. This engaging and practical book faithfully unpacks Agur's humble prayer. Read it in an evening. Affirm it for a lifetime. Share it with those you love.

The real battle is not in the amoral and immoral influences of our culture, but in the hearts of our young people, says author and speaker Josh McDowell in *The Disconnected Generation*. And our young people are losing hope because they feel isolated and alienated from their parents. They are the disconnected generation. This book shows parents and youth workers how to understand and close the isolation gap to form nurturing, enduring relationships that can withstand cultural influences. As a companion to *The Disconnected Generation*, the video curriculum resources provides five video sessions from Josh McDowell offering practical steps that every adult can take to close the emotional gap between themselves and their children.

Praise for *The Jesus I Never Knew*: "This is the best book about Jesus I have ever read, probably the best book about Jesus in the whole century. Yancey gently took away my blinders and blazed the trail through my own doubting fears, pious know-it-all, and critical balderdash until I saw the Savior anew and thought I heard him ask me, 'Now whom do you say that I am?' and I understood the question as I never had before." --Lewis B. Smedes, Senior Professor, Fuller Seminary "Philip Yancey takes the reader with him on his very personal journey to Jesus. In *The Jesus I Never Knew*, I became convinced that the Jesus I met--in some ways for the first time--has known me all along. This book is destined to become a favorite--to recommend to those still seeking Jesus and to pass along to those who've met him, but long to know him more." --Elisa Morgan, President Emerita, MOPS International

She's spent the last seven hundred years hiding in plain sight. But Mouse's past is about to catch up with her. *The Devil's Bible*. Once considered an eighth wonder of the world, the ancient book is shrouded in mystery. No one knows who wrote it or where it was written. Even dry-boned scholars whisper about the secrets hidden in the book: How it calls to the power-hungry. How it drives people

mad. How it was written in the shadows by the hand of the devil himself. But no one knows the truth—no one except Mouse. She's been running from the truth at the heart of the Devil's Bible for so long that no one even knows her name anymore. She calls herself Emma Nicholas—a normal name for a normal college professor living a normal life. But all of it is a lie, and, when forces emerge that threaten to expose her, Mouse has no choice but to take flight once more. Desperate and on the run, Mouse unexpectedly finds hope in a stranger's kindness. But it will take more than hope to win this game of souls—a battle between good and evil set in motion long ago at the birth of the Devil's Bible.

The name Josh McDowell promises real-life, on-the-street Christian apologetics. In his first Harvest House book, Josh joins his son Sean to draw on his life's work and comprehensively address a vital issue: why an entire generation of young Christians—and millions of older believers—is confused about what they believe, why they believe it, and how it's relevant. *The Unshakable Truth* is uniquely positioned for younger Christians because it presents apologetics relationally, focusing on how Christianity's doctrines affect relationships. The authors... ground every assertion in the overarching story of creation, incarnation, and re-creation. distill 12 crucial "faith statements"—for example, "A personal Creator God exists." explain why each statement is trustworthy, how it applies to real life, and—using examples, stories, and experiences—what its relevance is. A spiritual gold mine for parents, youth workers, pastors—anyone wanting to reveal Christianity's relevance to today's life and culture.

To young Christians of the world, Pope Francis has a message for you: "Christ is alive, and he wants you to be alive!" In his fourth apostolic exhortation, *Christus Vivit*, Pope Francis encapsulates the work of the 2018 synod of bishops on "Young People, The Faith, and Vocational Discernment." Pope Francis has always had a special relationship with young people, and in his fatherly love for you he shows that: You can relate to young people in Scripture who made a difference You identify with the Christ who is always young You face difficult issues in the world today You yearn for the truth of the Gospel You are capable of amazing things when you respond to the Gospel You learn and grow with help from the faithful of all generations You need bold and creative youth ministry You can discover who God made you to be You are urged to pray for discernment *Christus Vivit* is written for and to young people, but Pope Francis also wrote it for the entire Church, because, as he says, reflecting on our young people inspires us all. "May the Holy Spirit urge you on as you run this race. The Church needs your momentum, your intuitions, your faith. We need them! And when you arrive where we have not yet reached, have the patience to wait for us."

Startling Evidence of Belief in the One True God in Hundreds of Cultures Throughout the World Has the God who prepared the gospel for all people groups also prepared all people groups for the gospel? Don Richardson, author of the best-selling book *Peace Child*, has studied cultures throughout the world and found within hundreds of them startling evidence of belief in the one true God. In *Eternity in Their Hearts*, Richardson gives fascinating, real-life examples of ways people have exhibited in their histories terms and concepts that have prepared them for the gospel. And there have been others throughout the world, like him, who've come to receive the blessing of the gospel. Get ready to be amazed at these intriguing examples of how God uses redemptive analogies to bring all men to Himself, bearing out the truth from Ecclesiastes that God has also set eternity in the hearts of men.

Christology is crazy. It's rather absurd to identify a first-century homeless Jew as God revealed, but a bunch of us do anyway. In this book, Tripp Fuller examines the historical Jesus, the development of the doctrine of Christ, the questions that drove christological innovations through church history, contemporary constructive proposals, and the predicament of belief for the church today. Recognizing that the battle over Jesus is no longer a public debate between the skeptic and believer but an internal struggle in the heart of many disciples, he argues that we continue to make christological claims about more than an event or simply the Jesus of history. On the other

hand, C. S. Lewis's infamous liar, lunatic, and Lord's scheme is no longer intellectually tenable. This may be a guide to Jesus, but for Christians, Fuller is guiding us toward a deeper understanding of God. He thinks it's good news about a God who is so invested in the world that God refuses to be God without us.

Sex is everywhere. And misunderstandings about it are even more pervasive. Whether you have questions of your own and don't know who to ask, or you are being asked questions and don't know where to turn—this small book has the answers. Bestselling author and speaker, Josh McDowell believes that no question is off limits and that knowledge, not ignorance, is the key to youthful purity and a fulfilling marriage and family. This book builds on that approach with relevant, pertinent statistics, entertaining anecdotes, and real stories. This little book will be a very practical tool in the hands of anyone who is struggling, anyone who is curious, anyone who is nervous about asking a "dumb question," and most importantly, anyone who desires to learn how to honor God with his or her body. The Bible is clear on a lot of these issues and Josh's candor (and respect for young people) shines through as he shares these truths about sex. Much like Josh's apologetics books, this book will help equip a skeptical generation with the facts they are sorely missing.

On the day before Christmas, Kenny Kemp raised his father's heavy garage door and began going through 40 years of accumulated materials and belongings. It was four months after his father's death from Lou Gehrig's disease, a painful, troubled time for which there seemed to be no answers. As Kenny sorted and cleaned, a greater understanding of his loss slowly came to him. Remembrances of his father's love, strength, and quiet courage emerged from carefully preserved mayonnaise jars full of straightened nails; overstuffed, weathered work-bench drawers; time-tested tools; and a venerable 30-year-old piece of plywood. Precious relics, each telling in silent eloquence stories about the greatness of a man who had the gift to see something new and useful inside something old and worn. Beautifully written, these poignant stories provide a unique perspective on life's fleeting moments and disregarded details. Each chapter begins with one of his father's truisms, which taken together provide the blueprints for a meaningful life. Dad Was a Carpenter is a remarkable book that asks us to think about all of our relationships in a different way. Fathers and children of all ages everywhere will cherish this gift for years to come.

A celebration of craftsmanship, teamwork, and the relationship between contractor and client. "An enriching and poetic tribute to manual labour."—Karl Ove Knausgaard Making Things Right is the simple yet captivating story of a loft renovation, from the moment master carpenter and contractor Ole Thorstensen submits an estimate for the job to when the space is ready for occupation. As the project unfolds, we see the construction through Ole's eyes: the meticulous detail, the pesky splinters, the problem solving, patience, and teamwork required for its completion. Yet Ole's narrative encompasses more than just the fine mechanics of his craft. His labor and passion drive him toward deeper reflections on the nature of work, the academy versus the trades, identity, and life itself. Rich with descriptions of carpentry and process, Making Things Right is a warm and humorous portrayal of a tightknit working community, a story about the blood, sweat, and frustration involved in doing a job well and the joys in seeing a vision take shape.
