Yachtsman's Ten Language Dictionary

Most of us have questions about spiritual direction. What is it? What if I can't find a spiritual director? These questions and more are well answered in Dan Burke's book. The Lord is clearly calling all Catholics into a deeper union with him. This book, in a style which is both inspiring and practical, provides some of the Church's most important wisdom about how to respond to this call.

The Complete Idiot's Guide to Spanish Verbs

Island Songs is a work of sonic anthropology that does more than probe song as a part of the sociocultural life on islands. It illuminates how song performs island life. Gathered here are 15 case study chapters on islands in the Caribbean, North Atlantic, Mediterranean, Baltic, and the South Pacific, all framed by four eclectic, conceptual essay contributions. In Island Songs, islands are presented as distinct vantage points for observing the merger of the local and the global, as poignantly expressed through song. This book brings together the perspectives and experiences of sociologists, anthropologists, geographers, cultural studies specialists, folklorists, ethnomusicologists, singers, and musicians. Island Songs will interest not only ethnomusicologists but any and all scholars interested in the effects of globalization on traditional cultures.

The Music Tree: Spanish Edition Student's Book, Part 1 (El Árbol de la Música)

Spanish Language Edition. The Music Tree series continues the

development of complete musicianship by providing the beginner with delightful and varied repertoire. The pupil learns a variety of idioms encompassing folk, jazz and pop. The creativity of the students is emphasized since they are given musical segments to rearrange, transpose, complete or to use as the basis for a new composition. Technical aspects are also addressed including greater facility, blocked intervals and chords, and more hands together playing. Guided training steps are used to encourage intelligent practice skills.

Neuman and Barette's Dictionary of the Spanish and English Languages: English and Spanish

Esta traducción del I Ching está orientada al uso divinadorio. Muchos de los hexagramas incluyen notas con referencias históricas y culturales para ayudar a los lectores a entender mejor el significado del texto. Los textos oraculares dan una

respuesta general a la pregunta del consultante, pero también cubren áreas específicas de la vida como "Trabajo," "Vida privada" y "Salud, sentimientos y relaciones sociales."
