Stephen King at his best
in some places and at his

worst in others. First, the
good: Needful Things
gives you 950 pages of
classic King doing
something he's really,
really figured out how to
do well: lock some
average Joes in an
enclosed space (usually a
small town or a single
building), introduce some

horror/paranormal
catalyst, and then bring it
all to a slow boil before
