Konosuba: God's Blessing on This Wonderful World!, Vol. 2 (light novel) J-Novel Club

Saving the world is no child's play in this dark and chilling mecha manga series. One summer, fifteen kids innocently wander into a nearby seaside cave. There they meet a strange man who invites them to play an exciting new video game. This game, he explains, pits a lone giant robot against a horde of alien invaders. To play the game all they have to do is sign a simple contract. The game stops being fun when the kids find out the true purpose of their pact.

No Longer Human I.C. Entertainment

Kazuma's first winter in another world isn't going so well. With companions like Aqua (Arch-priest), Megumin (Arch-wizard), and Darkness (Crusader), his party of advanced classes should be the most powerful in Axel--but they're so dysfunctional, even the easiest-seeming quest goes terribly awry, and they can barely save enough to afford a stable! When an opportunity arises to stay in a mansion, it's like a dream come true--the only catch is that they have to exorcise the evil spirits haunting it. Goddess Aqua is an expert with the undead, so the quest should be a piece of cake, right...? Unfortunately, with this useless goddess, things have a way of working out for the worst...

Captain Ken Independently Published

After the school festival... a big mission commences in the Outer World. Having fended off Elise's sudden attack, Alus manages to protect the campus festival. As the festival continues, Single Digit Magicmaster Lettie secretly visits the Institute. Of all things, she brings with her the mission to reclaim Vanalis, a place with a dark history. Alus and Loki immediately head out after the festival, but...?

Never before has the stunning color art of the manga adaption of Spice and Wolf been seen like this! As a compendium of the illustrations delivering a story that ran strong for ten years, this is a must-have for any fan of everyone's favorite apple-loving wolf!

Bride of the Water God Kodansha America LLC

Do you want fries with your hellfire? Being soundly thrashed by the hero Emilia, the Devil King and his general beat a hasty retreat to a parallel universe...only to land smack in the middle of bustling, modern-day Tokyo! Lacking the magic necessary to return home, the two are forced to assume human identities and live average human lives until they can find a better solution. And to make ends meet, Satan finds gainful employment at a nearby fast food joint! With his devilish mind set on working his way up the management food chain, what will become of his thirst for conquest?!

VIZ Media LLC

In a world haunted by dangerous supernatural forces, there are still some problems you can't solve no matter how much spiritual power you have. And a good thing too—because phony exorcist Reigen Arataka doesn't have any! But that's never stopped Reigen from running a ghostbusting business...and his new part-time office assistant is none other than Tome Kurata, a girl obsessed with the strange and unexplained—and the schoolmate of Reigen's protégé, Shigeo "Mob" Kageyama. Yet whereas Mob's incredible psychic strength resolved many a case for Reigen, Tome is as powerless as her boss! Or so she may think at first...but if there's one thing a master scam artist knows how to teach, it's the power of confidence and belief!

Juni Taisen: Zodiac War (manga) Yen Press LLC

Megaman is a blue robot that fights for justice against the evil Dr. Wily, who uses robots for his own demented ways, forcing Megaman to go against his anti-violence ways to fight his fellow robots.

No Game No Life Practical War Game Yen Press LLC

There's no rest for the wicked, even a not-so-wicked Demon Lord. As Rabbi's hot spring prepares for opening, Akira begins wooing the right nobles and summoning extra assistance - but is it enough to win over the Madame? After all, keeping up operations devours cash and that means grinding away

on quests and baddies, even while simultaneously trying to keep overeager adventurer Yukikaze from grinding away as well. You may have to think big to be big, but for Akira, being big enough is definitely not the problem...

Ane Koi Dark Horse Comics

When Dr. Martin Ellingham arrived in the little Cornish fishing village of Portwenn a little more than four years ago, he was still reeling from his devastating fall from grace. Once a renowned London vascular surgeon, he had been blindsided by haemophobia and forced from the surgical theatre. Martin came to Cornwall in hopes of securing the position of Portwenn's General Practitioner. He was expecting a hospitable and perhaps even welcoming environment, but then he met Louisa Glasson. The spiky but beautiful young school teacher, who served as the lay-member on his interview panel, immediately dismissed his impressive credentials and challenged his suitability as the village's standard-bearer for health. Though his skills as a surgeon were unsurpassed, dealing with people had never been Martin's strong suit. And as Miss Glasson made clear to him immediately, "If you want to be a GP in our village, then social skills and a good bedside manner are really essential." But the school teacher found the doctor had an unconventional appeal, and she was immediately drawn to him. And for the new GP, the ways of the quirky inhabitants of the village would have made life in Portwenn unbearable if it weren't for Louisa Glasson's presence there. Despite their frequent rows, a romantic relationship developed between the new doctor and the school teacher. The path their tumultuous relationship took was a convoluted one, leading them from an aborted wedding, to parenthood, the altar, and finally to a marriage in crisis. For more than four decades Martin had kept the demons spawned by an abusive childhood buried. But the stresses of fatherhood and married life had exhumed them, and the hour of reckoning had come.

NTR: Netsuzou Trap Vol. 3 Kodansha America LLC

Mine has been a life of much shame. I can't even guess myself what it must be to live the life of a human being. Plagued by a maddening anxiety, the terrible disconnect between his own concept of happiness and the joy of the rest of the world, Yozo Oba plays the clown in his dissolute life, holding up a mask for those around him as he spirals ever downward, locked arm-in-arm with death. Osamu Dazai's immortal—and supposedly autobiographical—work of Japanese literature, is perfectly adapted here into a manga by Junji Ito. The imagery wrenches open the text of the novel one line at a time to sublimate Yozo's mental landscape into something even more delicate and grotesque. This is the ultimate in art by Ito, proof that nothing can surpass the terror of the human psyche. -- VIZ Media

Star Wars: The Legends of Luke Skywalker—The Manga J-Novel Club

YOU NEVER KNOW WHAT'S IN THE CARDS... Before the creation of Disboard, a world where everything is decided by games, there raged a terrible war among the various races. The Immanity weren't the only ones fighting to end that war, though—one Elf had her own plans: Whoever's left standing after the world is destroyed is the winner! What tricks did Think Nirvalen have up her sleeve all those years ago? Who was actually pulling the strings behind the Great War? And did Nina Clive, Think's overworked assistant, even make it out alive?!

After successfully saving the town from Mobile Fortress Destroyer, Kazuma is ready to sit back and enjoy the hero treatment: fame, fortune, and...criminal charges?! Now in hot water with the law, he has to find a way to clear his name with the help of Aqua, Megumin, and Darkness before the judge can sentence him to death. Darkness has a plan to buy more time, but will it be enough...? After all, in this wonderful world, who knows what'll happen?

Ane Koi Elder Sister Love Falling in love is not easy when the only one you're in love with happens to be your older sister! This anthology follows five young men determined to pursue the love and lust they have for their sisters. Will these young men successfully sate their appetites for the forbidden?

Peach Girl NEXT. Kodansha America LLC

Launching the third or "Final Season" of the international cult-hit series, Possession Tale returns the narrator's headset back to high school senior and amateur savior Koyomi Araragi, who used to eschew friendship once upon a time because it'd lower his "intensity as a human"—a loner's misgiving that was perhaps on the mark in a different way than he intended. At issue now is not the precarious fate of one of his cherished confrères, or rather consœurs, whom he'd aid, sight unseen, with a monster's resilience, but his own aberrant state and its prolonged abuse. If everything comes with a bill, and if no man is an island, then is the price of self-sacrificing amity—and the bloodshed it ironically occasions—becoming inhuman for good? That being said! Our hero, whose first name means "calendar" but who has none in his room, sees no need to rush, so, on our way to the profound mysteries of the superhuman aspect, expect a super-shallow deconstruction of the alarm clock. On hand this volume to (hardly ever) humor his humor: his little sisters, a living doll of a corpse, and its violent mistress.
