Kirkus (STARRED review) "Churchwell... has written an excellent book... she's earned the right to play on [Fitzgerald's] court. Prodigious research and fierce affection illumine every remarkable page." The autumn of 1922 found F. Scott Fitzgerald at the height of his fame, days from turning twenty-six years old, and returning to New York for the publication of his fourth book, *Tales of the Jazz Age*. A spokesman for America's carefree younger generation, Fitzgerald found a home in the glamorous and reckless streets of New York. Here, in the final incredible months of 1922, Scott and Zelda Fitzgerald drank and quarreled and partied amid financial scandals, literary milestones, car crashes, and celebrity disgraces. Yet the Fitzgeralds' triumphant return to New York coincided with another event: the discovery of a brutal double murder in nearby New Jersey, a crime made all the more horrible by the farce of a police investigation—which failed to accomplish anything beyond generating enormous publicity for the newfound celebrity participants. Proclaimed the "crime of the decade" even as its proceedings dragged on for years, the Mills-Hall murder has been wholly forgotten today. But the enormous impact of this bizarre crime can still be felt in *The Great Gatsby*, a novel Fitzgerald began planning that autumn of 1922 and whose plot he ultimately set within

that fateful year. *Careless People* is a unique literary investigation: a gripping double narrative that combines a forensic search for clues to an unsolved crime and a quest for the roots of America's best loved novel. Overturning much of the received wisdom of the period, *Careless People* blends biography and history with lost newspaper accounts, letters, and newly discovered archival materials. With great wit and insight, acclaimed scholar of American literature Sarah Churchwell reconstructs the events of that pivotal autumn, revealing in the process new ways of thinking about Fitzgerald's masterpiece. Interweaving the biographical story of the Fitzgeralds with the unfolding investigation into the murder of Hall and Mills, *Careless People* is a thrilling combination of literary history and murder mystery, a mesmerizing journey into the dark heart of Jazz Age America.

Journal of American Culture Presses Univ de Bordeaux

Francis Scott Fitzgerald's contribution to American fiction has to be judged keeping in mind that the naturalistic mimesis of the fiction of the earlier period is important as a critique of bourgeois society, but it ultimately fails in representing the problematic nature of bourgeois reality. The use of romance by Fitzgerald within mimetic realism is a logical culmination of the rise of the novel as it is. Through this use of romance he is able to adequately explore the bourgeois myth of man

Bits of Paradise Copyright Office, Library of Congress

Praise for the earlier edition: "Students of modern American literature have for some years turned to *Fifteen Modern American Authors* (1969) as an indispensable guide to significant scholarship and criticism about twentieth-century American writers. In its new form--*Sixteenth Modern American Authors*--it will continue to be indispensable. If it is not a desk-book for all Americanists, it is a book to be kept in the forefront of the bibliographical compartment of their brains."--*American Studies*

Bits of Paradise Gale Cengage

This pictorial autobiography of Scott and Zelda Fitzgerald documents two lives that have become legendary. The book draws almost entirely from the scrapbooks and photograph albums that the Fitzgeralds scrupulously kept as their personal record and provides a wealth of illustrative material

not previously available. Minnesota; a photograph of the country club in Montgomery, Alabama, where the two met; reviews of *This Side of Paradise*; poems to the couple from Ring Lardner; snapshots of their trips abroad; Fitzgerald's careful accounting of his earnings; a photograph of the house on Long Island where *The Great Gatsby* was conceived; postcards with Fitzgerald's drawings for his daughter. These rare photographs and memorabilia combine into a narrative augmented by selections from Scott's and Zelda's own writings, conveying the spirit of particular moments in their lives.

Help readers improve reading skills while stimulating their appreciation and increasing their understanding of great literature. Using a scaffolding approach, this guide leads readers from simple and engaging reads to more challenging texts, and simultaneously cultivates their interest

and skills. An invaluable resource for middle and high school, ABE and ESL educators, as well as for readers' advisors. All readers—even those still learning to speak English—can enjoy the delights and benefits of great literature with the help of this motivational and practical book guide. Rosow takes you on a journey through the history of Western literature, beginning with ancient myths and moving to medieval tales and classics of the Renaissance, Romantic Movement, and Modernism. Along the way, she shows you how to give readers easy access to some of the best literature of all time. Scores of collections focus on such ancient and enduring stories as Gilgamesh, Beowulf, the tales of Chaucer; historical masterpieces of William Shakespeare, Jane Austen, Edgar Allan Poe, Charles Dickens; and stellar names of more recent times, such as Virginia Woolf, John Steinbeck, Ernest Hemingway, and J.R.R. Tolkien. Each carefully selected collection lists an assortment of titles, ranging in reading level and arranged progressively from simple renditions, such as picture book re-tellings, through more advanced selections and readings where audio versions and simpler formatting support the reader, and on to the most challenging reads. Author profiles and narrative, as well as detailed descriptions of each title provide further insights into the story lines and features of the books; while building a scaffold of reading experience and knowledge to help readers better understand the texts. For example, the Mark Twain collection begins with a brief biographical sketch of the author, followed by descriptions of two illustrated books about the author and two readers' theatre skits based on his work. A collection of Twain's short stories is recommended next, and then several illustrated versions of his novels, and an illustrated edition of Twain's memoir, *Life on the Mississippi*, which is supported by an audiotape version. Each recommended title is rated as start here, next read, support here, or challenging read; and related reads, and audio and video versions are listed when appropriate. The author also notes author and student favorites, titles with exceptional illustrations, and other features of interest. Focus is on authors and titles of the Western canon that are generally available in library collections. Because some of the titles cited are older editions, this is a valuable collection development tool in libraries; as well as an essential resource for readers' advisors, Adult Basic Education, and English as Second Language educators, and young adult educators and librarians. Young adult and adult or Grades 9

Excerpts from criticism of the works of novelists, poets, playwrights, and other creative writers, 1900-1960.

ACCESSING THE CLASSICS

University of Toronto Press

Eleven specially commissioned essays by major Fitzgerald scholars present a clearly written and comprehensive assessment of F. Scott Fitzgerald as a writer and as a public and private figure. No aspect of his career is overlooked, from his first novel published in 1920, through his more than 170 short stories, to his last unfinished Hollywood novel. Contributions present the reader with a full and accessible picture of the background of American social and cultural change in the early decades of the twentieth century. The introduction traces Fitzgerald's career as a literary and public figure, and examines the extent to which public recognition has affected his reputation among scholars, critics, and general readers over the past sixty years. This volume offers

undergraduates, graduates and general readers a full account of Fitzgerald's work as well as suggestions for further exploration of his work.

Zelda Sayre Fitzgerald is the captivating and intense heroine of this fantasy dramatization of her dazzling exploits, her writing, painting and obsessive dancing, her struggle as a woman and artist in an ambivalent, often hostile environment. Counter-pointing Zelda's blazing desire to push beyond all boundaries of the ordinary are: the spectra of Virginia Woolf, and old world artist with a room of her own; the romantic F. Scott Fitzgerald, Zelda's spiritual ally; Ernest Hemingway whose linear mentality and macho posturing make him their adversary; and Gertrude Stein, mother, priestess and oracle. All play their parts on literary and sexual frontiers distinctly biographical, this contemporary morality play explores both truths and mystifications about men and women, alienation and love, creativity and madness.

SIXTEEN MODERN AMERICAN AUTHORS

"The present volume includes talks Frye gave that were tape-recorded but for which there is no extant manuscript, taped interviews and responses to questions not included in the volume of interviews of the Collected Works; a previously undiscovered notebook and portions of others, including an extensive series of notes on romance (93,000 words); a brief in opposition to the Macpherson Report on undergraduate education at the University of Toronto; an address about the contribution of Victoria College to Canadian culture; reviews that were until recently unknown to me and the other editors of the Collected Works; a reply to a questionnaire from the American Scholar, and an early essay on poetic diction."--Page xiii
