"Collection of scenes from the Playscripts, Inc. catalog of plays, representing a variety of American playwrights. The source material for each scene may be found on the Playscripts website, where

nearly the entire text of every play can be read for free. Intended for teenage actors"--Provided by publisher.

**We Had a Ball...** Lorimer

This volume focuses specifically on narrative inquiry as a means to interrogate research questions in music education, offering music education researchers indispensable information on the use of qualitative research methods, particularly narrative, as appropriate and acceptable means of conducting and reporting research. This anthology of narrative research work in the fields of music

and education builds on and supports the work presented in the editors' first volume in *Narrative Inquiry in Music Education: Troubling Certainty* (Barrett & Stauffer, 2009, Springer). The first volume provides a context for undertaking narrative inquiry in music education, as well as exemplars of narrative inquiry in music education and commentary from key international voices in the fields of narrative inquiry and music education respectively.

*A Scout's Report* A&C Black

The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in *The Debates and Proceedings in the Congress of the United States (1789-1824)*, *The Register of Debates in Congress (1824-1837)*, and *The Congressional Globe (1833-1873)*

Dr. Carl E. James is well known for his work in the area of the sociology of sport. *Race in Play* is on the continuum of his earlier research in the sociology of sport, youth, race, and education. James takes the reader on an edifying walk through the structural and institutional community which supports and sustains sports, while at the same time making individual links between sports, schooling, and career aspirations among youth. He also explores issues of race, radicalised minority youth, and Black men and women in sport.

There is a perversion of the American Dream that says greed is good, and that we should live, love, work, and advance inside the fences drawn by politics, religion, and laws. It is wrong. Through senseless inner-city death, the My Lai massacre, the taking of the Pueblo, a drug-addled return from Vietnam, and a trip across the United States with a Frisbee, the authors tell how The American Dream is still reachable, but you have to get out beyond the fences to find it. This book shows how two people did it.

THE STORY: On a cold, clear, moonless night in the middle of winter, all is not quite what it seems in the remote, mythical town of Almost, Maine. As the northern lights hover in the star-filled sky above, Almost's residents find themselves falling

The High School Athlete's Guide to College Baseball Routledge

South Carolina has a proud tradition of high school football stretching back to the 1890s, making the sport one of the most celebrated in the state. Discover how Florence High School-- sometimes dubbed the Yellow Jackets or the Golden Tornados--won the first four state titles, a record that has been tied but never broken. And learn about the aftermath of a 1922 game between Columbia and Charleston, when violent Columbia fans hurled eggs at the Charleston train as the players left for home. Through the 1960s, the sport withstood the immense pressure of integration until 157 teams ballooned into 193 by the end of the decade. John Boyanoski reveals the trophies, tears, and triumphs of the Palmetto State's time-honored football legacy.

*The Calling* Macmillan

A backup singer for Jan and Dean traces his exhilarating cross-country tour with the band, during which he recaptured his youthful dreams about freedom and adventure while visiting myriad regional sites from sports stadiums and midnight diners to back roads and carnival midways. 75,000 first printing.

Don't miss this action-packed and informative look at the life and achievements of a basketball legend! Matt Christopher, the number one sports writer for kids, profiles basketball superstar Michael Jordan, covering his childhood, college career, rookie years, professional career highlights, and even his short stint in minor league baseball. Written in Matt Christopher's easy-to-read style and complete with incredible photos and Michael Jordan's key stats, this comprehensive biography will entertain and educate.

**Though the Odds Be Great or Small** W. W. Norton & Company

Globalization, Technological Change, and Public Education documents the dramatic changes taking place in public education through the incorporation of new information technologies. These additions to the public school environment have generally been seen as enabling tools to help students and nations compete in the global marketplace. Yet a closer look at the interplay of technological change and organizational restructuring suggests the emergence of new, less promising power relations. Through detailed ethnographic research and interviews in the Los Angeles public school system, Torin Monahan reveals how, with few exceptions, these changes to the educational process are forcing both students and workers to adapt to systems that are ever more rigid and controlling.

Caitlin Myers's greatest ambition is to be a star, and she can outshine anyone at her school. But then Lianne comes to town and starts to give Caitlin a run for her money, even getting top billing in the school play. So when Caitlin's offered a bit role as the bikini girl in a low-budget slasher flick, she ignores the warning bells (and her parents), lies about her age, and takes the part. It's not long before Caitlin finds herself out of her element when it comes to bossy directors and experienced film crews. Her only way out is to fess up about her age, but if she does, she'll have to come clean to her parents, her friends, and her boyfriend about the things she's done. [Fry reading level - 3.7]

The Play That Goes Wrong Dramatic Publishing

Without William Shakespeare, we wouldn't have literary masterpieces like *Romeo and Juliet*. But without Henry Condell and John Heminges, we would have lost half of Shakespeare's plays forever! After the death of their friend and mentor, the two actors are determined to compile the First Folio and preserve the words that shaped their lives. They'll just have to borrow, beg, and band together to get it done. Amidst the noise and color of Elizabethan London, *THE BOOK OF WILL* finds an unforgettable true story of love, loss, and laughter, and sheds new light on a man you may think you know.

Gridiron Underground traces the Canadian lifeline that brought talented African-American football players who were overlooked, ignored, or prevented from playing football in their home country from the 1940s right through to the present day.

Bandmaster Playscripts Incorporated

"Byron sets off for Greece, after the failure of his involvement in the Italian revolution, to fight for Greek independence. His relationship with Countess Guicciolli has declined, on his side at least, into an affection which seems indistinguishable from the absence of true feeling. He has wasted his passion for life; for men, for children, for his sister, for his own childhood. There is nothing left. He is sailing away to die. On arrival in Greece, one of the boys sent to serve him catches his eye. It strikes him as indicative of his decline in reputation and increase in age that nothing in his person or personality can interest the child. The boy's indifference soon enflames Byron into stronger desires. Wooing the pretty Greek boy, as Byron lies dying, becomes a test not only of his gift for winning the world round to him, as he always could, but of his own ability to feel again, and its corollary: to write." -- Publisher description.

**When We Get to Surf City** Baker's Plays

When ATF Special Agent David Ward infiltrates the world of radical environmentalists, his mission is to stop an eco-terrorist group determined to eradicate pollution—and the polluters who get in their way. It's a case of Green Gone Extreme! The Earth Martyrs Brigade will stop at nothing to destroy those corporations and individuals that they deem a threat to Mother, their worshipful name for Mother Earth. Ward joins the group, befriending its cultish followers, only to learn that their plans for destruction and anarchy far exceed anything he could have imagined. Loosely based on the joint FBI/ATF Operation Backfire that decimated the Earth Liberation Front (ELF), this story imagines what would happen if like-minded groups adopted the more extreme tactics of today's terrorists and what

it might take to stop them. It is a scenario that is all too real, and a threat not widely known to the American public. Deep Green Cover is the second book in the Deep Cover series, following Ward's debut adventure in Deep White Cover.

*How to Direct the High School Play* Dramatists Play Service, Inc.

On November 16, 1957, an unranked Notre Dame football team squared off against the No. 2 Oklahoma Sooners. It was supposed to be an easy Sooners win. But despite being 19-point underdogs, the Fighting Irish, guided by their young and tenacious coach Terry Brennan, maneuvered their way to a 7-0 upset, ending the Sooners' NCAA-record 47-game winning streak. Though the Odds Be Great or Small chronicles the story of legendary coach Terry Brennan, from his days as a player at Notre Dame under Frank Leahy, to his selection as the head coach in 1954, to the high-intensity comeback season of 1957 in which Notre Dame finished in the top 10 overall. This book provides the social, cultural, and athletic context to understand college football before and after 1957—a year that changed how the game was played at Notre Dame for decades. The 1957 season remains one of the most important seasons in Notre Dame football's storied history. In *Though the Odds Be Great or Small*, Coach Brennan shares his version of what happened in the trenches and on the sidelines during a time when a college football game had the power to keep an entire country on the edge of its seat.

**Holy Ground** iUniverse

THE CALLING, a compendium of over thirty original compositions for unaccompanied trumpet, is a musical journey like no other. Representing more than two decades of composition, these trumpet solos are presented in chronological order. As a unified work, the pieces in THE CALLING tell a story. It is a story of faith, of friendship, and of sincere admiration. THE CALLING begins with Lewis' first unaccompanied trumpet solo, We Shall See, composed in the mid 90's. It ends with a series of inspiring teacher tributes. Each of the solos in THE CALLING can be used as both a performance piece and lesson study material. THE CALLING is not, however, an etude book. It is an ambitious anthology of bold and captivating original performance pieces for the unaccompanied trumpet.
